An Innocent Man the Life and Times of an American Baby Boomer Gene Baumgaertner,2011-02-02 Come travel back to a different but vaguely familiar world Journey to a time when inflation barely existed gasoline was cheap cars had big gas guzzling engines and people almost never locked their front doors Written in the first person An Innocent Man follows the life and time of Edgar Rice Baker from his childhood as he encounters all of the trappings joys and nuances of the Baby Boomer years It was an age of innocence when kids walked to school when beer and liquor were the worst things your kids could get in to and when getting a drivers license and a set of wheels where the heater worked and the engine ran were the most important first steps in transitioning to adulthood If you are over fifty do you remember the good old days Those were happy days of wine and roses when life was simpler and we all were more innocent An Innocent Man transports us back to the fifties and sixties for a nostalgic walk down the primrose lane
