The Life Of Desiderius Erasmus:

The Life of Desiderius Erasmus Albert Hyma, 1972 **Life and Letters of Erasmus** James Anthony Froude, Desiderius Erasmus, 1894 **Erasmus** Richard C. Jebb, Desiderius Erasmus, 2017-09-05 This book presents the history of Erasmus an European humanist and his essay against war With Erasmus a new period opens Two things broadly distinguish him as a scholar from the men before and after him First he was not only a refined humanist writing for the fastidious few and prizing no judgment but theirs he took the most profitable authors of antiquity profitable in a moral as well as a literary sense chose out the best things in them and sought to make these things widely known applying their wisdom or wit to the circumstances of his own day Secondly in all his work he had an educational aim and this of the largest kind The evils of his age in Church in State in the daily lives of men seemed to him to have their roots in ignorance ignorance of what Christianity meant ignorance of what the Bible taught ignorance of what the noblest and most gifted minds of the past whether Christian or pagan had contributed to the instruction of the human race Let true knowledge only spread and under its enlightening and humanizing influence a purer religion and a better morality will gradually prevail Erasmus was a man of the world but with his keen intellect so quickly susceptible to all impressions he made the mistake not uncommon for such temperaments of overrating the rapidity with which intellectual influences permeate the masses of mankind However no one was ever more sistently or brilliantly true to an idea than Erasmus was to his and it is wonderful how much he achieved **Erasmus in Praise of Folly** Desiderius Erasmus, 1922 **Life and Letters of Erasmus** James Anthony Froude, Desiderius Erasmus, 2018-10-26 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Christian Humanism and the Reformation** Desiderius Erasmus, Beatus Rhenanus, 1980-01-31 *Erasmus in Praise of Folly* Desiderius Erasmus, 2018-10-22 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read
