Sister To Sister:

Sister to Sister, Heart to Heart Verna Francis, 2016-04-30 *Sister to Sister Heart to Heart* is a sharing of some of life's tragedies that my family and I have experienced. My purpose in doing this is to help those who are dealing with the same difficulties. Reading stories of those who have experienced heartaches similar to mine has comforted and encouraged me very much. I hope to pass on that same type of encouragement. The subjects I cover include infertility, cancer, separation from one's spouse, death of one's spouse, losing your parents, having a wayward child, having a chronically ill child, having a loved one in prison, and surviving a tornado. Because of the wide variety of subjects covered, I feel my book will appeal to a wide and varied audience. By publishing *Sister to Sister Heart to Heart*, I hope to fulfill the command of Paul in II Corinthians 1:3-4. He comforts us every time we have trouble, so when others have trouble, we can comfort them with the same comfort God gives us.

Oh, Brother-- Oh, Sister! Brooks Whitney, 1999. Girls can learn to get along with siblings and survive sticky situations from teasing to tattling to sharing a room with this handbook that includes photo frames, door hangers, and a Sibling Constitution. Full color. Consumable.

Sister Missy Gloria Jackson Miles, 2017-08-08. *Sister Missy* is a fictitious story about three wealthy sisters who are triplets. They look differently, they dress differently, and they have different personalities. Sister Missy is the oldest of the three. She is aggressive and funny. Isabella, the second oldest, she speaks whatever comes to her mind. Isadore is the youngest; she is a little shy at times. They have never been married but were engaged at one time or the other. They enjoy being single. Sister Missy said being single is so peaceful and you don't have any worries. All of them have hobbies that they enjoy. Isabella and Isadore make quilts. They own the largest quilt factory in South Carolina. And they have a quilt shop beside it. People come from all over the world to buy them. Sister Missy takes care of cats every day. She has ten cats. Six are girls and four are boys. She got them from an auction when they were six weeks old. She takes them to be part of her family. The sisters live in a twenty-two room white four-story brick mansion. It is in the suburbs of Chester County, South Carolina, in a town called Little Swan, South Carolina. Only the rich and wealthy can live there. All of them drive Cadillac convertibles. Sister Missy's Cadillac was custom-made especially for her, and it is red. They are elderly at 81 years of age. But they don't like to be around old people. Sister Missy said they talk too much and they tell everything. They don't know how to keep a secret. They had a big celebration for their 82nd birthday. And they invited 200 guests. Everyone in the family will enjoy Sister Missy.

Sister to Sister: Essence of Life E. F. Grey, 2013-10-07. I absolutely love the concept of this book since it allowed me to pen what was in my heart without restrictions. Conversations such as these are good therapy for the soul and should be held at least once a month. Taking time out to share is important, and the way the book is written, the characters could be any two or three individuals. The book allows you to insert yourself and whomever you choose to have a conversation with. At first, when the Lord did not provide names of the main characters, I could not understand why, but when He began to

reveal to me that it is done intentionally because it affords the readers the chance to plug in their own name and the names of friends There is enough time for formality and to me when sharing in this type of setting it removes barriers so you can let your hair down I hope everyone who reads these books is richly blessed by the conversations and are able to share in it with us
