

Sir Mansfield Cumming

Robert G. Folsom

Sir Mansfield Cumming:

The Quest for C Alan Judd, 1999 A fascinating and unique history of the launch of Britain's Secret Intelligence Service through the unusual life of its founder Mansfield Cumming Sir Mansfield Cumming the founder of the British Secret Service and the original C has until now been a shadowy figure For this authorised biography the Secret Intelligence Service has released to Alan Judd Cumming's voluminous diaries which have never been seen outside the Service and will be put back into storage in perpetuity when Judd has used them The result is likely to be the most sensational biography of the season and the definitive account of how MI5 and MI6 the models for all subsequent secret services all over the world were set up Cumming signed himself C was referred to as such in Whitehall and always used green ink traditions maintained to this day His life not only makes riveting reading but casts fascinating light on the development of the Secret Service and its influence on the twentieth century *Official Index to the Times*, 1924 Indexes the Times Sunday times and magazine Times literary supplement Times educational supplement Times educational supplement Scotland and the Times higher education supplement **The Secret War Between the Wars** Kevin Quinlan, 2014 The methods developed by British intelligence in the early twentieth century continue to resonate today Much like now the intelligence activity of the British in the pre Second World War era focused on immediate threats posed by subversive clandestine networks against a backdrop of shifting great power politics Even though the First World War had ended the battle against Britain's enemies continued unabated during the period of the 1920s and 1930s Buffeted by political interference and often fighting for their very survival Britain's intelligence services turned to fight a new clandestine war against rising powers Soviet Russia and Nazi Germany Using recently declassified files of the British Security Service MI5 *The Secret War Between the Wars* details the operations and tradecraft of British intelligence to thwart Communist revolutionaries Soviet agents and Nazi sympathizers during the interwar period This new study charts the development of British intelligence methods and policies in the early twentieth century and illuminates the fraught path of intelligence leading to the Second World War An analysis of Britain's most riveting interwar espionage cases tells the story of Britain's transition between peace and war The methods developed by British intelligence in the early twentieth century continue to resonate today Much like now the intelligence activity of the British in the pre Second World War era focused on immediate threats posed by subversive clandestine networks against a backdrop of shifting great power politics As Western countries continue to face the challenge of terrorism and in an era of geopolitical change heralded by the rise of China and the resurgence of Russia a return to the past may provide context for a better understanding of the future Kevin Quinlan received his PhD in History from the University of Cambridge He works in Washington DC *Secrecy and the Media* Nicholas John Wilkinson, 2009-05-28 *Secrecy and the Media* is the first book to examine the development of the D Notice system which regulates the UK media's publication of British national security secrets It is based on official documents many of which have not previously been available to a general audience as well as on

media sources From Victorian times British governments have consistently seen the need in the public interest to prevent the media publishing secret information which would endanger national security The UK media have meanwhile continuously resisted official attempts to impose any form of censorship arguing that a free press is in the public interest Both sides have normally seen the pitfalls of attempting to resolve this sometimes acrimonious conflict of interests by litigation and have together evolved a system of editorial self regulation assisted by day to day independent expert advice known colloquially as the D Notice System The book traces the development of this system from nineteenth century colonial campaigns through two world wars to modern operations and counter terrorism in the post Cold War era up to the beginning of the Labour government in 1997 Examples are drawn from media political and official sources some not yet open and cover not only defence issues including Special Forces but also the activities of the secret intelligence services MI5 MI6 and GCHQ These cases relate principally to the UK but also to American and other allies interests The story of how this sometimes controversial institution now operates in the modern world will be essential reading for those in the media and government departments and for academics and students in the fields of security defence and intelligence as well as being an accessible expos for the general reader Nicholas Wilkinson served in the Royal Navy 1959 98 and from 1999 to 2004 he ran the independent Defence Press and Broadcasting Advisory Committee He was a Press Complaints Commissioner from 2005 to 2008 and is a Cabinet Office Historian

The Life and Mysterious Death of Ian MacKintosh Robert G.

Folsom,2012-06-01 Presents a behind the scenes look at the classic spy television program The Sandbaggers and investigates the disappearance of the show s creator Ian Mackintosh whose airplane vanished over the Gulf of Alaska in 1979

[The Spy Who Came in from the Circus](#) Christopher Andrew,2024-04-18 For almost half a century Bertram Mills Circus was a household name throughout Britain among both children and adults and it s Director Cyril Bertram Mills was one of the best known and most influential names in the country s entertainment business But for forty years Cyril Mills had also enjoyed a top secret and wide ranging career in British intelligence obtaining the best aerial intelligence on Nazi rearmament for MI6 before the Second World War becoming the first case officer to monitor the best double agent Garbo of the war after joining MI5 and working part time during the Cold War for MI5 or 6 or both without being paid a penny Remarkably no word of Mills s secret career appeared in public until he was over eighty Nobody suspected that the glamorous world of pre war circus entertainment had been an extraordinarily fitting rehearsal for the lethal arena of deception and surveillance In this remarkable true story Christopher Andrew best selling official biographer of MI5 brings to life one of the most surprising and fascinating tales of espionage ever told

