Raymond Ibrahim

Skanderbeg The Janissaries:

My Father's Books Luan Starova, 2012-07-16 In *My Father's Books* the first volume in Luan Starova's multivolume Balkan Saga he explores themes of history displacement and identity under three turbulent regimes Ottoman Fascist and Stalinist in the twentieth century Weaving a story from the threads of his parents' lives from 1926 to 1976 he offers a child's eye view of personal relationships in shifting political landscapes and an elegiac reminder of the enduring power of books to sustain a literate culture Through lyrical waves of memory Starova reveals his family's overlapping religious linguistic national and cultural histories His father left Constantinople as the Ottoman Empire collapsed and the young family fled from Albania to Yugoslav Macedonia when Luan was a boy His parents cosmopolitan and well traveled in their youth and steeped in the cultures of both Orient and Occident find themselves raising their children in yet another stagnant and repressive state Against this backdrop Starova remembers the protected spaces of his childhood his mother's walled garden his father's library the cupboard holding the rarest and most precious of his father's books Preserving a lost heritage these books also open up a world that seems wide deep and boundless

The Captain of the Janizaries James Meeker Ludlow, 1890 A novel about Ottoman Turkish slave soldiers Janizaries based upon historical documents ***The Captain of the Janizaries*** James M. Ludlow, 2021-04-26 In *The Captain of the Janizaries* James M. Ludlow immerses readers in the tumultuous world of the Ottoman Empire during the mid 17th century artfully weaving a narrative that explores themes of loyalty identity and the complexities of power The prose is characterized by its vivid imagery and intricate character development reflecting Ludlow's meticulous attention to historical detail Set against a backdrop of political intrigue and social upheaval this historical novel captures the essence of a period marked by its dynamic yet perilous sociopolitical landscape allowing readers to experience the dichotomy of ambition and morality faced by its protagonist Ludlow an avid historian with a passion for Ottoman studies draws on extensive research to bring this era to life His background in both literature and history informs his writing allowing him to construct a compelling narrative that resonates with authenticity The personal experiences and insights he gained during his travels in regions once under Ottoman rule deeply influenced the novel's themes enriching the text with a palpable sense of place and time Readers seeking a profound exploration of historical fiction will find *The Captain of the Janizaries* to be an enriching and immersive experience Ludlow's deft storytelling and nuanced character portrayals not only illuminate the intricacies of a fascinating culture but also invite reflection on timeless human dilemmas This novel is a must read for anyone interested in the intersections of history and literature

Defenders of the West Raymond Ibrahim, 2022-07-26 A riveting account of the lives and epic battles of eight Western defenders against violent Islamic jihad that sheds much needed light on the enduring conflict with radical Islam In *Defenders of the West* the author of *Sword and Scimitar* follows up with vivid and dramatic profiles of eight extraordinary warriors some saints some sinners who defended the Christian West against Islamic invasions Discover the real Count Dracula Spain's El Cid England's Richard Lionheart and

many other historical figures whose true and original claim to fame revolved around their defiant stance against jihadist aggression *Defenders of the West* is an instructive and inspiring read Whereas *Sword and Scimitar* revolved around decisive battles *Defenders of the West* revolves around decisive men **The Siege** Ismail Kadare, 2010-02-12 From Ismail Kadare winner of the inaugural Man Booker International Prize a novelist in the class of Coetzee Pamuk Marquez and Rushdie the stunning new translation of one of his major works In the early fifteenth century as winter falls away the people of Albania know that their fate is sealed They have refused to negotiate with the Ottoman Empire and war is now inevitable Soon enough dust kicked up by Turkish horses is spotted from a citadel Brightly coloured banners hastily constructed minarets and tens of thousands of men fill the plain below From this moment on the world is waiting to hear that the fortress has fallen The *Siege* tells the enthralling story of the weeks and months that follow of the exhilaration and despair of the battlefield the constantly shifting strategies of war and those whose lives are held in the balance from the Pasha himself to the artillerymen astrologer blind poet and harem of women who accompany him Believe me the general said I've taken part in many sieges but this he waved towards the castle walls is where the most fearful carnage of our times will take place And you surely know as well as I do that great massacres always give birth to great books You really do have an opportunity to write a thundering chronicle redolent with pitch and blood and it will be utterly different from the graceful whines composed at the fireside by squealers who never went to war Brilliantly vivid as insightful as it is compelling *The Siege* is an unforgettable account of the clash of two great civilisations and a portrait of war that will resonate across the centuries Vlad Dracula Michael Augustyn, 2014-04-11 Most of the vast audience attracted to the subject of Dracula know him only in his fictional one dimensional form vampire Yet the truth behind the historical character voevode warlord of 15th C Romania is at least as equally fascinating as any contrived account of his supernatural persona Vlad Dracula faithfully follows his life story as hostage fugitive prince and prisoner as well as his legend His principality of Wallachia was caught between two voracious predators the kingdom of Hungary and the Ottoman empire They tried to break Dracula with overwhelming force and terror But Dracula turned their own tactics against them and against criminals and factions in his own land earning the name Tepes The Impaler in the process He was a strange mix of husband father soldier statesman and berserker He annihilated 50 000 people one tenth of his own population Cursed by his native Orthodox Christian Church he indeed evolved into a legend But even today he is Romania's Robin Hood *Albanian Identity in History and Traditional Performance* Eno Koço, 2021-07-05 This book represents a group of individual musical essays collected under common Albanian themes with a particular focus on historical identities and traditional musical performance It shows that at the beginning of the 18th century there was a growing interest in representing the Albanian hero Scanderbeg on the operatic stage as some well known composers of baroque music began to place a greater emphasis on music's dramatic power to elicit emotional response The book also notes that this sense of drama was also incorporated into the vocal forms such as opera *The Albanians* Edwin E.

