Andrews, Henry Louis Gates, 2000-01-15 This collection of landmark slave narratives demonstrates how a diverse group of writers challenged the conscience of a nation and laid the foundations of the African American literary tradition No literary genre speaks as directly and as eloquently to the brutal contradictions in American history as the slave narrative The works collected in this volume present unflinching portrayals of the cruelty and degradation of slavery while testifying to the African American struggle for freedom and dignity They demonstrate the power of the written word to affirm a person's and a people's humanity in a society poisoned by racism *Slave Narratives* shows how a diverse group of writers challenged the conscience of a nation and through their expression of anger pain sorrow and courage laid the foundations of the African American literary tradition This volume collects ten works published between 1772 and 1864 Narratives by James Albert Ukawsaw Gronniosaw 1772 and Olaudah Equiano 1789 recount how they were taken from Africa as children and brought across the Atlantic to British North America The Confessions of Nat Turner 1831 provides unique insight into the man who led the deadliest slave uprising in American history The widely read narratives by the fugitive slaves Frederick Douglass 1845 William Wells Brown 1847 and Henry Bibb 1849 strengthened the abolitionist cause by exposing the hypocrisies inherent in a slaveholding society ostensibly dedicated to liberty and Christian morality The Narrative of Sojourner Truth 1850 describes slavery in the North while expressing the eloquent fervor of a dedicated woman Running a Thousand Miles for Freedom 1860 tells the story of William and Ellen Craft's subversive and ingenious escape from Georgia to Philadelphia Incidents in the Life of a Slave Girl 1861 is Harriet Jacobs's complex and moving story of her prolonged resistance to sexual and racial oppression The narrative of the trickster Jacob Green 1864 presents a disturbing story full of wild humor and intense cruelty Together these works fuse memory advocacy and defiance into a searing collective portrait of American life before emancipation *Slave Narratives* contains a chronology of events in the history of slavery as well as biographical and explanatory notes and an essay on the texts Down, Up, and Over Dwight N. Hopkins, First reconstructs the cultural matrix of African American religion a total way of life formed by Protestantism American culture and the institution of slavery 1619 1865 Whites from Europe and Blacks from Africa arrived with specific differing views of God faith and humanity Hopkins recreates their worldviews and shows how white theology sought to remake African Americans into naturally inferior beings divinely ordained into subservience The counter voice of enslaved blacks is the birth of the Spirit of liberation Back cover **Slave Narratives and the Writings of Freedmen**

The Oxford Handbook of the African American Slave Narrative John Ernest, 2014-02-28 Given the rise of new interdisciplinary and methodological approaches to African American and Black Atlantic studies The Oxford Handbook of the African American Slave Narrative will offer a fresh wide ranging assessment of this major American literary genre The volume will begin with articles that consider the fundamental concerns of gender sexuality community and the Christian ethos of suffering and redemption that are central to any understanding of slave narratives The chapters that follow will interrogate the various agendas behind the production of both pre and post Emancipation narratives and take up the various interpretive problems they pose Strategic omissions and veiled gestures were often necessary in these life accounts as they revealed disturbing too painful truths far beyond what white audiences were prepared to hear While touching upon the familiar canonical autobiographies of Frederick Douglass and Harriet Jacobs the Handbook will pay more attention to the under studied narratives of Josiah Henson Sojourner Truth William Grimes Henry Box Brown and other often overlooked accounts In addition to the literary autobiographies of bondage the volume will anatomize the powerful WPA recordings of interviews with former slaves during the late 1930s With essays on the genre's imaginative afterlife its final essays will chart the emergence and development of neoslave narratives most notably in Styron's The Confessions of Nat Turner Toni Morrisons's Beloved and Octavia Butler's provocative science fiction novel Kindred In short the Handbook will provide a long overdue assessment of the state of the genre and the vital scholarship that continues to grow around it work that is offering some of the most provocative analysis

emerging out of the literary studies discipline as a whole **Hope in the Holler** Anna Elaine Brown Crawford,2002-01-01 For more than three hundred years black women have embodied a theology of hope which has enabled them to overcome a history of abuse and violence While a theology of hope has been widely discussed in twentieth century theology it was born in slavery long before Jurgen Moltmann introduced it to America in 1967 Even womanist notions of hope have not explored the theological character of hope in abused black women s narratives A Elaine Brown Crawford argues that hope is the theological construct that moves black women beyond endurance and survival to transformation of their personal and communal realities This book identifies and analyzes the theological vision of hope voiced within the narratives of enslaved emancipated and contemporary black women and brings that vision into discussion with contemporary womanist theologies
