 liken the Pacific War to a typhoon one that swept away their former lives and brought dramatic changes to their  
 understandings of the world and their places in it Whether they spent the war in bomb shelters in sweet potato fields under  
 the guns of Japanese soldiers or in their homes on atolls sheltered from the war Micronesians who survived those years know  
 that their peoples passed through a major historical transformation Yet Pacific War histories scarcely mention the Islanders  
 across whose lands and seas the fighting waged Memories of War sets out to the fill that historical gap by presenting the  
 missing voices of Micronesians and by viewing those years from their perspectives The focus is on Micronesian  
 remembrances the ritual commemorations features of the landscape stories dances and songs that keep their memories of  
 the conflict alive The inclusion of numerous and extensive interviews and songs is an important feature of this book allowing  
 Micronesians to speak for themselves about their experiences In addition they also reveal distinctively Micronesian cultural  
 memories of war Memories of War preserves powerful and poignant memories for Micronesians it also demonstrates to  
 students of history and culture the extent to which cultural practices and values shape the remembrance of personal  
 experience     **Starflower (Tales of Goldstone Wood Book #4)** Anne Elisabeth Stengl, 2012-11-01 Readers will enjoy this