Jacques,2012-03-21 Historically described as mysterious and xenophobic Albania and its people are little known to most westerners But they are near the center of age old explosive Balkan conflicts With the employment of Albanian French Italian and many other documentary sources the roots of Albanian civilization the struggle of the Albanians to maintain their cultural and linguistic integrity the impact of foreign influence on the country and its recent move toward democracy are all detailed here *Sons of the Eagle* Ronald Matthews,1937 Medieval Europe 250-1450 Christian Raffensperger,Florin Curta,2025-09-30 Providing an inclusive history of the entire territory and people of medieval Europe from 250 to1450 this volume examines not just the political history but the rich social and cultural history too European history has functioned as a defining force in the modern worldview of many countries and their citizens Whether viewed positively or negatively that history has shaped the world in many ways To understand Europe it is essential to have a clear view of its medieval history Proceeding from the decline of the Roman Empire with the arrival of Germanic and Turkic peoples through the development of polities in medieval Europe from Iberia to Ireland Scandinavia to Sicily and all the way to the taiga European history grows and changes over the medieval period which we bring to a close with the final fall of Rome the capture of Constantinople by the Ottomans in 1453 Traditional histories of medieval Europe focus primarily on the West This history attempts to include the breadth of the continent from Scandinavia to the Mediterranean and from the Atlantic to the Urals from the nomads of the steppe to the Sami herders in the north and from the vernacular literacies of Alfred the Great of Wessex to Boris s kingdom in Bulgaria The chapters pair eastern and western elements to help make the point that all of Europe was undergoing changes not only the west who then pushed those changes onto the east which has been the common narrative Medieval Europe 250 1450 is essential reading for all students of Medieval Europe and in particular those who wish to understand the interactions and parallels between east and west north and south Memoirs of a Janissary Konstanty Michałowicz,1975 *Scanderbeide* Margherita Sarrocchi,2007-11-01 The first historical heroic epic authored by a woman Scanderbeide recounts the exploits of fifteenth century Albanian warrior prince George Scanderbeg and his war of resistance against the Ottoman sultanate Filled with scenes of intense and suspenseful battles contrasted with romantic episodes Scanderbeide combines the action and fantasy characteristic of the genre with analysis of its characters motivations In selecting a military campaign as her material and epic poetry as her medium Margherita Sarrocchi 1560 1617 not only engages in the masculine subjects of political conflict and warfare but also tackles a genre that was until that point the sole purview of men First published posthumously in 1623 Scanderbeide reemerges here in an adroit English prose translation that maintains the suspense of the original text and gives ample context to its rich cultural implications **Crescent Dawn** Si Sheppard,2025-02-27 A groundbreaking new history of the wars of the Ottoman Expansion a truly global conflagration that crisscrossed three continents and ultimately defined the borders and future of a modern Europe The determined attempt to thwart Ottoman dominance was fought across five theaters from the Balkans to the Mediterranean and the Indian Ocean

