Sparrowhook Curse:

A Sparrowhawk's Lament David Cobham, 2014-07-06 Britain is home to fifteen species of breeding birds of prey from the hedgerow hopping Sparrowhawk to the breathtaking White tailed Eagle In this handsomely illustrated book acclaimed British filmmaker and naturalist David Cobham offers unique and deeply personal insights into Britain's birds of prey and how they are faring today He delves into the history of these magnificent birds and talks in depth with the scientists and conservationists who are striving to safeguard them In doing so he profiles the writers poets and filmmakers who have done so much to change the public's perception of birds of prey There are success stories five birds of prey that were extinct have become reestablished with viable populations but persecution is still rife Featuring drawings by famed wildlife artist Bruce Pearson this book reveals why we must cherish and celebrate our birds of prey and why we neglect them at our peril *The Gallows Curse* Karen Maitland, 2011-03-03 1210 and a black force is sweeping England For a vengeful King John has seized control of the Church leaving corpses to lie in unconsecrated ground babies unbaptized in their cradles and the people terrified of dying in sin And in the village of Gastmere the consequences grow darker still when Elena a servant girl is dragged into a conspiracy to absolve the sins of the lord of the manor As the terrors that soon begin to plague Elena's sleep grow darker in desperation she visits the cunning woman who has been waiting for just such an opportunity to fulfil an ancient curse conjured at the gallows Elena haunted by this curse and threatened with death for a crime she didn't commit flees the village only to find her nightmare has barely begun For treachery lurks in every shadow as King John's brutal reign makes enemies of brothers murderers of virgins and sinners of us all *The Farthest Shore* Ursula K. Le Guin, 2012-09-11 The National Book Award winning third novel in the renowned Earthsea series from Ursula K LeGuin In this third book in the Earthsea series darkness threatens to overtake Earthsea The world and its wizards are losing their magic But Ged Sparrowhawk Archmage wizard and dragonlord is determined to discover the source of this devastating loss Aided by Enlad's young Prince Arren Ged embarks on a treacherous journey that will test their strength and will Because to restore magic the two warriors must venture to the farthest reaches of their world and even beyond the realm of death With millions of copies sold worldwide Ursula K Le Guin's Earthsea Cycle has earned a treasured place on the shelves of fantasy lovers everywhere alongside the works of such beloved authors as J R R Tolkien and C S Lewis **Charity and Condescension** Daniel Siegel, 2012-04-22 Charity and Condescension explores how condescension a traditional English virtue went sour in the nineteenth century and considers how the failure of condescension influenced Victorian efforts to reform philanthropy and to construct new narrative models of social conciliation In the literary work of authors like Dickens Eliot and Tennyson and in the writing of reformers like Octavia Hill and Samuel Barnett condescension once a sign of the power and value of charity became an emblem of charity's limitations This book argues that despite Victorian charity's reputation for idealistic self assurance it frequently doubted its own operations and was driven by creative self critique Through sophisticated and

original close readings of important Victorian texts Daniel Siegel shows how these important ideas developed even as England struggled to deal with its growing underclass and an expanding notion of the state's responsibility to its poor
