*Sir Hans Singer* D. Shaw, 2002-06-25 This is the first biography of a world famous pioneering development economist Sir Hans W Singer who is better known throughout the developing world than any other economist living or dead It gives a detailed account of the way in which the twists of fate led him to becoming a leading development economist It contains a thematic synthesis of all his major theoretical and conceptual work and of the many initiatives in which he has been involved to solve the problems of developing countries Sir Hans Singer The Life And Work Of A Development Economist D. John Shaw, 2004-09-01

Development Economics and Policy David Sapsford, John-ren Chen, 1998-08-10 Hans Singer is undoubtedly one of if not the world's major scholars in the field of Development Economics Over the last six decades he has made numerous contributions to the subject both as scholar and practitioner This book contains 27 essays that were prepared for a conference that was held in Innsbruck Austria in May 1996 to celebrate his 85th birthday and represents a major and important overview of issues in development economics from the most eminent scholars in the field The Pioneers of Development Economics Jomo Kwame Sundaram, 2005-09 A survey of the main influences on the development of modern development economics Development Economics and Policy David Sapsford, John-ren Chen, 1998-08-10 Hans Singer is undoubtedly one of if not the world's major scholars in the field of Development Economics Over the last six decades he has made numerous contributions to the subject both as scholar and practitioner This book contains 27 essays that were prepared for a conference that was held in Innsbruck Austria in May 1996 to celebrate his 85th birthday and represents a major and important overview of issues in development economics from the most eminent scholars in the field

**Growth, Development, and Trade** Hans Wolfgang Singer, 1998 This volume contains 21 selected essays by Professor Sir Hans Singer written over the last two decades The volume addresses development economics in historical perspective and considers where it stands today the early pioneers of development thinking including Smith and Keynes growth industrialization and trade current questions of the terms of trade debate and import substitution North South and South South linkages foreign aid The author gives grateful thanks to Matthew Morris and Hans Ulrich Esslinger for their contributions to this book The Life and Times of Raúl Prebisch, 1901-1986 Edgar J. Dosman, 2008-10-24 Raúl Prebisch was a leader in economic development theory and international economic policy an institution builder and an international diplomat The Life and Times of Raúl Prebisch provides the first book length account of his life and work a story cast against the backdrop of Latin America the Cold War the rise of the United Nations and the struggle for equity between first and third worlds A wunderkind Prebisch occupied key positions at the Argentine ministry of finance in his twenties and was the general manager of the Argentine Central Bank before forty Exiled by Juan Perón after World War II he became arguably the most influential Latin American official at the UN heading such international organizations as the Economic Commission for Latin America and the United Nations Conference on Trade and Development *International Development Co-operation* H.

Singer,2001-06-26 As one of the most pioneering development economists Hans Singer has stimulated many of the ideas that have engaged the attention of the world community for several decades Not only has he helped to form an understanding of the problems of developing countries but he has also shown what might be done to solve them This collection brings together for the first time key essays on the issues underlying food aid and the development of the UN These are grouped into five areas postwar development experience reform of the United Nations debt and debt servicing structural adjustment and stabilization and food aid **UN Voices** Thomas G. Weiss,2005-06-17 Interviewed by the authors Kofi Annan Boutros Boutros

Ghali and 71 other UN professionals speak about international cooperation and the ideas that have shaped the accomplishments of the UN **Routledge Encyclopedia of International Political Economy** R. J. Barry

Jones,2002-09-11 This three volume Encyclopedia offers the first comprehensive and authoritative survey of the rapidly developing field of international political economy Its entries cover the major theoretical issues and analytical approaches within the field The set also provides detailed discussion of the contributions of key individuals and surveys a wide range of empirical conditions and developments within the global political economy including its major institutions The Encyclopedia has been designed to be eclectic in approach and wide ranging in coverage Theoretical entries range from discussions of the definition and scope of the field through core methodological questions such as rationalism and the structure agent problem to surveys of the major theories and approaches employed in the study of the international political economy *Holocaust*

*Escapees and Global Development* David Simon,2019-01-15 The thousands uprooted and displaced by the Holocaust had a profound cultural impact on the countries in which they sought refuge with numerous Holocaust escapees attaining prominence as scientists writers filmmakers and artists But what is less well known is the way in which this refugee diaspora shaped the scholarly culture of their new found homes and international policy In this unique work David Simon explores the pioneering role played by mostly Jewish refugee scholars in the creation of development studies and practice following the Second World War and what we can learn about the discipline by examining the social and intellectual history of its early practitioners Through in depth interviews with key figures and their relatives Simon considers how the escapees experiences impacted their scholarship showing how they played a key role in shaping their belief that development really did hold the potential to make a better world free from the horrors of war genocide and discrimination they had experienced under Nazi rule In the process he casts valuable new light on the origins and evolution of development studies policy and practice from this formative postwar period to the present **The Gypsy Economist** Alex Millmow,2021-03-11 This book offers the first

intellectual biography of the Anglo Australian economist Colin Clark Despite taking the economics world by storm with a mercurial ability for statistical analysis Clark s work has been largely overlooked in the 30 years since his death His career was punctuated by a number of firsts He was the first economist to derive the concept of GNP the first to broach development economics and to foresee the re emergence of India and China within the global economy In 1945 he predicted

the rise and persistence of inflation when taxation levels exceeded 25 per cent of GNP And he was also the first economist to debunk post war predictions of mass hunger by arguing that rapid population growth engendered economic development Clark wandered through the fields of applied economics in much the same way as he rambled through the English countryside and the Australian bush His imaginative wanderings qualify him as the eminent gypsy economist for the 20th century

