Sisters Wives The Past Future Of Sexual Equality:

Sisters and Wives Karen Brodtkin, 1979 A lively and well researched analysis of women's roles in the kinship systems of precapitalist African societies turns out to be pertinent to women's struggle for equality everywhere. For any theorist of social organization this is an important book. American Anthropologist For anthropologists historians social theorists and

From Eve to Dawn: A History of Women in the World Volume III Marilyn French, 2008-09-01 From the New York Times bestselling author A rare find a page turning can't put it down history text Library Journal Writing about what she calls the most cheering period in female history Marilyn French recounts how nineteenth century women living under imperialism industrialization and capitalism nonetheless organized for their own education a more equitable wage and the vote Focusing on the United States Great Britain and countries in Africa French argues that capitalism's success depended on the exploitation and enslavement of huge numbers including women but the act of working outside the home alongside other women rather than in isolation provided women with the possibility of organizing for emancipation The third volume of her remarkable four volume survey fascinating insight and detail Publishers Weekly Sister Or Wife? J. Dorcas

Gordon, 1997-11-01 This work investigates the social dynamics within the Corinthian community and the function of Paul's argumentation in the light of those dynamics The models of Victor Turner and Mary Douglas cultural anthropologists guide the inquiry Gordon concludes that the conflict in 1 Corinthians 7 arose as the result of two antithetical views of the root metaphor In Christ all are children of God no male and female One group supported a kinship system based on patrilineal marriage and hierarchical community structures A second group demanded that an egalitarian sibling relationship should order the community Paul attempts to persuade both factions that their commitment to each other and to him is primary His arguments encourage each group to reconsider the absoluteness of its stance and to learn to live with ambiguity

Women's History in Global Perspective Bonnie G. Smith, 2004 The American Historical Association's Committee on Women Historians commissioned some of the pioneering figures in women's history to prepare essays in their respective areas of expertise These volumes the second and third in a series of three complete their collected efforts The first volume of the series dealt with the broad themes necessary to understanding women's history around the world As a counterpoint volume 2 is concerned with issues that have shaped the history of women in particular places and during particular eras It examines women in ancient civilizations including women in China Japan and Korea women and gender in South and South East Asia Medieval women women and gender in Colonial Latin America and the history of women in the US to 1865 Authors included are Sarah Hughes and Brady Hughes Susan Mann Barbara N Ramusack Judith M Bennett Ann Twinam and Kathleen Brown As with volume 2 volume 3 also discusses current trends in gender and women's history from a regional perspective It includes essays on sub Saharan Africa the Middle East early and modern Europe Russian and the Soviet Union Latin American and North America after 1865 Asuncion Lavrin Ellen Dubois and Judith P Zinsler writing with Bonnie S
