**Robert Lamb**

## **Sizewell Report What Happened At The Inquiry:**

*Nuclear Decommissioning and Society* Martin J. Pasqualetti, 2019-03-28 Originally published in 1990 This book argues that a better understanding of the social impact of decommissioning in areas such as jobs waste economics opinion law public policy land use and legacies is vital to the successful application of any technical solution The issues raised are divided into three areas which deal with those problems that have already been recognized the questions that decommissioning itself will raise and those that may result from likely future developments The book aims to initiate a process of appraisal by examining several of the more obvious social ties to decommissioning

**Nuclear Law** Stephen Tromans, 2010-03-12 This book is a practical guide to the international EC and UK law applying to the various uses of nuclear energy and radioactive substances The first edition was produced in 1997 and given the renaissance of interest in nuclear power in the UK and worldwide this new updated and much expanded edition is timely It will cover the law relating to the permitting and operation of nuclear power stations the decommissioning and clean up of former nuclear facilities radiological protection the management of radioactive waste and spent fuel liability and insurance and the security and transport of radioactive materials Readers will find a clear framework explaining the development and application of nuclear law and how domestic law is based on and influenced by international and European requirements and by its historical context In the commercial context the chapters dealing specifically with new build and with decommissioning will be vital reading

**Technology and Economic Progress** Z.A. Silberston, 1988-12-23 A collection of papers which examine the dependency of economic progress on technological developments progressing from a discussion of the forces affecting the process of technical change to empirical studies of technical change in different industries and firms

Town and Country Planning in the UK J. B. Cullingworth, Vincent Nadin, 2002 This thirteenth edition has been completely revised to take into account all the changes that have occurred in British planning including the policies introduced by the Labour government devolution innovations and the European Union

Town and Country Planning in the UK Barry Cullingworth, Vincent Nadin, 2003-09-02 Town and Country Planning in the UK has become the Bible of British planning In this new edition detailed consideration is given to the nature of planning and its historical evolution central and local government the EU and other agencies the framework of plans and other instruments development control land policy and planning gain environmental and countryside planning sustainable development waste and pollution heritage and transport planning urban policies and regeneration This twelfth edition has been completely revised and expanded to cover the whole of the UK The new edition explains more fully the planning policies and actions of the European Union and takes into account the implications of local government reorganization the plan led system and the growing interest in promoting sustainable development

*Science Policy Under Thatcher* Jon Agar, 2019-06-03 Margaret Thatcher was prime minister from 1979 to 1990 during which time her Conservative administration transformed the political landscape of Britain Science Policy under Thatcher is the first book to examine

systematically the interplay of science and government under her leadership Thatcher was a working scientist before she became a professional politician and she maintained a close watch on science matters as prime minister Scientific knowledge and advice were important to many urgent issues of the 1980s from late Cold War questions of defence to emerging environmental problems such as acid rain and climate change Drawing on newly released primary sources Jon Agar explores how Thatcher worked with and occasionally against the structures of scientific advice as the scientific aspects of such issues were balanced or conflicted with other demands and values To what extent for example was the freedom of the individual scientist to choose research projects balanced against the desire to secure more commercial applications What was Thatcher's stance towards European scientific collaboration and commitments How did cuts in public expenditure affect the publicly funded research and teaching of universities In weaving together numerous topics including AIDS and bioethics the nuclear industry and strategic defence Agar adds to the picture we have of Thatcher and her radically Conservative agenda and argues that the science policy devised under her leadership not least in relation to industrial strategy had a prolonged influence on the culture of British science

**Marxism Today** ,1985      **Sizewell Report** Martin Ince,1984      Radioactive Waste Control and Controversy Steven D. Chandler,1998-02-09 A study of the way policy and legislation for regulating radioactive wastes has developed in the UK since the first specific legislation was enacted in 1948 Particular emphasis is given to the Atomic Energy Authority Act 1954 and the Radioactive Substances Act 1960 which set the framework for control that has lasted to the present day The reader will gain a clear understanding of the factors that have shaped the regulatory framework for radioactive waste and the matters that must be considered in making changes for the future      Routledge Library Editions: Energy Resources Various,2021-06-23 Reissuing works originally published between 1961 and 1990 this set of 12 books offers a selection of scholarship on the history of natural resources Many of the titles discuss the nuclear power debate from various angles while others look at coal or resources and energy in the third world

**Promising the Earth** Robert Lamb,2012-11-12 This is a tale of our times marking the 25th anniversary of Friends of the Earth Promising the Earth locates the inside story of pioneering campaigns within a broader canvas No single organization's record can expect to paraphrase the development of environmental consciousness and the growth of grassroots environmental movement but experiences bear intimate witness to a story that is still unfolding Enlivened by arresting illustrations and glimpses of colourful personalities that the issues of the day have brought to the fore Promising the Earth takes stock of changing realities in and attitudes to environmental care over the past quarter century This eventful chronicle acts as a platform from which to survey the future that lies beyond the threshold of the 21st century      Energy Research Abstracts ,1986      **The International Politics of Nuclear Waste** Andrew Blowers,David Lowry,Barry D. Solomon,1991-04-01 Looking at the politics of nuclear waste this book examines the subject from an international standpoint Other works by the author Andrew Blowers include The Limits of Power and Something in the Air and he has been co editor on books such as Nuclear Power in

Crisis      **Government Reports Annual Index** ,1984      *From New Towns to Green Politics* Dennis Hardy,2003-12-16  
 From the 1940s to the 1990s *From New Towns to Green Politics* charts the course of successive issues and campaigns from the reconstruction of Britain's war torn cities to the introduction of green belts and new towns to regional and community planning and so to the inner cities and most recently green politics      *The Future of Nuclear Power* G. Greenhalgh,1989-01-31      **Mackintosh's The Government and Politics of Britain** Peter G. Richards,2012-09-10 This student mainstay continues to be organised around constitutional themes with new material on local elections the politics of the centre and the limits of state power Essential for all introductory students of British politics and current affairs  
**Energy, the State, and the Market** Dieter Helm,2004 Helm provides a broad and lively survey of British energy policy since 1979 He traces the way in which political pressures from the proponents of both nationalization and privatization have affected the development of an industry which forms a significant part of the national economy      **Report** Town and Country Planning Association (Great Britain),      **British Reports, Translations and Theses** British Library. Lending Division,1984 Issue for Mar 1981 contains index for Jan Mar 1981 in microfiche form
