The Life Of Sea Islands:

The Life of Sea Islands Norman John Berrill, 1967-06-01 *The Life of Sea Islands* Norman John Berrill, Michael Berrill, 1969 **The South Sea Island** Frits Andersen, 2024-02-07 When the first European explorers ventured into the unknown Pacific Ocean their minds were filled with tales of remote paradisiacal islands. Hopeful ideas of noble savages, ecological balance and immense riches gave them the courage to search for a new world even when faced with the unimaginable. *The South Sea Island: A Geography of Pleasure* is a journey through the history of ideas and literature over three centuries of European and American narratives about islands, oceans and archipelagos. Literary scholar Frits Andersen reads and analyses travel accounts, paintings, films and novels from the 18th century up until the present day by visual artists and authors including Paul Gauguin, Herman Melville, Robert Louis Stevenson, Jules Verne and Thor Heyerdahl. These readings combined with Andersen's eye for pleasure, sense and longing give rise to a novel literary history of the disappearing Pacific islands. At the same time, the book offers historical models that we can use today to enhance our understanding of and find new answers to global political and climate-related challenges. Frits Andersen is a professor of Comparative Literature at Aarhus University, Denmark. His previous works include *The Dark Continent: Images of Africa in European Narratives about the Congo* (2016). The Danish edition of this book entitled *Sydhavs en Nydelsens geografi* received the Georg Brandes Prize. *Ecological Characterization of the Sea Island Coastal Region of South Carolina and Georgia: Biological features of the characterization area*, 1980 **African American Life in the Georgia Lowcountry** Philip Morgan, 2011-11-01 The lush landscape and subtropical climate of the Georgia coast only enhance the air of mystery enveloping some of its inhabitants: people who owe in some ways as much to Africa as to America. As the ten previously unpublished essays in this volume examine various aspects of Georgia lowcountry life, they often engage a central dilemma: the region's physical and cultural remoteness helps to preserve the venerable ways of its black inhabitants, but it can also marginalize the vital place of lowcountry blacks in the Atlantic World. The essays, which range in coverage from the founding of the Georgia colony in the early 1700s through the present era, explore a range of topics all within the larger context of the Atlantic world. Included are essays on the double-edged freedom that the American Revolution made possible for black women; the lowcountry as site of the largest gathering of African Muslims in early North America; and the coexisting worlds of Christianity and conjuring in coastal Georgia and the links with variations to African practices. A number of fascinating, memorable characters emerge among them: the defiant Mustapha Shaw, who felt entitled to land on Ossabaw Island and resisted its seizure by whites only to become embroiled in struggles with other blacks; Betty, the slave woman who in the spirit of the American Revolution presented a list of grievances to her master; and S. Quash, the Arabic-speaking Muslim who arrived on one of the last legal transatlantic slave ships and became a head man on a North Carolina plantation. Published in association with the Georgia Humanities Council. **Sea Islands of Georgia** Count D. Gibson, 2010-01-01 The Golden Isles

off Georgia's coast are important sources of history and legend Oglethorpe's activities there the Battle of Bloody Marsh Fort Frederica Spanish missionaries all are prominent in Georgia history Published in 1948 *Sea Islands of Georgia* focuses on their geologic history as it was understood at the time Count D Gibson describes the various stages in the formation of the islands and explains modifications that occurred in the past General information about tides artesian wells winds climate and other natural phenomena are included *Sea Islands of Georgia* was intended to be a resource for visitors to the Georgia coast
