Skin To Skin Eroticism In Dress:

Skin to Skin Prudence Glynn, 1982 **Sex and Suits** Anne Hollander, 2016-08-25 Since the dawn of western fashion in the Middle Ages women's dress has never stopped evolving yet menswear has seen far fewer style revolutions At the centre of the male wardrobe is the suit relatively unchanged since the 17th century its cut and cloth suggest athleticism seriousness sexuality and strength qualities which contrasted with the perceived superficiality and frivolity of female dress and eventually led to the adoption of the suit into the female wardrobe where it remains to this day In *Sex and Suits* brilliant essayist and art critic Anne Hollander charts the development of men's and women's fashion from their divergence in the medieval period to their convergence through to the late 20th century Challenging the idea that the suit's success is merely down to its practicality this trailblazing book argues that men have been fashion's true style setters and that as women's fashion has taken on elements of men's style through tailoring so men have reclaimed the embellishment and colour of past eras First published in 1994 to great acclaim this classic text is as fresh and provocative as ever and remains a must read for students scholars and anyone fascinated by the history of fashion and gender **Fashion and Eroticism** Valerie Steele, 1985 Looks at the evolution of fashion argues that Victorian clothing for women was erotic rather than prudish and discusses the psychological aspects of fashion **The Costume Designer's Handbook** Rosemary Ingham, Liz Covey, 2024-03-27 The *Costume Designer's Handbook* is the definitive guide for both aspiring and seasoned costume designers blending the art and business of theatrical costume design since its inception in 1983 Rosemary Ingham and Liz Covey offer deep insights into play analysis historical research collaboration techniques drafting and setting up an effective workspace The book addresses the practicalities of the industry including job market navigation freelancing contracts and taxes With over 150 illustrations an 8 page color insert and a comprehensive reference section for resources this handbook encapsulates the essence of costume design making it an indispensable resource for professionals in the field **The Costume Technician's Handbook** Rosemary Ingham, Liz Covey, 2024-03-11 Since its first publication in 1980 *The Costume Technician's Handbook* has established itself as an indispensable resource in classrooms and costume shops Ingham and Covey draw on decades of hands on experience to provide the most complete guide to developing costumes that are personally distinctive and artistically expressive No other book covers the same breadth of necessary topics for every aspect of costuming from the basics of setting up a costume shop to managing one and everything in between **The Erotic Cloth** Alice Kettle, Lesley Millar, 2018-02-08 Through their metaphorical and material qualities textiles can be seductive exciting intimate and at times shocking and disquieting This book is the first critical examination of the erotically charged relationship between the surface of the skin and the touch of cloth exploring the ways in which textiles can seduce conceal and reveal through their interactions with the body From the beautiful cloth which is quietly suggestive to bold expressions of deviant sexuality cloth is a message carrier for both desiring and being desired The drape fold touch and feel the sound and look of cloth in motion

allow for the exploration of identity as a sensual gendered or political experience The book features contributions on the sensory rustle and drape of silk taffeta and the secret pleasures of embroidery on fetishistic punk street style and homoerotic intimacy in men's shirts on screen and a new perspective on the role of cloth and skin in the classic film Blade Runner In doing so it interrogates experiences of cloth within social historical psychological and cultural contexts Divided into four sections on representation design otherness and performance The Erotic Cloth showcases a variety of debates that are at the heart of contemporary textile research drawing on the fields of art design film performance culture and politics Playful provocative and beautifully illustrated with over 50 color images it will appeal to students and scholars of textiles fashion gender art and anthropology

Art Inspiring Transmutations of Life Patricia Trutty Coohill, 2010-09-02 Although the creative impulse surges in revolt against everyday reality breaking through its confines it makes pacts with that reality's essential laws and returns to it to modulate its sense In fact it is through praxis that imagination and artistic inventiveness transmute the vital concerns of life giving them human measure But at the same time art's inspiration imbues life with aesthetic sense which lifts human experience to the spiritual Within these two perspectives art launches messages of specifically human inner propulsions strivings ideals nostalgia yearnings prosaic and poetic profane and sacral practical and ideal while standing at the fragile borderline of everydayness and imaginative adventure Art's creative perduring constructs are intentional marks of the aesthetic significance attributed to the flux of human life and reflect the human quest for repose They mediate communication and participation in spirit and sustain the relative continuity of culture and history

