The Life Of Muhammad Pbih:

Fiqh Us Seerah Muhammad Al Ghazali, 2022-12-30 Many books have been written about the life of the Prophet Muhammad SAW However In writing this book the author Sheikh Muhammad al Ghazali had a specific objective He used the life of the Prophet SAW to go into depths that many historians had only touched upon from the various aspects of his saw life This book goes into detail and provides reasons and explanations for whatever took place It is a blend of modern analysis and ancient detail Its objective is to nurture faith purify characters and fan the struggle to embrace the truth and be faithful to it Indeed the life of the Prophet SAW has been documented as a message for practical implementation not intellectual entertainment You may think that you have studied the life of Muhammad by following his history from birth to death but this is a grave mistake You will never really understand the Seerah unless you study the noble Qur an and the purified Sunnah The amount that you derive from these will tell the strength of your connection with the prophet of Islam sallallahu alaihi wa sallam Drawing upon his profound classical Islamic learning and an extensive knowledge of modern science Sheikh al Ghazali has broken new ground in the study of Seerah bringing to bear a fresh but wholly authentic approach This is a work which all serious students should have to complement the Seerah of the Prophet Muhammad SAW