The World's Largest Humanitarian Agency D. Shaw,2011-07-19 This book focuses on the transformation of the WFP into the world s largest humanitarian agency providing an in depth account of responses to increasingly large and complex natural and man made disasters It examines food aid and looks to the new modalities that are required to make food more available to those in dire need

**Global Development** Sara Lorenzini,2022-07-26 In the Cold War development was a catchphrase that came to signify progress modernity and economic growth Development aid was closely aligned with the security concerns of the great powers for whom infrastructure and development projects were ideological tools for conquering hearts and minds around the globe from Europe and Africa to Asia and Latin America In this sweeping and incisive book Sara Lorenzini provides a global history of development drawing on a wealth of archival evidence to offer a panoramic and multifaceted portrait of a Cold War phenomenon that transformed the modern world Taking readers from the aftermath of the Second World War to the tearing down of the Berlin Wall Lorenzini shows how development projects altered local realities transnational interactions and even ideas about development itself She shines new light on the international organizations behind these projects examining their strategies and priorities and assessing the actual results on the ground and she also gives voice to the recipients of development aid Lorenzini shows how the Cold War shaped the global ambitions of development on both sides of the Iron Curtain and how international organizations promoted an unrealistically harmonious vision of development that did not reflect local and international differences An unparalleled journey into the political intellectual and economic history of the twentieth century this book presents a global perspective on Cold War development demonstrating how its impacts are still being felt today

**Routledge Encyclopedia of International Political Economy: Entries P-Z** R. J. Barry Jones,2001 This important new work is the first comprehensive reference to the rapidly developing field of international political economy IPE Featuring over 1200 A Z entries the coverage encompasses the full range of issues concepts and institutions associated with IPE in its various forms Comprehensively cross referenced and indexed each entry provides suggestions for further reading along with guides to more specialized sources Selected entries include African Development Bank benign neglect Black Monday casino capitalism debt management efficiency floating exchange rates General Agreement on Tariffs and Trade GATT information society economy Organization of Petroleum Exporting Countries OPEC Microsoft multinational corporations definitions NATO patents rent seeking Schellin Thomas tax havens trusts Value Added Tax VAT zero sum games and many more

The Feminist Economics of Trade Irene van Staveren,Diane Elson,Caren Grown,Nilufer Cagatay,2012-08-06 Unravelling the complex relationship between gender inequality and trade this is the first

book to combine the tools of economic and gender analysis to examine the relationship between international trade and gender relations It brings together fourteen contributions from a variety of economic perspectives including structuralist institutionalist neoclassical and Post Keynesian by a range of authors including Lourdes Bener a William Darity Marzia Fontana and Mariama Williams to demonstrate what feminist economics has contributed to the analysis of international trade through theoretical modelling econometric analysis and policy oriented contributions It includes evidence from industrialized semi industrialized and agrarian economies using country case studies and cross country analysis Arguing that trade expansion and reduction of gender inequality can be combined but only if an appropriate mix and sequence of trade and other economic policies is implemented this book is key reading for all students of international economics gender and cultural studies and politics and international relations amongst other disciplines      **World Food Security D.**

Shaw,2007-09-28 This book is the first comprehensive account of the numerous attempts made since the Second World War to provide food security for all It provides a reference source for all those involved and interested in food security issues

*The Palgrave Dictionary of Anglo-Jewish History* W. Rubinstein,2011-01-27 This authoritative and comprehensive guide to key people and events in Anglo Jewish history stretches from Cromwell s re admittance of the Jews in 1656 to the present day and contains nearly 3000 entries the vast majority of which are not featured in any other sources      **UN Ideas That**

**Changed the World** Richard Jolly,Louis Emmerij,Thomas G. Weiss,2009-09-01 Ideas and concepts have been a driving force in human progress and they may be the most important legacy of the United Nations UN ideas have set past present and future international agendas in many global economic and social arenas and have also led to initiatives and actions that have improved the quality of human life This capstone volume draws upon findings of the other 14 books in the acclaimed United Nations Intellectual History Project Series The authors not only assess the development and implementation of UN ideas regarding sustainable economic development and human security but also apply lessons learned to suggest ways in which the United Nations can play a fuller role in confronting the challenges of human survival with dignity in the 21st century

**Economic Careers** Keith Tribe,2002-09-11 In this volume fourteen senior economists describe their early introduction to the study of economics and their contribution to the development of academic economics in Britain With experience covering a period stretching from the mid 1920s to the late 1960s many of the contributors not only provide an insight into the role of university disciplines in the education system but describe their experience in wartime administration or as government advisors The interview format of the work makes for accessibility and readability in a sometimes arcane area of work

### **Sir Hans Singer Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Sir Hans Singer has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sir Hans Singer has opened up a world of possibilities. Downloading Sir Hans Singer provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sir Hans Singer has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sir Hans Singer. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sir Hans Singer. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Sir Hans Singer, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Sir Hans Singer has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it

is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
