**Badile Album of Drawings: The Origins of Collecting Drawings in Early Modern Northern Italy** Evelyn Karet,2017-07-05 Evelyn Karet s in depth study of the Antonio II Badile Album the earliest known example of an art collection pasted onto the pages of a book is both focused and broad in its appeal to those interested in the early modern era The provenance of the album is traced from its assemblage to the seventeenth century collection of Conte Lodovico Moscardo to its dismantling by the dealer Francis Matthiesen in the 1950s establishing that the volume conserved in the Frits Lugt Collection is not an original but a replica produced by Matthiesen Although Antonio II must be celebrated as the collector of the drawings new paleographic analysis has identified the actual compiler of the album after Antonio s death providing a terminus post quem in the late 1530s or early 1540s Karet enlarges the focus from the album itself to the historic tradition of collecting drawings in northern Italy in the early modern era before Vasari for which the album provides a new point of reference Throughout the book Karet discusses the Badile family examines the individual drawings in the book investigates the contacts between artists and humanists their rich diverse collections and the humanist mind set that fostered the appreciation of drawings She explores notable early drawing collections in northern Italy and the role of northern Italy as a

center of collection in the sixteenth and seventeenth centuries The book concludes with two appendices a reconstruction of the original album including a discussion of the reconstruction process suggestions about what the album originally looked like and a page by page guide to its contents and a detailed analysis of Francis Matthiesen s career This book opens up new areas of inquiry into an overlooked subject **American Egyptologist** Jeffrey Abt,2012-05-01 James Henry Breasted 1865 1935 had a career that epitomizes our popular image of the archaeologist Daring handsome and charismatic he traveled on expeditions to remote and politically unstable corners of the Middle East helped identify the tomb of King Tut and was on the cover of Time magazine But Breasted was more than an Indiana Jones he was an accomplished scholar academic entrepreneur and talented author who brought ancient history to life not just for students but for such notables as Teddy Roosevelt and Sigmund Freud In American Egyptologist Jeffrey Abt weaves together the disparate strands of Breasted s life from his small town origins following the Civil War to his evolution into the father of American Egyptology and the founder of the Oriental Institute in the early years of the University of Chicago Abt explores the scholarly philanthropic diplomatic and religious contexts of his ideas and projects providing insight into the origins of America s most prominent center for Near Eastern archaeology An illuminating portrait of the nearly forgotten man who demystified ancient Egypt for the general public American Egyptologist restores James Henry Breasted to the world and puts forward a brilliant case for his place as one of the most important scholars of modern times **Artist as Reporter** Jason E. Hill,2018-01-05 Active from 1940 to 1948 PM was a progressive New York City daily tabloid newspaper committed to the politics of labor social justice and antifascism and it prioritized the intelligent and critical deployment of pictures and their perception as paramount in these campaigns With PM as its main focus Artist as Reporter offers a substantial intervention in the literature on American journalism photography and modern art The book considers the journalistic contributions to PM of such signal American modernists as the curator Holger Cahill the abstract painter Ad Reinhardt the photographers Weegee and Lisette Model and the filmmaker photographer and editor Ralph Steiner Each of its five chapters explores one dimension of the tabloid s complex journalistic activation of modernism s potential showing how PM inserted into daily print journalism the most innovative critical thinking in the fields of painting illustration cartooning and the lens based arts Artist as Reporter promises to revise our own understanding of midcentury American modernism and the nature of its relationship to the wider media and public culture **The Creative Process in Music from Mozart to Kurtag** William Kinderman,2012-10-18 In this intriguing study William Kinderman opens the door to the composer s workshop investigating not just the final outcome but the process of creative endeavour in music Focusing on the stages of composition Kinderman maintains that the most rigorous basis for the study of artistic creativity comes not from anecdotal or autobiographical reports but from original handwritten sketches drafts revised manuscripts and corrected proof sheets He explores works of major composers from the eighteenth century to the present from Mozart s piano music and Beethoven s Piano Trio in F to Kurtag s Kafka Fragments

and Hommage a R Sch Other chapters examine Robert Schumann s Fantasia in C Mahler s Fifth Symphony and Bartok s Dance Suite Revealing the diversity of sources rejected passages and movements fragmentary unfinished works and aborted projects that were absorbed into finished compositions The Creative Process in Music from Mozart to Kurtag illustrates the wealth of insight that can be gained through studying the creative process Blackwells *Life, Times and Work of William Gillies, 1898-1973* Andrew McPherson,2024-11-30 For seventy years William Gillies has been seen as a placid painter of landscape and decorative still life Andrew McPherson explodes this view to reveal a modernist whose response to the instabilities and violence of modernity touched universals of human experience Gillies idiom was shaped by institutions for artistic production unique to Scotland But it was the politics of Scotland s connections to the rest of the British Isles that produced his mythic and misleading reputation New paintings and new meanings are uncovered placing the micro effects of modernity on mental health family and community in the wider contexts of war nationalism and public patronage McPherson also shows how this changing world led Gillies towards new applications of modernist expression Lavishly illustrated and referencing almost one thousand works this major reappraisal is an indispensable source on the cultural politics of a four nation state and the reception of modernism in Britain *Mural Painting in Britain 1840-1940* Clare A. P. Willsdon,2000 This survey sets state civic commercial church private and other murals in their historical and cultural contexts The book covers work by over 400 artists and numerous murals never previously documented or illustrated **American Drawings and Watercolors in the Metropolitan Museum of Art** Kevin J. Avery, Metropolitan Museum of Art (New York, N.Y.),2002 The Metropolitan Museum began acquiring American drawings and watercolors in 1880 just ten years after its founding Since then it has amassed more than 1 500 works executed by American artists during the eighteenth and nineteenth centuries in watercolor pastel chalk ink graphite gouache and charcoal This volume documents the draftsmanship of more than 150 known artists before 1835 and that of about 60 unidentified artists of the period It includes drawings and watercolors by such American masters as John Singleton Copley John Trumbull John Vanderlyn Thomas Cole Asher Brown Durand George Inness and James Abbott McNeill Whistler Because the 504 works illustrate such a wide range of media techniques and styles this publication is a veritable history of American drawing from the eighteenth through most of the nineteenth century Metropolitan Museum of Art website [Music Sketches](#) Friedemann Sallis,2015-01-29 The term music sketch relates to the vast variety of documents that are used by composers to work out a musical technique or idea and to prepare their work for performance or publication These documents can often provide crucial insights into authorship biography editorial practice and musical analysis This introduction provides students and scholars with the knowledge and skills they need to embark on research projects involving the study of composers working documents Presenting examples of the compositional process over a 400 year period it includes a selection of detailed case studies on how sketches were created and the techniques that were used such as transcription and the sorting of loose leaves Numerous illustrations of

manuscripts and autographs many of which have never been published before show how these vital documents can be used to better understand compositional processes
