Slaves Masters And The Art Of Authority In Plautine Comedy:

Slaves, Masters, and the Art of Authority in Plautine Comedy Kathleen McCarthy, 2009-01-10 What pleasures did Plautus heroic tricksters provide their original audience How should we understand the compelling mix of rebellion and social conservatism that Plautus offers Through a close reading of four plays representing the full range of his work Menaechmi Casina Persa and Captivi Kathleen McCarthy develops an innovative model of Plautine comedy and its social effects She concentrates on how the plays are shaped by the interaction of two comic modes the socially conservative mode of naturalism and the potentially subversive mode of farce It is precisely this balance of the naturalistic and the farcical that allows everyone in the audience especially those well placed in the social hierarchy to identify both with and against the rebel to feel both the thrill of being a clever underdog and the complacency of being a securely ensconced authority figure Basing her interpretation on the workings of farce and naturalism in Plautine comedy McCarthy finds a way to understand the plays patchwork literary style as well as their protean social effects Beyond this she raises important questions about popular literature and performance not only on ancient Roman stages but in cultures far from Plautus Rome How and why do people identify with the fictional figures of social subordinates How do stock characters happy endings and other conventions operate How does comedy simultaneously upset and uphold social hierarchies Scholars interested in Plautine theater will be rewarded by the detailed analyses of the plays while those more broadly interested in social and cultural history will find much that is useful in McCarthy's new way of grasping the elusive ideological effects of comedy Renaissance of Comedy Richard F. Hardin, 2017-11-08 The fifteenth century discovery of Plautus's lost comedies brought him for the first time since antiquity the status of a major author both on stage and page It also led to a reinvention of comedy and to new thinking about its art and potential This book aims to define the unique contribution of Plautus detached from his fellow Roman dramatist Terence and seen in the context of that European revival first as it took shape on the Continent The heart of the book with special focus on English comedy ca 1560 to 1640 analyzes elements of Plautine technique during the period as differentiated from native and Terentian considering such points of comparison as dialogue asides metadrama observation scenes characterization and atmosphere This is the first book to cover this ground raising such questions as How did comedy rather suddenly progress from the interludes and brief plays of the early sixteenth century to longer more complex plays What did Plautus mean to playwrights and readers of the time Plays by Shakespeare Jonson and Middleton are foregrounded but many other comedies provide illustration and support The Cambridge Companion to the Roman **Republic** Harriet I. Flower, 2014-06-23 This second edition examines all aspects of Roman history and contains a new introduction three new chapters and updated bibliographies You Are My Slaves Martijn J. Stoutjesdijk, 2024-12-16 Some of the slavery parables in the New Testament have been called texts of terror as the slaves who are portrayed in them are beaten or even cut in two Despite or because their violence slavery parables are often used in early Christian and early

rabbinic literature to illustrate the unique relationship between God and his people This study investigates the reasons for and meaning of using the master slave metaphor in the parables what does it tell us about early Christian and early rabbinic theology including possibilities for critique and resistance vis vis the divine and what does it say about slavery in the ancient Rudens Plautus, 2013-01-17 The play Rudens provides an introduction to the world of Roman comedy from one of its best practitioners Plautus As with all Focus translations the emphasis is on an inexpensive readable edition that is close to the original with an extensive introduction notes and appendices Captivi Plautus, 2013-01-17 The play Captivi provides an introduction to the world of Roman comedy from one of its best practitioners Plautus As with all Focus translations the emphasis is on an inexpensive readable edition that is close to the original with an extensive introduction notes and The Facts on File Companion to Classical Drama John E. Thorburn, 2005 Surveys important Greek and Roman appendices authors plays characters genres historical figures and more Amphitryon Plautus, 2013-01-17 The play Amphitryon provides an introduction to the world of Roman comedy from one of its best practitioners Plautus As with all Focus translations the emphasis is on an inexpensive readable edition that is close to the original with an extensive introduction notes and appendices Casina Plautus, 2013-01-17 The play Casina provides an introduction to the world of Roman comedy from one of its best practitioners Plautus As with all Focus translations the emphasis is on an inexpensive readable edition that is close to the original with an extensive introduction notes and appendices The Bride in the Cultural **Imagination** Jo Parnell, 2020-11-13 This essay collection examines the cultural and personal world of girls and women at a time when their lives their person their realities and their status are about to change forever Together the chapters cleverly create an in depth study of the subject and look at several cultural forms to offer a different approach to the popularly held views of the bride The critical essays in this edited collection are thematically driven and include global perspectives of the portrayals of the bride in the films stage productions and pop culture narratives from Nigeria Kenya Uganda Tanzania Spain Ancient Greece and Ancient Rome Tajikistan India Egypt and the South Eastern Indian Ocean Islands This multinational approach provides insight into the intricacies customs practices and life styles surrounding the bride in various Eastern and Plautus: Casina David Christenson, 2019-01-10 This is the first volume dedicated to Plautus Western cultures perennially popular comedy Casina that analyses the play for a student audience and assumes no knowledge of Latin It launches a much needed new series of books each discussing a comedy that survives from the ancient world Four chapters highlight the play s historical context themes performance and reception including its reflection of recent societal trends in marriage and property ownership by women after the Punic Wars and its complex dynamics on stage It is ideal for students but helpful also for scholars wanting a brief introduction to the play Casina pits a husband Lysidamus and wife Cleostrata against each other in a struggle for control of a 16 year old slave named Casina Cleostrata cleverly plots to frustrate the efforts of her lascivious elderly husband staging a cross dressing marriage that culminates in his complete humiliation The