The Disruption of International Organised Crime Angela Veng Mei Leong,2016-03-16 Analyzing the structures of transnational organized crime this book considers whether traditional mechanisms and national jurisdictions can tackle this increasing menace Highlighting the strengths and weaknesses in the present methods of control the book discusses the possibilities of developing more effective national and international

strategies the creation of non legal mechanisms outside the traditional criminal justice system and the implications of disruption strategies The roles of law enforcement officers tax investigators financial intelligence officers compliance officers lawyers and accountants in enforcing both civil and criminal sanctions on organized crime are also considered

MI6: British Secret Intelligence Service Operations, 1909-1945 Nigel West, 2020-01-19 The author of GCHQ describes covert missions that are worthy of spy fiction but the entire book is utterly fascinating and informative Brilliant Books Monthly Written by the renowned expert Nigel West this book exposes the operations of Britain's overseas intelligence gathering organization the famed Secret Intelligence Service MI6 and traces its origins back to its inception in 1909 In this meticulously researched account its activities and structure are described in detail using original secret service documents The main body of the book concerns MI6's operations during the Second World War and includes some remarkable successes and failures including how MI6 financed a glamorous confidant of the German secret service how a suspected French traitor was murdered by mistake how Franco's military advisors were bribed to keep Spain out of the war how members of the Swedish secret police were blackmailed into helping the British war effort how a sabotage operation in neutral Tangiers enabled the Allied landings in North Africa to proceed undetected and how Britain's generals ignored the first ULTRA decrypts because MI6 said that the information had come from a well placed source called BONIFACE In this new edition operations undertaken by almost all of MI6's overseas stations are recounted in extraordinary detail They will fascinate both the professional intelligence officer and the general reader The book includes organizational charts to illustrate MI6's internal structure and its wartime network of overseas stations Backed by numerous interviews with intelligence officers and their agents this engaging inside story throws light on many wartime incidents that had previously remained unexplained An extraordinary book The Daily Telegraph Fascinating reading Firetrench

A Brief Guide to James Bond Nigel Cawthorne, 2012-09-20 The world's fascination with Bond is unstoppable James Bond is the greatest British fictional hero of the post war era He also has a huge following in the US and around the world as a legendary Cold War warrior and now as a daredevil able to take on the villains of the post Cold War world The Bond books are all in print Today Sebastian Faulks is writing new stories while Charlie Higson is writing children's versions In this comprehensive guide to Ian Fleming the books the films and the world that was created out of 007 Nigel Cawthorne uncovers Bond's allure It comes with special sections on the main characters Q M the Bond Girls and the women who first inspired them the cars and the incomparable baddies It will be the ideal gift for fans and aficionados alike and will be published to coincide with the 50th anniversary of DOCTOR NO the new film is scheduled for autumn 2012

The Psychology of Spies and Spying Adrian Furnham, John Taylor, 2022-06-28 The Psychology of Spies and Spying tells the story of the people involved in spying the human sources agents who betray their country or organisation and the professional intelligence officers who manage the collection and reporting process

Rosie Ted York, 2010-12-01 Born in 1878 to an East End London docker's family Rosie finds herself a mysterious benefactor who pays for both her and her sister to be privately educated While undoubtedly talented in the school room Rosie longs to take to the stage at the Britannia Theatre in Shoreditch London As a beautiful intelligent and talented actress she is popular with the Britannia theatre crowd and thanks again to her benefactor is offered a part at the Shakespeare's Globe Theatre In 1900 Rosie accompanies the cast of Much Ado About Nothing to Paris The excitement of the world fair the Exposition Universelle and the summer Olympics are surpassed when Rosie meets Frederick the son of a rich Swiss Merchant Banker A whirlwind courtship leads to a grand wedding in Westminster Abbey As her life changes from actress to society lady she mixes with Lords and Ladies Princes and Kings Flirting with the early feminist movement Rosie's life unfolds with relentless excitement as she works for the early forerunner of the British Secret Service Rosie is a woman of the twentieth century A charming and likeable heroine she will appeal to readers looking for a heartwarming rags to riches saga

M Andrew Cook, 2011-08-26 William Melville was one of the most influential counter espionage figures of the twentieth century This work presents the true story of the real M William Melville MI5's founding father and the inspiration for Ian Fleming's character in James Bond

British Naval Intelligence through the Twentieth Century Andrew Boyd, 2020-08-30 An acclaimed military historian examines the vital role of British naval intelligence from the mid nineteenth century to the end of the Cold War In this comprehensive account Andrew Boyd brings a critical new dimension to our understanding of British naval intelligence From the capture of Napoleons signal codes to the satellite based systems of the Cold War era he provides a coherent and reliable overview while setting his subject in the larger context of the British state It is a fascinating study of how naval needs and personalities shaped the British intelligence community that exists today Boyd explains why and how intelligence was collected and assesses its real impact on policy and operations Though he confirms that naval intelligence was critical to Britain's victory in both World Wars he significantly reappraises its role in each He reveals that coverage of Germany before 1914 and of the

three Axis powers in the interwar period was more comprehensive and effective than previously suggested and while British power declined rapidly after 1945 the book shows how intelligence helped the Royal Navy to remain a significant global force for the rest of the twentieth century

