Pretty Little Things to Fill Up the Void Simon Logan, 2007-11-01 In a city of chemical warehouses and entropic factories viral DJ s and anarchist skatepunks share the streets with nihilistic video game junkies and makeshift revolutionaries whilst pirate broadcasters battle against one another and renegade paramedics hijack the dead and dying for profit *Pretty Little Things to Fill Up the Void* is the story of four characters and their constantly intertwining lives as they search for meaning and purpose in a place that seems to deny either Elisabeth Afterlife a renegade documentarist haunted by the ghost of a bloody girl Catalina Rodriguez a fiery teenager and thrill seeker and the artists lovers Camille and Auguste And alongside all of them there is the mysterious Shiva lurking in her complex of workshops and moving devious chemical hands that will soon encompass all of the characters in an explosive point of singularity      **Sexing the Look in Popular Visual Culture** Kathy Justice Gentile, 2020-05-15 With dramatic advances in media technology the practice of sexing or erotically enhancing images has become an increasingly widespread phenomenon The eroticized look as both noun and verb the thing or image that draws our look and the look that we bestow on images that elicit our visual physiological and emotional attention is the focus of the essays in this volume Every day whether we are out in the world or in the workplace or in the privacy of our homes we enter visual fields that heighten and distort reality distortions that often emphasize sexuality and erotic promise The contributors for this collection look at the sexualization of visual culture from a range of disciplinary perspectives including literature film studies history philosophy art history and media studies with gender and sexuality studies providing the encompassing critical framework that binds these essays into a coherent analytical project The essays in this collection offer new theoretical conceptions of perception and representation as well as rigorous reconsiderations of the polarized feminist debates over pornographic images Essays on literature and film range from an interrogation of Baudrillard s theory of

seduction that posits femininity as a strategy of illusion and subversion to Bridget Jones's challenge to the prevailing disciplinary regime that prescribes rigid standards for feminine beauty to a reevaluation of the subversive potential of sexy female robots Other contributors consider the history of nudist images in US periodicals the proliferation of eroticized images of girls in new digital technologies gentlemanly masculinity in men's fashion in late Victorian England and a rape prevention campaign's unintentional reinforcement of persistent heterosexist misconceptions about rape
