**The Sisters of Lady Jane Grey and Their Wicked Grandfather: Being the True Stories of the Strange Lives of Charles Brandon, Duke of Suffolk, and the Ladies Katherine and Mary Grey, Sisters** Richard

Davey,2020-09-28 The amazing marriage of Katherine of Valois widow of Henry V with Owen Tudor possibly accounts for much that was abnormal in the character of their royal descendants of the redoubted House of Tudor The queen dowager was the daughter of the mad King Charles VI of France and of his licentious consort Isabeau of Bavaria bad blood indeed and Owen was a mere soldier of fortune In his grandson Henry VII s day a goodly pedigree was discovered for him which set forth that far from being a mean born pup as was popularly reported Owen was descended from Kenan son of Coel who was king of Britain and brother of Helen the mother of Constantine the Great As to Owen ap Merideth ap Twydder or Tudor good old Sandford affirms that the Meanness of his Estate was recompensated by the Delicacy of his Person so absolute in all the Lineaments of his Body that the only Contemplation of it might make a Queen forget all other Circumstances which it did Stowe who lived near enough to those times to receive direct tradition concerning this brave soldier says in his Annals that he was as ignorant as any savage Tall beyond the average the founder of the House of Tudor carried himself with a perfect grace He was well featured with hair that was curly and yellow as gold At an entertainment given in 1423 and attended notwithstanding her recent bereavement by the widowed queen this Adonis while in the act of executing an intricate

pirouette fell at the royal lady's feet Whether the passion kindled by this ludicrous accident was reciprocated we are not told but so ardent was it on Katherine's part at least that she soon afterwards clandestinely married the handsome Welshman The enemies of the House of Tudor averred that this secret marriage never really took place and it is a singular fact that no allusion whatever is made to it in the hearse verse originally placed over the tomb of Queen Katherine in Westminster Abbey and quoted in full in the contemporary Chronicle of William of Worcester

*Canadian Gazette and Export Trader*, 1911 **Light Shining Through a Veil** Edith van den Goorbergh, Theo H. Zweerman, 2000 The spirituality of Saint Clare of Assisi the soul mate of Saint Francis is the object of this book Her spirituality was inspired by Francis and she owes much to him like he to her This book is meant to be a contribution to the study of Clare and her thoughts In her four letters written to Saint Agnes of Prague Clare expresses herself more openly about her deepest motivations than in any other writing They concentrate on the heart of her choice of life and as such they reproduce the most beautiful gift which God gave her Clare's spirituality as it comes to the fore in these letters can only then be fully understood when we take into account their creative structure The specific aim of this book is

to do justice to her texts in a method which to our knowledge was never applied before It consists in an elaborated analysis of the fine concentric structure of the letters to Agnes combined with an ongoing commentary in which historical data are also given attention
