Six Nights A Week:

The New Orleans Jazz Scene, 1970-2000 Thomas W. Jacobsen, 2014-10-06 Published with the assistance of the Borne Fund *American Singing Groups* Jay Warner, 2006-04 Offers a decade by decade history of American singing groups from the Ames and Mills Brothers to the Platters and the Beach Boys to Destiny's Child the Backstreet Boys N Sync and many others covering more than 380 artists and furnishing information on each group's career key members influences photos and discographies Original *Annual Report of the Bureau of Labor Statistics of the State of New York for the Year ...* New York (State). Bureau of Labor Statistics, New York (State). Dept. of Labor. Bureau of Statistics, 1893 **Let Me Tell You a Story** Charles Keith Hardman, 2014-03-06 Forty years after he wrote his first short story Charles Keith Hardman shares a collection of diverse tales that explore the unknown question the future and create chills A fledgling musician leaves Lubbock Texas not really caring where he is headed As the Texas red clay dust evaporates behind his car he only knows one thing he has to leave But as he pulls into the deserted parking lot of an icehouse the man has no idea of what he is about to encounter When a stranger enters Jamestown he introduces himself to everyone he meets but gives different names and details each time As a ringmaster parades around a circle in an arena a crowd goes wild anxious to witness the unknown A show of energy is unleashed and the crowd gasps They can hardly believe what they see Let Me Tell You a Story offers an intriguing compilation of writings that tantalizes the imagination and inspires wonderment at what is truly real in the world and what is not **Emporium** Edwin Barnard, 2015-03-01 Look at the Hilzinger washing machine costing 3 in 1880 It certainly seems rather primitive but did it get the clothes clean and how hard was it to operate And what about Dr Allen's belt powered by the magic of electricity Could it really help with rheumatism and lumbago as its maker promised Advertisements can reveal a great deal about an age Gleaned from the pages of long forgotten publications such as The Sydney Gazette and New South Wales Advertiser Australian Town and Country Journal and Australasian Sketcher with Pen and Pencil together with dozens of regional newspapers they paint an intriguing picture of the world of our great great grandparents With over 450 images this book is one to pore over and enjoy perhaps that electric hairbrush really did cure baldness and wouldn't it be wonderful of those strange cannabis cigarettes did relieve asthma Advertisements for condoms It was just a matter of knowing what to look for In some ways it is striking how little has changed It comes as no surprise for example to discover that colonial women found it hard to resist a bargain nor that they worried a great deal about their complexions and the sweetness of their breath Colonial men had their own concerns prominent among them those old bugbears of advancing baldness and retreating virility For those seeking to revive flagging passions there were always the racy tales advertised each week in the illustrated papers price one shilling posted in a sealed envelope Equally striking are the many differences in attitude and outlook revealed by old advertisements It is curious for example that for most of the nineteenth century nobody except perhaps the very young seem to have been much concerned about body shape It was only in the 1880s and 90s that advertisements began

to appear offering products designed to deal with unsightly corpulence or to plump out that underdeveloped bosom It cannot have taken advertisers long to realise that they were onto a good thing exploiting those particular anxieties Emporium uses collections of advertisements as starting points in assembling a series of self contained snapshots Introduced by a section on shopping a succession of double page spreads each with its eyewitness accounts and contemporary descriptions work to paint a lively and entertaining picture of everyday life in the Australian colonies Although this is a book about advertising it is really also all about the everyday lives of nineteenth century Australians The focus throughout is on the lives of so called ordinary people the working men women and children whose struggles all too often merit little more than a footnote or two in many of our national histories How did they go about getting married How did they plan their families How did they keep clean How did they cook their food Advertisements can answer all these questions Humorous quirky fascinating you will find this book compulsive Edwin Barnard is an author and designer with an enduring interest in the everyday lives of nineteenth century Australians His previous books include *Exiled for the National Library of Australia* Edwin lives in Avalon NSW

The Commercial Telegraphers' Journal ,1916 Vegas at Odds James P. Kraft,2010-01-14 American historians and anyone interested in the history of labor or Las Vegas will find this account highly original insightful and even handed
