Sisters In Servitude:

Into Silence and Servitude Brian Titley, 2017-08-01 For many American Catholics in the twentieth century the face of the Church was a woman's face. After the Second World War as increasing numbers of baby boomers flooded Catholic classrooms the Church actively recruited tens of thousands of young women as teaching sisters. In *Into Silence and Servitude* Brian Titley delves into the experiences of young women who entered Catholic religious sisterhoods at this time. The Church favoured nuns as teachers because their wageless labour made education more affordable in what was the world's largest private school system. Focusing on the Church's recruitment methods Titley examines the idea of a religious vocation, the school settings in which nuns were recruited and the tactics of persuasion directed at both suitable girls and their parents. The author describes how young women entered religious life and how they negotiated the sequence of convent formation stages, each with unique challenges respecting decorum, autonomy, personal relations, work and study. Although expulsions and withdrawals punctuated each formation stage, the number of nuns nationwide continued to grow until it reached a pinnacle in 1965, the same year that Catholic schools achieved their highest enrolment. Based on extensive archival research, memoirs, oral history and rare Church publications, *Into Silence and Servitude* presents a compelling narrative that opens a window on little-known aspects of America's convent system.

Black Slaveowners Larry Koger, 2011-12-02 Drawing on the federal census, wills, mortgage bills, sale tax returns and newspaper advertisements, this authoritative study describes the nature of African American slaveholding, its complexity and its rationales. It reveals how some African American slave masters had earned their freedom and how some free Blacks purchased slaves for their own use. The book provides a fresh perspective on slavery in the antebellum South and underscores the importance of African Americans in the history of American slavery. The book also paints a picture of the complex social dynamics between free and enslaved Blacks and between Black and white slaveowners. It illuminates the motivations behind African American slaveholding, including attempts to create or maintain independence, to accumulate wealth and to protect family members, and sheds light on the harsh realities of slavery for both Black masters and Black slaves. *BLACK SLAVEOWNERS* Shows how some African Americans became slave masters. *MOTIVATIONS FOR SLAVEHOLDING* Highlights the motivations behind African American slaveholding. *SOCIAL DYNAMICS* Sheds light on the complex social dynamics between free and enslaved Blacks. *ANEBELLUM SOUTH* Provides a perspective on slavery in the antebellum South.

The Captors' Narrative William Henry Foster, 2003 The author reconstructs the lived experience of both captors and captives to show that captivity was always intertwined with gender struggles, providing a novel perspective on the struggles over female authority pervasive in colonial America. *Slavery Illustrated in Its Effects Upon Woman and Domestic Society* George Bourne, 1837

THE ANGEL OF SERVITUDE THE ANGEL OF SERVITUDE, 2021-04-25 A story of a love that lasted a lifetime. With sublime eroticism and a crime that made an innocent pay with her life. Sick revenge. This novel will motivate you to write and create your own ending. *Uncommon Faithfulness* Mary

Shawn Copeland, LaReine-Marie Mosely, Albert J. Raboteau, 2009 An engaging study of black Catholics their contributions to the Catholic church and the challenges they face These essays describe the experience of black Catholics in this country since their arrival in North America in the sixteenth century until the present day The essays highlight the difficulties black Catholics faced in their early attempts to join churches and enter religious communities their participation in the civil rights struggle and the challenges they face today as they seek full inclusion in the church whether in terms of liturgical practice or pastoral ministry *Sisters in Servitude*, 1968 Reframing Politics in the Hebrew Bible Mira Morgenstern, 2017-09-01 Inspired by the Enlightenment readings of Hebrew biblical texts generated in the seventeenth through the nineteenth centuries Mira Morgenstern's *Reframing Politics in the Hebrew Bible* goes beyond the pioneering interpretations of various biblical texts penned by such noted Bible students as Spinoza Rousseau and Angelina Grimké to present an introduction to the Hebrew Bible as a whole from the perspective of a modern day political theorist In doing so it offers a brilliant thematic guide to the Hebrew Bible's most politically salient passages complete with text and commentary Morgenstern's account of the significance of these ancient yet strangely modern texts will fascinate students of both ancient and modern political theory as well as all readers of the Hebrew Bible itself *The Grimké Sisters from South Carolina* Gerda Lerner, 2009-11-20 A landmark work of women's history originally published in 1967 Gerda Lerner's best selling biography of Sarah and Angelina Grimké explores the lives and ideas of the only southern women to become antislavery agents in the North and pioneers for women's rights This revised and expanded edition includes two new primary documents and an additional essay by Lerner In a revised introduction Lerner reinterprets her own work nearly forty years later and gives new recognition to the major significance of Sarah Grimké's feminist writings **In Service and Servitude** Christine B. N. Chin, 1998 Examining how the shared interests of state elites and the middle classes rationalize mistreatment of domestic workers the author argues that the premodern exploitation of migrant domestic workers is at odds with the global expansion of open markets and free trade *To Govern Is to Serve* Jacques Dalarun, 2023-02-15 *To Govern Is to Serve* explores the practices of collective governance in medieval religious orders that turned the precepts of the Gospels most notably that the first will be last the last will be first into practices of communal deliberation and the election of superiors Jacques Dalarun argues that these democratic forms have profoundly influenced modern experiences of democracy in particular the idea of government not as domination but as service Dalarun undertakes meticulous textual analysis and historical research into twelfth and thirteenth century religious movements from Fontevraud and the Paraclete of Abelard and Heloise through St Dominic and St Francis that sought their superiors from among the less exalted members of their communities to chart how these experiments prefigured certain aspects of modern democracies those allowing individuals to find their way forward as part of a collective Wide ranging and deeply original *To Govern Is to Serve* highlights the history of the reciprocal bonds of service and humility that underpin increasingly fragile democracies in the twenty first century Sisters Michael Cohen, 1995 The

Ryan,2009-01-06 In a sweeping synthesis of American history Mary Ryan demonstrates how the meaning of male and female has evolved changed and varied over a span of 500 years and across major social and ethnic boundaries She traces how at select moments in history perceptions of sex difference were translated into complex and mutable patterns for differentiating women and men How those distinctions were drawn and redrawn affected the course of American history more generally Ryan recounts the construction of a modern gender regime that sharply divided male from female and created modes of exclusion and inequity The divide between male and female blurred in the twentieth century as women entered the public domain massed in the labor force and revolutionized private life This transformation in gender history serves as a backdrop for seven chronological chapters each of which presents a different problem in American history as a quandary of sex Ryan s bold analysis raises the possibility that perhaps if understood in their variety and mutability the differences of sex might lose the sting of inequality **Sister Servants** Margaret A.
