Shakspeare and His Times Including the Biography of the Poet, Criticism of His Genius and Writings ... Nath Drake, 1843 *A Sourcebook for Genealogical Research* Foster Stockwell, 2004-05-27

Genealogists can sometimes require obscure resources when in search of information about ancestors Tracking down records to complete a family tree can become laborious when the researcher doesn't know where to begin looking Many of the best resources are maintained regionally or even locally and aren't widely known This reference work serves as a guide to both beginning and experienced genealogy researchers The sourcebook is easily accessible and usable featuring approximately 270 entries on all aspects of genealogical research and family history compilation The entries are listed alphabetically and cross referenced so any researcher can quickly find the information he or she is seeking Each state and each of the provinces of Canada has its own entry other countries are listed under appropriate headings The author also provides more than 700

addresses from all over the world so that the genealogist or general researcher may contact any one of these organizations to obtain specific information about particular births deaths marriages or other life events in order to complete a family tree

Shakspeare and His Times, Including the Biography of the Poet Nathan Drake, 2025-08-12 Reprint of the original first published in 1843 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage

Interpreting Objects and Collections Susan Pearce, 2012-10-12 This volume brings together for the first time the most significant papers on the interpretation of objects and collections and examines how people relate to material culture and why they collect things The first section of the book discusses the interpretation of objects setting the philosophical and historical context of object interpretation Papers are included which discuss objects variously as historical documents functioning material and as semiotic texts as well as those which examine the politics of objects and the methodology of object study The second section on the interpretation of collections looks at the study of collections in their historical and conceptual context Many topics are covered such as the study of collecting to structure individual identity its affect on time and space and the construction of gender There are also papers discussing collection and ideology collection and social action and the methodology of collection study This unique anthology of articles and extracts will be of inestimable value to all students and professionals involved in the interpretation of objects and collections **Sinners, Lovers, and Heroes**

Richard Morris, Richard Joseph Morris, 1997-10-30 This intriguing investigation of an historically embedded cultural struggle over the possession of America's collective memory has significant implications for how we interpret cultural conflict in past present and future America Told by the Death's Head Mór Jókai, The hero of our romantic narrative or better narratives

was a constable Not one of that useful class appointed in our day to direct the vehicles which pass over the two approaches to the suspension bridge in Budapest rather he was the chief of a body whose task it is to provoke disturbance who win all the more praise and glory the greater the havoc and destruction they create In a word he was a gunner The chronicle of his exploits gives only his Christian name which was Hugo In the year 1688 when the French beleaguered Coblenz Hugo had charge of the battery in the outermost tower of Ehrenbreitstein fortress the Montalembert Tower Coblenz and Ehrenbreitstein are opposite one another on the banks of the Rhine as are Pesth and Ofen and the Blocksberg looks down on us as does the citadel of Ehrenbreitstein on Coblenz The city which is strongly fortified on all sides had become accustomed to being beleaguered now by the French now by the Prussians today by the Austrians tomorrow by the Swedes On the occasion of which I write Coblenz was under a terrible fire from the French guns which created great havoc in that portion of the city known as the Old Town
