The Liberator Eleutherios:

The Liberator (Eleutherios) Adi Da Samraj, 1982 **Inconsistencies in Greek and Roman Religion. 1, Ter Unus**
H. S. Versnel, 1990 This is the first of a two volume collection of studies in inconsistencies in Greek and Roman religion Their common aim is to argue for the historical relevance of various types of ambiguity and dissonance The first volume focuses on the central paradoxes in ancient henotheism The term henotheism a modern formation after the stereotyped acclamation EIS O QEOS one is the god common to early Christianity and contemporaneous paganism denotes the specific devotion to one particular god without denying the existence of or even cultic attention to other gods After its prime in the twenties and thirties of this century the term fell into disuse Nonetheless the notion of henotheism represents one of the most remarkable and significant shifts in Graeco Roman religion and hence deserves fresh reconsideration *A Companion to Greco-Roman and Late Antique Egypt* Katelijn Vandorpe, 2019-03-19 An authoritative and multidisciplinary Companion to Egypt during the Greco Roman and Late Antique period With contributions from noted authorities in the field A Companion to Greco Roman and Late Antique Egypt offers a comprehensive resource that covers almost 1000 years of Egyptian history starting with the liberation of Egypt from Persian rule by Alexander the Great in 332 BC and ending in AD 642 when Arab rule started in the Nile country The Companion takes a largely sociological perspective and includes a section on life portraits at the end of each part The theme of identity in a multicultural environment and a chapter on the quality of life of Egypt's inhabitants clearly illustrate this objective The authors put the emphasis on the changes that occurred in the Greco Roman and Late Antique periods as illustrated by such topics as Traditional religious life challenged Governing a country with a past between tradition and innovation and Creative minds in theory and praxis This important resource Discusses how Egypt became part of a globalizing world in Hellenistic Roman and Byzantine times Explores notable innovations by the Ptolemies and Romans Puts the focus on the longue dure development Offers a thematic and multidisciplinary approach to the subject bringing together scholars of different disciplines Contains life portraits in which various aspects and themes of people's daily life in Egypt are discussed Written for academics and students of the Greco Roman and Late Antique Egypt period this Companion offers a guide that is useful for students in the areas of Hellenistic Roman Byzantine and New Testament studies **Holy Madness** Georg Feuerstein, 2013-10-09 This book traces the shadowy tradition of holy madness crazy wisdom from the Holy Fools of early Christianity through the great adepts of India and Tibet up to the controversial gurus of today In our day when even the Dalai Lama has warned Western seekers to choose their teachers carefully Feuerstein provides an intelligent and cautionary guidebook to the guru disciple relationship plus a comprehensive analysis of the principles of authentic spirituality *The True Alpha and Omega* Minister Jerrod Smith, Brother Clifton Lucas, 2011-06-20 This book exposes the true nature and culture of fraternities and sororities In these secret societies there are activities and requirements that cause prospective members and members alike to unknowingly enter into ungodly pacts and covenants These ungodly practices

lead to activities which include physical abuse fornication adultery hatred envy strife manipulation social and intellectual elitism abominable sexual activities and witchcraft These organizations attract people that are looking for something that only Christ Jesus can provide However the organizations appears as a light by their community service and networking abilities This light however is a false light Once one gets into the inner workings of the organizations the sin and soul inflicting antics are found deeply rooted in darkness The authors being former members that participated in ungodly activities within these organizations expose the physical mental sexual and spiritual death dealing activities found in fraternities and sororities This is by no means a kiss and tell composition but it is a trying to save people from hell exposition Actual accounts of sexual requirements abuse ancient ungodly spiritual practices witchcraft and required chants which denounce the existence the One True God are given in detail in this book Ungodly spirits of old have found new vessels to operate in through these fraternities and sororities The good thing about this book is that it not only exposes spiritual wickedness and old ungodly practices but it shows people who want to be free how to find God the Ancient of Days Let the Truth be told We encourage you to read this book if you are joining a fraternity or sorority are a member of one are a pastor or have a loved one in one of these organizations We desire for all to be free and blessed by this book

The Greek World 479-323 BC Simon Hornblower, 2011-03-17 This is an indispensable guide to classical Greek history since its first publication Now Simon Hornblower has comprehensively rewritten and revised his original text bringing it up to date for another new generation of readers

The Divine Heartset Crispin Fletcher-Louis, 2023-11-21 The fruit of a decade's research this volume offers a new interpretation of the dense Christological narrative in Philippians 2:6-11 taking inspiration from recent advances in our understanding of the letter's Greek and Roman setting and from insights made possible by recently created linguistic databases such as TLG and PHI The passage's praise of Christ engages the language of Hellenistic ruler cults Platonic metaphysics and moral philosophy popular Homeric beliefs about the gods and Greek love eros to articulate a scripturally grounded theology in which God is revealed to be one in two persons God the Father and LORD Jesus Christ The volume also explores hitherto unseen ways in which the central Christ Hymn is tightly connected to the rest of Paul's argument The hymn presents Christ as an epitome of the ideals of Greek and Roman virtue to support Paul's summoning his readers to a life of praiseworthy and exemplary civic conduct in 1:27 New or recently proposed translations are advanced for numerous words and phrases in e.g. 1:8 11:27 2:3 4:6 11:3 2:4 and a new non Stendahl approach to Paul's boasting in 3:4 6 that is Christological rather than biographical is put forward

States of Memory David C. Yates, 2019-05-29 The Persian War was one of the most significant events in ancient history It halted Persia's westward expansion inspired the Golden Age of Greece

and propelled Athens to the heights of power From the end of the war almost to the end of antiquity the Greeks and later the Romans recalled the battles and heroes of this war with unabated zeal The resulting monuments and narratives have long been used to reconstruct the history of the war itself but they have only recently begun to be used to explore how the conflict was remembered over time States of Memory focuses on the initial recollection of the war in the classical period down to the Lamian War 480 322 BCE Drawing together recent work on memory theory and a wide range of ancient evidence Yates argues that the Greek memory of the war was deeply divided from the outset Despite the panhellenic scope of the conflict the Greeks very rarely recalled the war as Greeks Instead they presented themselves as members of their respective city states What emerged was a tangled web of idiosyncratic stories about the Persian War that competed with each other fiercely throughout the classical period It was not until Philip of Macedonia and Alexander the Great dealt a devastating blow to the very notion of the independent city state at the battle of Chaeronea that anything like a unified memory of the Persian War came to dominate the tradition The City of Dionysos Valdis Leinieks, 2014-10-09 No detailed description available for The City of Dionysos