Sportswomen in Cinema considers both documentary and fiction films from a variety of periods and cultures by directors including Kathryn Bigelow Gurinder Chadha Im Soon rye George Kukor Ida Lupino and Leni Riefenstahl Drawing from psychoanalytic and phenomenological theories the book presents a series of landmark close readings of films featuring a variety of different forms of athletic activity including baseball basketball bodybuilding boxing climbing football rollerderby surfing tennis and track and field In focusing on themes such as gesture screen space and sound it moves beyond a purely narrative analysis of sports films What s more as well as building on existing scholarship in sports studies to argue that sport should always be conceived of as more than simply competitive the book also contributes to ongoing efforts in film theory to foster new feminist discourses on sexual difference The ideas of thinkers such as Judith Butler Bracha Ettinger Griselda Pollock and Michel Serres are employed to explore how films featuring female athletes reflect changing perspectives on femininity and sexuality and also potentially contribute to transforming our perceptions about sportswomen and cinema *Sportswomen in*

anticipation that made her breath catch in her throat When the first smack landed the sharp sound of palm against flesh cracked through the air like summer lightning followed an instant later by a sting that made Alice gasp aloud Oh The exclamation escaped her lips before she could contain it her body jerking forward against the wall The warmth of the bricks pressed against her palms a steadying presence as a curious heat bloomed across the right cheek of her bottom Alice s Erotic Journey Through the Looking Glass is a sensual reimagining of the classic story daringly transformed into a luscious tapestry of desire decadence and playful taboo A year after her unforgettable adventures in Wonderland 21 year old Alice once again finds herself stepping beyond the ordinary this time through the shimmering surface of a mirror into a world where every reflection holds temptation and every square of the great chessboard world promises a new lesson in pleasure Here the prim rules of Victorian decorum shatter into shards of silk and sin Alice finds herself in a garden of wickedly sensuous flowers among mirror born versions of herself who tease tempt and teach The worldly Walrus and Carpenter introduce her to forbidden pleasures while an amorous Knight rides with her into passion s rhythm She crosses paths with the mischievous Tweedledee and Tweedledum whose fierce rivalry turns into daringly intimate contests and with Humpty Dumpty whose stern discipline awakens aching delicious desire And waiting at journey s end is the sultry Red Queen poised to lead Alice into the ultimate surrender and reveal the full unbridled power of her passions Exquisitely erotic wickedly imaginative and unapologetically daring Alice s Erotic Journey Through the Looking Glass picks up where Alice s Erotic Adventures in Wonderland left off More than a sequel it s a sumptuous invitation to strip away inhibitions and surrender to a realm where fantasy temptation and forbidden pleasure rule supreme Dare to step through the looking glass with Alice Dare to never look back

The Sexual Life of Our Time in Its Relations to Modern Civilization Ivan Bloch, 2021-04-22 The author s aim in writing this book was to write a complete Encyclop dia on the sexual sciences and it will probably be acknowledged by all who study its pages that the author has accomplished his intention in a very scholarly manner and in such form as to be of great value to the professions for whom this translation is intended The subject is no doubt one which appeals to and affects the interests of all adult persons but the publishers have after very serious and careful consideration come to the conclusion that the sale of the English translation of the book shall be limited to members of the legal and medical professions To both these professions it is essential that a knowledge of the science of Sex and the various causes for the existence of abnormals should be ascertained so that they may be guided in the future in their investigations into and the practice of attempts to mitigate the evil which undoubtedly exists and to bring about a more healthy class of beings It is the first time that the subject has been so carefully and fully gone into in the English language and it is believed that the very exhaustive examination which the author has made into the matter and the various cases to which he has called attention will be of considerable use to the medical practitioner and also to the lawyer in criminal and quasi criminal matters and probably in matrimonial disputes and cases of insanity
