## **Six Plays Of Plautus:**

*Six plays of Plautus* Titus Maccius Plautus, 1963

### **Biblical References in Shakespeare's Plays** Naseeb

Shaheen, 2011-09-16 The hundreds of biblical references in Shakespeare's plays give ample evidence that he was well acquainted with Scripture. Not only is the range of his biblical references impressive but also the aptness with which he makes them. Hamlet and Othello each have more than fifty biblical references. No study of Shakespeare's plays is complete that ignores Shakespeare's use of scripture. The Bibles that Shakespeare knew however were not those that are in use today. By the time the King James Bible appeared in 1611 Shakespeare's career was all but over and the Anglican liturgy that is evident in his plays is likewise one that few persons are acquainted with. This volume provides a comprehensive survey of the English Bibles of Shakespeare's day, notes their similarities and differences and indicates which version the playwright knew best. The thorny question of what constitutes a valid biblical reference is also discussed. This study of Shakespeare's biblical references is not based on secondary sources. The author owned one of the world's largest collections of early English bibles including over one hundred copies of the Geneva bible and numerous editions of other Bibles, prayer books and books of homilies of Shakespeare's day. To be of real worth a study of Shakespeare's biblical references should also enable the reader to determine which references Shakespeare borrowed from his plot sources and which he added from his own memory as part of his design for the play. The author studies every source that Shakespeare is known to have read or consulted before writing each play and has examined the biblical references in those sources. Shaheen then points out which biblical references in his literary sources Shakespeare accepted and how he adapted them in his plays. This information is especially valuable when assessing the theological meanings that are sometimes imposed on his plays, meanings that often go beyond what Shakespeare intended or what his audience must have understood. **Biblical References in Shakespeare's Plays** is considerably broader in scope than any other study of its kind and provides the scholarly checks and balances in dealing with the subject that previous studies lacked.

### **The Poetics of Imitation in the Italian Theatre of the Renaissance**

Salvatore Di Maria, 2013-10-28 The theatre of the Italian Renaissance was directly inspired by the classical stage of Greece and Rome and many have argued that the former imitated the latter without developing a new theatre tradition. In this book Salvatore Di Maria investigates aspects of innovation that made Italian Renaissance stage a modern original theatre in its own right. He provides important evidence for creative imitation at work by comparing sources and imitations including Machiavelli's *Mandragola* and Clizia, Cecchi's *Assiuolo Groto* of Emilia and Dolce's *Marianna* and highlighting source elements that these playwrights chose to adopt, modify or omit entirely. Di Maria delves into how playwrights not only brought inventive new dramaturgical methods to the genre but also incorporated significant aspects of the morals and aesthetic preferences familiar to contemporary spectators into their works. By proposing the theatre of the Italian Renaissance as a poetic window into the living realities of sixteenth century Italy, he provides a fresh approach to reading the works of this period. *Classics*

*in Translation, Volume II* Paul L. MacKendrick, Herbert M. Howe, 2012-11 Here translated into modern idiom are many works of the authors whose ideas have constituted the mainstream of classical thought This volume of new translations was born of necessity to answer the needs of a course in Greek and Roman culture offered by the Department of Integrated Liberal Studies at the University of Wisconsin

Shakespeare's Theatre Hugh M. Richmond, 2002-01-01 Presents information regarding the character and operation of theaters in Shakespeare's time including its origin the practices of the actors and script writers and the use of choreography costumes and make up

**Renaissance Comedy** Donald Beecher, 2008-01-01 A rich and multi faceted aspect of the Italian Renaissance the comedy has been largely overlooked as a cultural force during the period In Renaissance Comedy editor Donald Beecher corrects this oversight with a collection of eleven comedies representative of the principal styles of writing that define the genre Proceeding from early erudite imitations of Plautus and Terence to satires sentimental plays of the middle years and later more experimental works the development of Italian Renaissance comedy is here dissected in a fascinating and vivid light This first of two volumes boasts five of the best known plays of the period each with its own historical and critical introduction Also included is a general introduction by the editor which discusses the features of Italian Renaissance comedy as well as examines the stage histories of the plays and what little is known in many cases of the circumstances surrounding their original performances The introduction raises questions concerning the nature of audiences the festival occasions during which the plays were performed and the academies which sponsored many of their creations As a much needed reappraisal of these comedic plays Renaissance Comedy is an invaluable look at the performance history of the Renaissance and Italian culture in general

**Comedy, Seriously** D. Nikulin, 2014-05-14 Comedy Seriously provides a philosophical interpretation of comedy and argues that comedy displays a particular kind of rationality that reflects philosophical thinking In particular that comedy is defined not so much by laughter or jokes but rather the structure of its plot which is isomorphic with that of the philosophical argument Comedy allows for the resolution of a conflict and the achievement of well being and equality through action that follows the comic plot Moreover such action is propelled by the thinker on stage who as socially and politically oppressed contributes to the liberation of all and the achievement of the good life Comedy therefore establishes the universal pattern for justice and well being and allows us to rethink the notion of subjectivity not as the modern isolated subject but rather as integrated with others through shared action and dialogical involvement

