Harris,2005-01-01 Though more than a generation has passed since the revolutionary fervor of the Summer of Love of 1967 the 1960s in many ways seem with us still From recurring debates over the war in Vietnam to the perpetually appealing music of the Beatles and the Rolling Stone to the concern about youth drug use the legacy of the 1960s is ubiquitous in contemporary life The Summer of Love brings together an impressive group of historians artists and cultural critics to present a rich and varied interpretation of this

seminal decade and its continuing influence on politics society and culture The Summer of Love which accompanies an exhibition at Tate Liverpool pays particular attention to the wildly creative psychedelic art of the era Perceptive essays on psychedelic comics graphic design and typography light shows and film successfully rescue psychedelic art from the fog of nostalgia and unjust critical neglect Distinguished contributors also explore the role of 1960s fashion and architecture and they consider anew the central influence of hallucinogenic drugs on the art of the era Running throughout the essays are the elements of epochal change from sexual liberation to student revolutions that still form the backdrop of our collective consciousness of the 1960s An incisive collection of writings on all aspects of 1960s art and culture tempered by time and critical distance The Summer of Love will be indispensable for those who wish they had been there or for those who were but can't remember it

**NorCalMod** Pierluigi Serraino, 2006-08-03 Many people think modernist architecture never flowered in California north of the San Fernando Valley NorCalMod dispels that notion in a copiously illustrated history showcasing extraordinary examples of its proud contribution to the Bay Area and environs As a style modernist architecture was hotly debated in its day why create modern structures where such distinctive Victorian and Arts and Crafts buildings already existed pulling heavyweights such as Frank Lloyd Wright Lewis Mumford and Walter Gropius into the fray Ultimately that existing Bay Region Style would remain the area's architectural hallmark but not before hundreds of important

modernist projects many still standing yet unjustly neglected today had been established The remarkable photos in this book open our eyes to a long lost chapter in the history of California architecture and make NorCalMod a volume to be enjoyed by those interested in California history and style as well as by architecture students and professionals History of Modern Design David Raizman,2003 An exploration of the parallel development of product and graphic design from the 18th century to the 21st The effects of mass production and consumption man made industrial materials and extended lines of communication are also discussed *An Introduction to Design and Culture* Penny Sparke,2013-02-11 This third edition of *An Introduction to Design and Culture* has been revised and updated throughout to include issues of globalization sustainability and digital interactive design New for this edition is a chapter which covers key changes in design culture Design culture has changed dramatically in the 21st century the designer hero is now much less in evidence and design has become much more interdisciplinary Drawing on a wealth of mass produced artefacts images and environments including sewing machines cars televisions clothes electronic and branded goods and exhibitions author Penny Sparke shows how design has helped to shape and reflect our social and cultural development This introduction to the development of modern and postmodern design is ideal for undergraduate students **Twentieth-Century Pattern Design** Lesley Jackson,2007-02-08 *Twentieth Century Pattern Design* combines photographs including many newly published images with soundly researched text creating an essential resource for enthusiasts and historians of modern design The book also serves as a creative sourcebook for students and designers inspiring new flights of fancy in pattern design Jacket Retro Elizabeth E.
