Sizzle Wheels:

Sizzle Wheels Barbara Douglass,1981 Lee J Williames views Anton Chekhov as a change agent and iconoclast in a manner similar to Zola and Darwin This study shows that Chekhov was deeply influenced by the scientific method that he was objective in his representations and that he carefully chose what he wrote about It was his intention to explode stereotypes by clearly and objectively stating the problems of Russian society in his stories He felt that his readers would be moved to accomplish change through individual initiative if they saw clearly what the problems were in Russia To demonstrate these points this work presents an intellectual biography of Chekhov and then examines the objectivity and validity of his views on Russian society

Sizzle Joan Axelrod-Contrada,2013 Free wants to live up to her name and become the lead singer in a girl rock band But when she gets involved with her guitar teacher things get messy And then when they are not careful things get worse A strong honest novel on teenage romance and unwanted pregnancy Reading level Grade 2 5 Lexile 390L Interest level Grades 7 12 HIP EDGE novels are geared to students in senior high school but reading well below grade level The teenage characters in the fictional urban neighbourhood of Edgemont deal with real life issues such as runaways gang violence arson and teen pregnancy

Sports Splash Carol H. Thomas,1983 Intended for individuals involved in teaching children to read parents teachers librarians and reading specialists this handbook provides activities and resources to supplement programs designed to encourage children s enjoyment of books

The reading activities presented in this handbook have been developed around a sports theme. The introductory sections are designed to acquaint the user with the interests and abilities at various age levels and to help in setting goals, scheduling, recruiting, and using volunteers and publicizing programs. The major portion of the handbook is made up of ideas and activities related to the following sports categories: individual sports, partner sports, racing sports, team sports, water sports, winter sports, and miscellaneous sports. Within each category are display and exhibit ideas corresponding to the particular type of sport, suggestions for special events, and a variety of activities that may be used individually or in combination. Also included are several pages of camera-ready copy that may be used for flyers, advertising various programs, designs for bookmarks and patterns for mobiles and awards, or to decorate writing or drawing assignments. Concluding each sports category is a list of books, both fiction and nonfiction, as well as journals and nonprint media that may be used in conjunction with the activities already suggested or as resources for further programming ideas.