The First Casualty Ben Elton, 2012-11-08 A work of formidable imaginative scope Daily Telegraph The first casualty when war comes is truth Flanders June 1917 a British officer and celebrated poet is shot dead He is killed not by German fire but while recuperating from shell shock well behind the lines A young English soldier is arrested and although he protests his innocence charged with his murder Douglas Kingsley is a conscientious objector previously a detective with the London police now imprisoned for his beliefs He is released and sent to France in order to secure a conviction Forced to conduct his investigations amidst the hell of The Third Battle of Ypres Kingsley soon discovers that both the evidence and the witnesses he needs are quite literally disappearing into the mud that surrounds him Ben Elton's tenth novel is a gut wrenching historical drama which explores some fundamental questions What is murder What is justice in the face of unimaginable daily slaughter And where is the honour in saving a man from the gallows if he is only to be returned to die in a suicidal battle

The Red Ribbon H.B. Lyle, 2018-08-23 The thrilling follow up to The Irregular A Different Class of Spy featuring Wiggins an ex soldier who was trained as a child by Sherlock Holmes Praise for The Irregular H B Lyle has found the golden thread between Bond and Holmes Giles Foden author of The Last King of Scotland Impressive period detail and sharp dialogue add charm to the strong plot Daily Mail A thrilling story of espionage murder and the creation of the Secret Service Charles Cumming author of A Colder War Now an agent of the newly formed Secret Service Wiggins is still determined to track down Peter the Painter the murderer of his friend Bill Meanwhile Captain Kell is under pressure to identify who is leaking vital information from the government and his wife Constance is getting dangerously close to the more militant faction of suffragettes When Wiggins traces one of the old Baker Street Irregulars gang to a mysterious club in Belgravia the action follows thick and fast in another brilliantly compelling novel of betrayal and suspense

A History of the English-Speaking Peoples since 1900 Andrew Roberts, 2010-12-16 Prize winning British historian tells the story of the English speaking peoples in the 20th century Winston Churchill's History of the English Speaking Peoples ended in 1900 Andrew Roberts Wolfson History prizewinner has been inspired by Churchill's example to write the story of the 20th century Churchill wrote Every nation or group of nations has its own tale to tell Knowledge of the trials and struggles is necessary to all who would comprehend the problems perils challenges and opportunities which confront us today It is in the hope that contemplation of the trials and tribulations of our forefathers may not only fortify the English speaking peoples of today but also play some small part in uniting the whole world that I present this account As the greatest of all the trials and tribulations of the English speaking peoples took place in the twentieth century Roberts book covers the four world historical struggles in which the English speaking peoples have been engaged the wars against German Nationalism Axis Fascism Soviet Communism and now the War against Terror But just as Churchill did in his four volumes Roberts also deals with the

cultural social and political history of the English global diaspora **A Century of Spies** Jeffery T. Richelson, 1997-07-17

Here is the ultimate inside history of twentieth century intelligence gathering and covert activity Unrivalled in its scope and as readable as any spy novel A Century of Spies travels from tsarist Russia and the earliest days of the British Secret Service to the crises and uncertainties of today's post Cold War world offering an unsurpassed overview of the role of modern intelligence in every part of the globe From spies and secret agents to the latest high tech wizardry in signals and imagery surveillance it provides fascinating in depth coverage of important operations of United States British Russian Israeli Chinese German and French intelligence services and much more All the key elements of modern intelligence activity are here An expert whose books have received high marks from the intelligence and military communities Jeffrey Richelson covers the crucial role of spy technology from the days of Marconi and the Wright Brothers to today's dazzling array of Space Age satellites aircraft and ground stations He provides vivid portraits of spymasters spies and defectors including Sidney Reilly Herbert Yardley Kim Philby James Angleton Markus Wolf Reinhard Gehlen Vitaly Yurchenko Jonathan Pollard and many others Richelson paints a colorful portrait of World War I's spies and saboteurs and illuminates the secret maneuvering that helped determine the outcome of the war on land at sea and on the diplomatic front he investigates the enormous importance of intelligence operations in both the European and Pacific theaters in World War II from the work of Allied and Nazi agents to the black magic of U S and British code breakers and he gives us a complete overview of intelligence during the length of the Cold War from superpower espionage and spy scandals to covert action and secret wars A final chapter probes the still evolving role of intelligence work in the new world of disorder and ethnic conflict from the high tech wonders of the Gulf War to the surprising involvement of the French government in industrial espionage Comprehensive authoritative and addictively readable A Century of Spies is filled with new information on a variety of subjects from the activities of the American Black Chamber in the 1920s to intelligence collection during the Cuban missile crisis to Soviet intelligence and covert action operations It is an essential volume for anyone interested in military history espionage and adventure and world affairs

The History of Mi6 Antonella Colonna Vilasi, 2013-07-03 The book is about the history of MI6 also called SIS from its foundation to the ultimate events
