deluge of hot takes and think pieces Almond looks to literary voices from Melville to Orwell from Bradbury to Baldwin to help explain the roots of our moral erosion as a people The book argues that Trumpism is a bad outcome arising directly from the bad stories we tell ourselves To understand how we got here we have to confront our cultural delusions our obsession with entertainment sports and political parody the degeneration of our free press into a for profit industry our enduring pathologies of race class immigration and tribalism Bad Stories is a lamentation aimed at providing clarity It s the book you can pass along to an anguished fellow traveler with the promise This will help you understand what the hell happened to our country Almond holds up literature as a guide through America s age old moral dilemmas and finds hope for his country in family forgiveness and political resistance Booklist
