Lathrop, 2007 New Proclamation Commentary on Feasts Holy Days and Other Celebrations continues the tradition of excellent biblical commentary that users of the seasonal New Proclamation volumes have come to expect. This volume offers essential historical background about each of thirty five so called lesser feasts and places each day into the context of the church year. Quotes related to the festival day from prayers, liturgies and other sources have been included to help enliven the sermon and enhance worship along with other guidance for preaching. Commentary and recommended texts for ten national days and nonliturgical celebrations are also included. *Ellicott's Bible Commentary, Volume 1* Ellicott, Charles, 2015-10-29. I rate this exceptional Bible commentary to be used for Pastors and Students. It is written to be explained rather than to be technical so that as to reach all English readers. Charles Ellicott focuses on the English explanation rather than the Greek and addresses the expository side less than the technical since this does not contain Greek words or terminology. Dr Charles Ellicott assembled and edited this commentary utilizing 28 different authors including Rev Payne Smith, Rev C J Elliott and Rev C H Waller. This is a must have for anyone desiring a greater understanding of the Bible as a whole. The scripture and commentary are on the same page making it easy to read and understand. This commentary is one that you will treasure in your library and you will not want to let this one pass you by.
