INTERNATIONAL TRAFFIC LIGHT DAY

The Light Of Day

RS Peters

The Light Of Day:

The Light of Day Eric Ambler, 2011-10-19 *The Light of Day* was the basis for Jules Dassin's classic film *Topkapi*. When Arthur Abdel Simpson first spots Harper in the Athens airport, he recognizes him as a tourist unfamiliar with city and in need of a private driver. In other words, the perfect mark for Simpson's brand of entrepreneurship. But Harper proves to be more the spider than the fly when he catches Simpson riffling his wallet for traveler's checks. Soon Simpson finds himself blackmailed into driving a suspicious car across the Turkish border. Then when he is caught again this time by the police, he faces a choice: cooperate with the Turks and spy on his erstwhile colleagues or end up in one of Turkey's notorious prisons. The authorities suspect an attempted coup, but Harper and his gang of international jewel thieves have planned something both less sinister and much much more audacious.

The Light of Day Graham Swift, 2012-02-21 *The Light of Day* combines a powerful love story and a narrative of intense suspense into a brilliant and tender novel about what drives people to extremes of emotion. As in his Booker-winning novel *Last Orders*, Swift transforms ordinary lives through extraordinary storytelling. This new novel from Graham Swift is his first since the Booker Prize-winning *Last Orders*; it is the work of a master storyteller. *The Light of Day* is a luminous and gripping tale of love, murder, and redemption. George Webb is a divorced ex-policeman turned private investigator, a man whose prospects seemed in ruins not so long ago. Following the course of a single dazzling day in George's life, the novel illuminates not only his past but his now all-consuming relationship with a former client. Intimate and intricate in its evocation of daily existence, *The Light of Day* achieves a singular intensity and almost unbearable suspense. Tender and humorous in its depiction of life's surface, Swift explores the depths and extremities of what lies within us and how, for better or worse, it's never too late to discover what they are. Excerpt from *The Light of Day*: Two years ago and a little more October still, but a day like today, blue and clear and crisp. Rita opened my door and said, 'Mrs Nash, I was already on my feet buttoning my jacket. Most of them have no comparisons to go on; it's their first time. It must feel like coming to a doctor. They expected something shabbier, seedier, more shaming. The tidy atmosphere, Rita's doing surprises and reassures them. And the vase of flowers, white chrysanthemums. I recall Mrs Nash please have a seat. I could be some high street solicitor. A fountain pen in my fingers. Doctor, solicitor, marriage guidance counsellor. You have to be a bit of all three. The usual look of plucked-up courage, swallowed back hesitation of being somewhere they'd rather not be. My husband is seeing another woman.'