from Persia to Russia This intercontinental melee is expertly re told in this fascinating new history by historian Si Sheppard But this is not the story of a clash of civilizations between East and West as you might assume Europe was not united against the Turks the scandal of the age was the alliance between King Francis I of France and Sultan Suleiman the Magnificent Meanwhile the resistance of the Saadi dynasty of Morocco to Ottoman encroachment played a critical role in denying Constantinople direct access to the Atlantic Ocean By the same token though religious imperatives were critical to the motivations of all the key actors involved these in no way fell neatly along the Christian Muslim divide Crescent Dawn expertly shows how the Holy Roman Emperor Charles V desired nothing more than to eradicate the Protestant heresy metastasizing throughout his domains but the threat of Turkish invasion forced him to stay his hand and indulge his Lutheran subjects to ensure a common defense Nevertheless the collective effort to constrain the expansion of the Ottoman superpower did succeed with the ultimate victory in 1571 the tipping point in reordering the trajectory of history Crescent Dawn features some of the legendary figures of the era from Mehmet the Conqueror and Suleiman the Magnificent on the Ottoman side to Charles V and Vasco de Gama on the other and some of the most exotic locales on Earth from the sumptuous palaces of Constantinople to the bloody battlefields of the Balkans to the awe inspiring mountains of Ethiopia This is a colorful history that brings the great battles of the age to life and clearly shows how the western struggle against the Ottomans constituted the first truly world war

The Borgias G. J. Meyer, 2013-04-02 The startling truth behind one of the most notorious dynasties in history is revealed in a remarkable new account by the acclaimed author of *The Tudors* and *A World Undone* Sweeping aside the gossip slander and distortion that have shrouded the Borgias for centuries G J Meyer offers an unprecedented portrait of the infamous Renaissance family and their storied milieu They burst out of obscurity in Spain not only to capture the great prize of the papacy but to do so twice Throughout a tumultuous half century as popes statesmen warriors lovers and breathtakingly ambitious political adventurers they held center stage in the glorious and blood drenched pageant known to us as the Italian Renaissance standing at the epicenter of the power games in which Europe s kings and Italy s warlords gambled for life and death stakes Five centuries after their fall a fall even more sudden than their rise to the heights of power they remain immutable symbols of the depths to which humanity can descend Rodrigo Borgia who bought the papal crown and prostituted the Roman Church Cesare Borgia who became first a teenage cardinal and then the most treacherous cutthroat of a violent time Lucrezia Borgia who was as shockingly immoral as she was beautiful These have long been stock figures in the dark chronicle of European villainy their name synonymous with unspeakable evil But did these Borgias of legend actually exist Grounding his narrative in exhaustive research and drawing from rarely examined key sources Meyer brings fascinating new insight to the real people within the age encrusted myth Equally illuminating is the light he shines on the brilliant circles in which the Borgias moved and the thrilling era they helped to shape a time of wars and political convulsions that reverberate to the present day when Western civilization simultaneously wallowed in appalling

brutality and soared to extraordinary heights Stunning in scope rich in telling detail G J Meyer s *The Borgias* is an indelible work sure to become the new standard on a family and a world that continue to enthrall Praise for *The Borgias* A vivid and at times startling reappraisal of one of the most notorious dynasties in history If you thought you knew the Borgias this book will surprise you Tracy Borman author of *Queen of the Conqueror* and *Elizabeth s Women* The mention of the Borgia family often conjures up images of a ruthless drive for power via assassination serpentine plots and sexual debauchery G J Meyer convincingly looks past the mythology to present a more nuanced portrait Booklist Meyer brings his considerable skills to another infamous Renaissance family the Borgias and a fresh look into the machinations of power in Renaissance Italy He makes a convincing case that the Borgias have been given a raw deal Historical Novels Review Fascinating a gripping history of a tempestuous time and an infamous family Shelf Awareness *12 Muslim Revolutions, and the Struggle for Legitimacy Against the Imperial Powers* Carl Max Kortepeter, 2017-02-24 In *Twelve Muslim Revolutions* Professor Kortepeter presents a broadly encompassing study of the medieval and modern history of the central lands of Islam over a period of centuries Told in three parts 1 Revolutions from pre Islamic Arabia to the Ottoman Turks 2 The imperial powers establishing footprints in the Middle East in the eighteenth to the twentieth centuries and 3 American presidents and their inability to fully comprehend the complexities of the Middle East since World War II This narrative is told in a very personal manner borne of on the ground experience in those lands an essential read for anyone wishing to comprehend the story of the Middle East present past and future University students scholars and policy makers alike will find Kortepeters insights equally compelling

