Copyright Office, 1973 *Netherlandic Mennonite History and Genealogy 1st Edition* Barry Teichroeb, 2025-05-29 The cultural group associated with the Russian Mennonites was born during the tumultuous period of the Anabaptist Movement in the early 16th century stemming from the Protestant Reformation in the Lowland countries of western Europe Viewed on a 21st century map this region encompasses parts of northern France Belgium the Netherlands and parts of the Rhine River basin in western Germany Foundational political and religious principles evolved as this Mennonite group established its identity freedom of religion separation of Church and State exemption from military service adult baptism and disintermediation of the Clergy The Anabaptist movement posed a serious threat to the Church of Rome and the Holy Roman Empire Fervent violent attempts were made to stamp out the movement driving congregants underground or sweeping them northward as the Inquisition sought out captured and murdered Anabaptist heretics The Mennonites fled through the northern territories of the Netherlands and into safer regions such as the Polish Lithuanian Commonwealth and the city of Danzig where some religious toleration existed Danzig became a hub of Mennonite settlement and other centers emerged particularly in the Polish Lithuanian Commonwealth as the community expanded Until the late 18th century these Mennonites were able to live according to their principles and

succeed In the latter half of the 18th century European political tensions and conflicts led to the partitioning and eventual dissolution of the Polish Lithuanian Commonwealth and some the most important privileges enjoyed by the Mennonites were lost among them the unfettered right to acquire land and exemption from military service In the last years of the 18th century Russia under Catherine the Great began a program to encourage settlement by foreigners in her vast western regions The Mennonite community regarded this as a salvation and carved out a new life on the steppes along the Dneiper River beginning in the last decade of the 18th century For nearly a century these Mennonites lived in Russia able to abide by their principles However political encroachment on their systems of education and governance and threats to their deeply held principles caused a new migration this time to North America Many Russian Mennonites came to Canada They arrived in three waves in the 1870s 1890s and finally following the upheaval of World War I the Russian Revolution and the Ukrainian War of Independence the 1920s

The Unforgotten Sisters Gabriella Bernardi, 2016-03-14 Taking inspiration from Siv Cedering's poem in the form of a fictional letter from Caroline Herschel that refers to my long lost sisters forgotten in the books that record our science this book tells the lives of twenty five female scientists with specific attention to astronomers and mathematicians Each of the presented biographies is organized as a kind of personal file which sets the biographee's life in its historical context documents her main works highlights some curious facts and records citations about her The selected figures are among the most representative of this neglected world including such luminaries as Hypatia of Alexandria Hildegard of Bingen Elisabetha Hevelius and Maria Gaetana Agnesi They span a period of about 4000 years from En HeduAnna the Akkadian princess who was one of the first recognized female astronomers to the dawn of the era of modern astronomy with Caroline Herschel and Mary Somerville The book will be of interest to all who wish to learn more about the women from antiquity to the nineteenth century who played such key roles in the history of astronomy and science despite living and working in largely male dominated worlds
