The Light Of Krishnamurti:

The Light of Krishnamurti Blackburn Gabriele,1996 [The Light of Krishnamurti](#) Gabriele Blackburn,1996-01-01

A Light to Yourself J Krishnamurti,2022-09-09 In these talks given in Europe and India Krishnamurti goes into the importance of going into problems openly without conclusions because we approach our problems partially through all these various forms of conditioning it seems to me that we are there by not understanding them I feel that the approach to any problem is of much more significance than the problem itself and that if we could approach our many difficulties without any particular form of conditioning or prejudice then perhaps we would come to a fundamental understanding of them A next extensive compendium of Krishnamurti's talks and discussions in the USA Europe India New Zealand and South Africa from 1933 to 1967 the *Collected Works* have been carefully authenticated against existing transcripts and tapes Each volume includes a frontispiece photograph of Krishnamurti with question and subject indexes at the end The content of each volume is not limited to the subject of the title but rather offers a unique view of Krishnamurti's extraordinary teachings in selected years The *Collected Works* offer the reader the opportunity to explore the early writings and dialogues in their most complete and authentic form

Transformation-The Light of Krishnamurti Hubert W Keller,2023-02-28 A profound study of consciousness [The Blavatskian and Biblical Roots of Krishnamurti's Imagined Role](#) Al Boag,2025-09-16 This book focuses on Jiddu Krishnamurti 1895 1986 and charts the development of his teaching It covers the period from 1922 when Krishnamurti claimed he was God until his death including his declarations to be the World Teacher and eventual departure from the Theosophical Society The author explores the understanding transmitted to Krishnamurti by his mentors as an inheritance from Helena Petrovna Blavatsky 1831 1891 the Theosophical Society co founder who is associated with the practice of occult breathless meditation This book highlights that Krishnamurti's writings and talks reveal his unacknowledged appropriation of the vocabulary of profound biblical motifs It considers how Krishnamurti fashioned his life and teaching on the New Testament Gospels composite biography of Jesus and on biblical eschatological and Christological texts The study will be of particular interest to students and scholars of esotericism new religious movements and the history of religions *This Light in Oneself* J. Krishnamurti,1999-03-16 A leading spiritual teacher of the twentieth century presents meditation as a tool for better understanding not just ourselves but the world around us These selections present the core of Krishnamurti's teaching on meditation taken from discussions with small groups as well as from public talks to large audiences His main theme is the essential need to look inward to know ourselves in order really to understand our own and the world's conflicts We are the

world says Krishnamurti and it is our individual chaos that creates social disorder He offers timeless insights into the source of true freedom and wisdom The Mind of J. Krishnamurthi Luis S.R. Vas,1989-01-01 What makes an apparently ordinary human being unfavoured by either heredity or environment suddenly achieve greatness The present volume is a study of this rare phenomenon as reflected in the life and thought of one man who had greatness thrust upon him early in life and who later achieved a different kind of greatness only to give it all up J Krishnamurti It uncovers a strange mind still very imperfectly understood **The Collected Works of J.