Light and Shadow Michael L. Galaty, Ols Lefe, Wayne E. Lee, Zamir Tafilica, 2013-12-31 Employing survey archaeology excavation ethnographic study and multinational archival work the Shala Valley Project uncovered the many powerful creative ways whereby the men and women of Shala shaped their world through dynamic world systemic relationships with the powers that surrounded but never fully conquered them The Shala Valley Project presents the highlanders the malesore in the full complexity of their lives while also unveiling a new deeper history for the region a history that reaches back to an unexpected fortified Iron Age site Light and Shadow tells many stories Archaeologists historians and students of tribes of empires of imperial indigenous relations of blood feud of kinship of the built landscape of world systems theory and sustainability science and more will find much here to digest The people of Shala to which Light and Shadow is dedicated may serve as an example in our modern age one in which persistent tribal peoples still fight for their survival and seek to preserve some degree of independence from capitalist economies bent on their incorporation A History of Ottoman Architecture John Freely, 2011 This text is focused on the history of the extant buildings in the Republic of Turkey The book begins with a brief history of the Ottoman Empire and develops by outlining the main features of Ottoman architecture and discusses the biography of the great Ottoman architect Sinan *Hitler's Jihadis* Jonathan Trigg, 2011-11-30 As the West finds itself embroiled in conflict with radical Islam at home and abroad it is fascinating to hear the echoes of militant Islam

from the Second World War and the Nazis attempt to preach Jihad against the British Empire and Stalin Hitler's Jihadis tells the story of the tens of thousands of Muslims from as far away as India who volunteered to wear the SS double lightning flashes and serve alongside their erstwhile conquerors Jonathan Trigg gives insight into the pre war politics that inspired these Islamic volunteers who for the most part did not survive Those who did survive the war and the bloody retribution that followed saw the reputation of the units in which they served in berated as militarily inept and castigated for atrocities against unarmed civilians Using first hand accounts and official records Hitler's Jihadis peels away the propaganda to reveal the complexity that lies at the heart of the story of Hitler's most unlikely Aryans Journeys to Albania; Land of Besa Kalman Dubov, 2024-02-18 Although tiny in comparison with other European countries Albania looms large in terms of its people culture and history Blessed by an abundance of natural resources together with the resourcefulness of its people it stands strong in the face of much larger countries that have tried to control it and subjugate its people In the face of overwhelming odds Albania stood firm refusing to be subdued to others despite that dominant country remaining on its soil for centuries Descendants from the ancient Illyrians a relatively unknown group together with an obscure language unlike any other in Europe its people are a mystery and a conundrum in the face of larger and more powerful countries The Ottoman Empire for example dominated Albania and the Balkans for five centuries but were unable to subjugate these people Albanian embers for independence were nurtured and kept alive until in the end it achieved its national aspirations Its core identity remained unchanged and strong in the face of such challenge Perhaps the most remarkable aspect of Albanian is the concept of besa a term denoting a code of honor Once given to another whether an Albanian or a stranger the Albanian would rather forfeit his life than violate this code and promise It was due to this concept and code that Jews in Albania were protected and every manner of succor was extended to them Albania remains the only country in Nazi occupied Europe when at the end of that world war there was an increase in its Jewish population rather than the reverse The Nazis considered the Jewish population in Albania to be about 200 persons In fact by war's end 2 000 people emerged relating tales of the extraordinary courage and heroism extended to them by either Muslim or Christian Albanians To date the State of Israel's Yad Vashem has recognized 75 Albanians for its prestigious award of Righteous Among the Nations Ironically the very same code of honor that protected Jews during World War Two is now used by Albanians to perpetrate criminality across the world The Albanian Mafia controls a vast international enterprise overseeing every form of crime At its basest element the clannish hallmark of its membership is based on familial connections with the code of besa given to its leadership and other members Thereby all in the clan are considered family for whom the code connects and protects demanding total unquestioned obedience Efforts to infiltrate these clans has proven an impossible task because of the interconnected webs of duty and control exerted on all in that organization Betrayal of the clan is a violation of family and community so that total obedience is a given at all times Hence the same nobility of besa is also used negatively against society and normative social

frameworks In addition Albania still retains the cultural phenomenon of the third sex where women become sworn virgins They are released from their traditional feminine role and become a man doing so by a formal oath given to twelve elders in the community Afterwards none may remind this man of a previous life as a woman Though the number of sworn virgins in Albania is small it is still present and any woman may assume this transformation despite modernity and its claims of equality The Albanian diet reflects its Mediterranean culture using olive oil and an array of vegetables that provides an abundance of health to its people There is much to learn from this ancient society I hope this book does justice to the many traditions and culture of this unique people **The History of the World; a Survey of a Man's Record** Hans Ferdinand Helmolt,1907

Skanderbeg The Janissaries Book Review: Unveiling the Power of Words

In a world driven by information and connectivity, the energy of words has become more evident than ever. They have the ability to inspire, provoke, and ignite change.
