Wittman, John Shiffman, 2011-06-07 The Wall Street Journal called him a living legend The London Times dubbed him the most famous art detective in the world In *Priceless* Robert K Wittman the founder of the FBI's Art Crime Team pulls back the curtain on his remarkable career for the first time offering a real life international thriller to rival The Thomas Crown Affair Rising from humble roots as the son of an antique dealer Wittman built a twenty year career that was nothing short of extraordinary He went undercover usually unarmed to catch art thieves scammers and black market traders in Paris and Philadelphia Rio and Santa Fe Miami and Madrid In this page turning memoir Wittman fascinates with the stories behind his recoveries of priceless art and antiquities The golden armor of an ancient Peruvian warrior king The Rodin sculpture that inspired the Impressionist movement The headdress Geronimo wore at his final Pow Wow The rare Civil War battle flag carried into battle by one of the nation's first African

American regiments The breadth of Wittman s exploits is unmatched He traveled the world to rescue paintings by Rockwell and Rembrandt Pissarro Monet and Picasso often working undercover overseas at the whim of foreign governments Closer to home he recovered an original copy of the Bill of Rights and cracked the scam that rocked the PBS series Antiques Roadshow By the FBI s accounting Wittman saved hundreds of millions of dollars worth of art and antiquities He says the statistic isn t important After all who s to say what is worth more a Rembrandt self portrait or an American flag carried into battle They re both priceless The art thieves and scammers Wittman caught run the gamut from rich to poor smart to foolish organized criminals to desperate loners The smuggler who brought him a looted 6th century treasure turned out to be a high ranking diplomat The appraiser who stole countless heirlooms from war heroes descendants was a slick aristocratic con man The museum janitor who made off with locks of George Washington s hair just wanted to make a few extra bucks figuring no one would miss what he d filched In his final case Wittman called on every bit of knowledge and experience in his arsenal to take on his greatest challenge working undercover to track the vicious criminals behind what might be the most audacious art theft of all Quarterly Bulletin Brooklyn Public Library,1924
