## **Siren And Selected Writings:**

*The Siren and Selected Writings* Giuseppe Tomasi di Lampedusa, 1995 Although best known as author of a singular masterpiece *The Leopard* the Prince of Lampedusa left a rich and varied oeuvre that repays a careful reading The best and most representative of it is collected in this volume *Places of My Infancy* a childhood memory of the Lampedusa palace in Palermo at the turn of the century and of the great family mansion inland at Santa Margherita provides a fascinating background to the princely setting of *The Leopard* The text hitherto published had been edited and pruned by the author's widow and resulted in a somewhat impoverished version Here the author's original text with many characters and incidents earlier suppressed has been fully restored The story of *The Professor* and the *Siren* a delicious example of Lampedusa's fantasy and *The Blind Kittens* the first chapter of an unfinished novel of bourgeois Sicily that would have formed a pendant to *The Leopard* both featured as appendices to Harvill's earlier edition of the great novel They are included here together with a charming comic bitter sweet story *Joy and the Law* Giuseppe di Lampedusa's knowledge of English literature which derived from a lifetime's reading as well as from a number of extended visits to Britain as a young man bore fruit in a series of informal seminars he gave in his later years at Palermo The plan was to introduce his listeners to English writers from Bede to Aldous Huxley pausing along the way not only at the great classics but also among the lesser known Restoration poets and Victorian novelists To this as also in his shrewd and dynamic appraisal of the French novelist Stendhal he brought the lucid intellect and warmth of feeling that informs his own deeply Sicilian creative genius

Lastingness Nicholas Delbanco, 2011-01-24 America grows older yet stays focused on its young Whatever hill we try to climb we're over it by fifty and should that hill involve entertainment or athletics we're finished long before But if younger is better it doesn't appear that youngest is best we want our teachers doctors generals and presidents to have reached a certain age In context after context and contest after contest we're more than a little conflicted about elders of the tribe when is it right to honor them and when to say step aside In Lastingness Nicholas Delbanco one of America's most celebrated men of letters profiles great geniuses in the fields of visual art literature and music Monet Verdi O'Keefe Yeats among others searching for the answers to why some artists work diminishes with age while others reaches its peak Both an intellectual inquiry into the essence of aging and creativity and a personal journey of discovery this is a brilliant exploration of what determines what one needs to do to keep the habits of creation and achievement alive

Mysterious Mozart Philippe Sollers, 2010 Both a beguiling portrait of the artist and an idiosyncratic self portrait of the author Mysterious Mozart is Philippe Sollers s alternately oblique and searingly direct interpretation of Wolfgang Amadeus Mozart s oeuvre and lasting mystique audaciously reformulated for the postmodern age With a mix of

slang abstractions quotations first and third person narratives and blunt opinion French writer and critic Philippe Sollers taps into Mozart's playful correspondence and the lesser known pieces of his enormous repertoire to analyze the popularity and public perceptions of his music Detailing Mozart's drive to continue producing masterpieces even when saddled with debt and riddled with illness and anxiety Sollers powerfully and meticulously analyzes Mozart's seven last great operas using a psychoanalytical approach to the characters relationships As Sollers explores themes of constancy prodigy freedom and religion he offers up bits of his own history revealing his affinity for the creative geniuses of the eighteenth century and a yearning to bring that era's utopian freedom to life in contemporary times What emerges is an inimitable portrait of a man and a musician whose greatest gift is a quirky companionability a warm and mysterious appeal that distinguishes Mozart from other great composers and is brilliantly echoed by Sollers's artful tangle of narrative