**Multicultural Writers from Antiquity to 1945** Alba Amoia, Bettina L. Knapp, 2001-10-30 The final decades of the 20th century have seen an explosion of interest in multiculturalism But multiculturalism is more than an awareness of the different cultures comprising contemporary societies For centuries people from around the world have come in contact with cultures other than their own and their exposure to multiple cultures has fostered their creativity and ability to make lasting contributions to civilization The effects of multiculturalism are especially apparent in literature since writers tend to be particularly aware of their environments and

record their experiences This reference includes alphabetically arranged entries for more than 100 world writers from antiquity to 1945 who were significantly influenced by cultures other than their own Included are entries for major canonical Ancient and Modern writers of the Western and Eastern worlds Each entry is written by an expert contributor and includes a brief biography a discussion of multicultural themes and contexts a summary of the writer's critical reception and primary and secondary bibliographies By illuminating the shaping influence of multiculturalism on these writers the volume points to the lasting value of multiculturalism in the contemporary world

**Report of Her Majesty's Commissioners Appointed to Inquire Into the State, Discipline, Studies, and Revenues of the University and Colleges of Oxford** Great Britain. Oxford University Commission, 1852 *Oxford University Calendar* University of Oxford, 1853

**The Stagecraft and Performance of Roman Comedy** C. W. Marshall, 2006-11-02 A comprehensive survey of Roman theatrical production this book examines all aspects of Roman performance practice and provides fresh insights on the comedies of Plautus and Terence Following an introductory chapter on the experience of Roman comedy from the perspective of Roman actors and the Roman audience addressing among other things the economic concerns of putting on a play in the Roman republic subsequent chapters provide detailed studies of troupe size and the implications for role assignment masks stage action music and improvisation in the plays of Plautus and Terence Marshall argues that Roman comedy was raw comedy much more rough and ready than its Hellenistic precursors but still fully conscious of its literary past The consequences of this lead to fresh conclusions concerning the dramatic structure of Roman comedy and a clearer understanding of the relationship between the plays as text and the role of improvisation during performance

**Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1965 Includes Part 1 Number 2 Books and Pamphlets Including Serials and Contributions to Periodicals July December

**The Phormio of Terence, ed. by W.C. Laming** Publius Terentius (Afer), Terence, 1902

**The Knickerbocker**, 1836 **The Knickerbacker**, 1836 Comparative Studies in Republican Latin Imagery Elaine Fantham, 1972-12-15 Of all stylistic devices imagery has the greatest appeal to the imagination but is also the most likely to offend either by staleness or by tasteless excess This volume establishes some of the limitations which govern figurative language in Latin speech and prose by exploring such questions as these From what physical or social contexts is Latin imagery derived To what extent is it influenced by the primacy of Greek as a cultural language and the derivation of the earliest Latin literature from Greek models How are the metaphors expressed in terms of syntax through verb noun adjective or a combination of syntactical forms How are the form and content of imagery related to the literary genre In this study Professor Fantham analyses in detail the conservative imagery of Terence and of Cicero's letters contrasting this naturalistic language with the fantasies of Plautus and the formalization of Cicero's speeches A separate chapter on the *de Oratore* shows how the thematic and structural use of metaphor and analogy provide balance and continuity giving Latin prose imagery its full role in a mature classical work of art Numerous illustrative passages from Greek

New Comedy Terence Plautus and Cicero are reproduced in the text      *The World of Ancient Rome* James W. Ermatinger,2015-08-11 This study of Ancient Rome offers a fascinating glimpse of what Roman society was like from fashion to food to politics and recreation gathered from literary works art and archaeological remains While the political history and prominent figures of Ancient Rome are well known accounts of daily life in that time and place often remain untold This fascinating encyclopedia explores this period from a social and cultural perspective digging into the day to day activities of how Romans dressed what they ate how they worked and what they did for fun Drawing from recent archaeological evidence author James W Ermatinger explores the everyday lives of Roman citizens of all levels and classes This book is organized into ten sections art economics family fashion food housing politics recreation religion and science Each section contains more than two dozen entries that illuminate such topics as slavery as a social movement the menus of peasants slaves and the elite and the science and engineering solutions that became harbingers for today s technology The work contains a selection of primary documents as well as a bibliography of print and Internet resources      **The Cambridge Companion to Roman Comedy** Martin T. Dinter,2019-04-04 Provides a comprehensive critical engagement with Roman comedy and its reception presented by leading international scholars in accessible and up to date chapters      *The Oxford encyclopedia of ancient Greece and Rome. - Vol. 1 - 7* Michael Gagarin,2010      *The Oxford university almanack and register* ,1857
