Skating Heidens:

The Skating Heidens Mary Virginia Fox, 1981 Traces the careers of two American speed skaters who won medals at the 1980 winter Olympics **A Basic Guide to Speed Skating** United States Olympic Committee, 2002 Provides information on such aspects of speed skating as the history of Olympic competition clubs and associations fundamentals of the sport skates fitness and nutrition safety and first aid and more Describes Olympic and speed skating organizations **Eric Heiden** Nathan Aaseng, 1980 Presents the skating career of Eric Heiden the American speedskater who won five gold medals at the 1980 Olympics *American Sports* Murry R. Nelson, 2013-05-23 America loves sports This book examines and details the proof of this fascination seen throughout American society in our literature film and music our clothing and food and the iconography of the nation This momentous four volume work examines and details the cultural aspects of sport and how sport pervasively reflects and affects myriad aspects of American society from the early 1900s to the present day Written in a straightforward readable manner the entries cover both historical and contemporary aspects of sport and American culture Unlike purely historical encyclopedias on sports the contributions within these volumes cover related subject matter such as poetry novels music films plays television shows art and artists mythologies artifacts and people While this encyclopedia set is ideal for general readers who need information on the diverse aspects of sport in American culture for research purposes or are merely reading for enjoyment the detailed nature of the entries will also prove useful as an initial source for scholars of sport and American culture Each entry provides a number of both print and online resources for further investigation of the topic *Wheelmen* Reed Albergotti, Vanessa O'Connell, 2014-07-01 The sensational New York Times bestselling in depth look at Lance Armstrong s doping scandal the phenomenal business success built on the back of fraud and the greatest conspiracy in the history of sports Now with a new afterword Lance Armstrong won a record smashing seven Tours de France after staring down cancer and in the process became an international symbol of resilience and courage In a sport constantly dogged by blood doping scandals he seemed above the fray Then in January 2013 the legend imploded He admitted doping during the Tours and in an interview with Oprah described his mythic perfect story as one big lie But his admission raised more questions than it answered because he didn t say who had helped him dope or how he skillfully avoided getting caught The Wall Street Journal reporters Reed Albergotti and Vanessa O Connell broke the news at every turn In *Wheelmen* they reveal the broader story of how Armstrong and his supporters used money power and cutting edge science to conquer the world s most difficult race *Wheelmen* introduces U S Postal Service Team owner Thom Weisel who in a brazen power play ousted USA Cycling s top leadership and gained control of the sport in the United States ensuring Armstrong s dominance Meanwhile sponsors fought over contracts with Armstrong as the entire sport of cycling began to benefit from the Lance effect What had been a quirky working class hobby became the pastime of the Masters of the Universe set *Wheelmen* offers a riveting look at what happens when enigmatic genius breaks loose from the strictures of

morality It reveals the competitiveness and ingenuity that sparked blood doping as an accepted practice and shows how the Americans methodically constructed an international operation of spies and revolutionary technology to reach the top It went on to become a New York Times Bestseller a Wall Street Journal Business Bestseller and win numerous awards including a Gold Medal for the Axiom Business Book Awards At last exposing the truth about Armstrong and American cycling Wheelmen paints a living portrait of what is without question the greatest conspiracy in the history of sports **Subject Catalog**