play provides rich insights into relationships within the Roman family This volume analyses how Casina addresses such issues as women s status and property rights the distribution of power within a Roman household and sexual violence all within a compellingly meta comic framework from which Cleostrata emerges as a surprising comic hero It also examines the play s enduring popularity and relevance Classical Comedy Aristophanes, Menander, Plautus, Terence, 2006-09-28 From the fifth to the second century BC innovative comedy drama flourished in Greece and Rome This collection brings together the greatest works of Classical comedy with two early Greek plays Aristophanes bold imaginative Birds and Menander's The Girl from Samos which explores popular contemporary themes of mistaken identity and sexual misbehaviour and two later Roman comic plays Plautus The Brothers Menaechmus the original comedy of errors and Terence's bawdy yet sophisticated double love plot The Eunuch Together these four plays demonstrate the development of Classical comedy celebrating its richness variety and extraordinary legacy to modern drama Plautus: Trinummus Seth A. Jeppesen, 2023-01-12 In this first introduction to Plautus Trinummus students and non specialists alike are guided through the themes context and enduring humor of this Roman comedy The play portrays the story of an elaborate game of keep away involving a hidden treasure a hot blooded spendthrift youth his pious sister her would be fiancee a con artist and the most unlikely of comic schemers a group of overly pious old men The conflict of the plot focuses on whether a pair of old men can help their absent friend Charmides by getting a dowry to his daughter without Charmides wastrel son Lesbonicus first spending the money on the usual comic debauchery The money is taken from a treasure hidden by Charmides when he left and a sycophant is hired to pretend to bring letters from Charmides along with the cash for the dowry Comic confusion ensues when Charmides returns from abroad just in time to intercept the con artist and overturn the scheming of his friends Long neglected Trinummus is one of many Plautine plays that is experiencing a resurgence This volume elucidates the humor of the play which is largely based on parody and clever inversions of typical characters and situations from Roman comedy This discussion is accompanied by an examination of the religious social and historical context of the play as well as its modern reception The genuine humor of Trinummus has something to say to modern readers as it showcases how parody can skewer those engaged in pompous moral posturing and presents readers with a playwright who astutely views issues of imperialism and moral justification through a comic lens The Mind of the Master Class Elizabeth Fox-Genovese, Eugene D. Genovese, 2005-10-17 The Mind of the Master Class tells of America's greatest historical tragedy It presents the slaveholders as men and women a great many of whom were intelligent honorable and pious It asks how people who were admirable in so many ways could have presided over a social system that proved itself an enormity and inflicted horrors on their slaves The South had formidable proslavery intellectuals who participated fully in transatlantic debates and boldly challenged an ascendant capitalist free labor society Blending classical and Christian traditions they forged a moral and political philosophy designed to sustain conservative principles in history political economy social theory and theology while translating them into political action

Even those who judge their way of life most harshly have much to learn from their probing moral and political reflections on their times and ours beginning with the virtues and failings of their own society and culture **Roman Drama and its** Contexts Stavros Frangoulidis, Stephen J. Harrison, Gesine Manuwald, 2016-03-21 Roman plays have been well studied individually even including fragmentary or spurious ones more recently However they have not always been placed into their context though plays just like items in other literary genres benefit from being seen in context This edited collection aims to address this issue it includes 33 contributions by an international team of scholars discussing single plays or Roman dramatic genres including comedy tragedy and praetexta from both the Republican and imperial periods in contexts such as the literary tradition the relationship to works in other literary genres the historical and social situation the intellectual background or the later reception Overall they offer a rich panorama of the role of Roman drama or individual plays in Roman society and literary history The insights gained thereby will be of relevance to everyone interested in Roman drama or literature more generally comparative literature or drama and theatre studies This contextual approach has the potential of changing the way in which Roman drama is viewed A Companion to Plautus Dorota Dutsch, George Fredric Franko, 2020-02-25 An important addition to contemporary scholarship on Plautus and Plautine comedy provides new essays and fresh insights from leading scholars A Companion to Plautus is a collection of original essays on the celebrated Old Latin period playwright A brilliant comic poet Plautus moved beyond writing Latin versions of Greek plays to create a uniquely Roman cultural experience worthy of contemporary scholarship Contributions by a team of international scholars explore the theatrical background of Roman comedy the theory and practice of Plautus dramatic composition the relation of Plautus works to Roman social history and his influence on later dramatists through the centuries Responding to renewed modern interest in Plautine studies the Companion reassesses Plautus works plays that are meant to be viewed and experienced to reveal new meaning and contemporary relevance Chapters organized thematically offer multiple perspectives on individual plays and enable readers to gain a deeper understanding of Plautus reflection of and influence on Roman society Topics include metatheater and improvisation in Plautus the textual tradition of Plautus trends in Plautus Translation and modern reception in theater and movies Exploring the place of Plautus and Plautine comedy in the Western comic tradition the Companion Addresses the most recent trends in the study of Roman comedy Features discussions on religion imperialism slavery war class gender and sexuality in Plautus work Highlights recent scholarship on representation of socially vulnerable characters Discusses Plautus work in relation to Roman stages actors audience and culture Examines the plot construction characterization and comic techniques in Plautus scripts Part of the acclaimed Blackwell Companions to the Ancient World series A Companion to Plautus is an important resource for scholars instructors and students of both ancient and modern drama comparative literature classics and history particularly Roman history **Papers Presented at the Fourteenth** International Conference on Patristic Studies Held in Oxford 2003 Frances Margaret Young, Mark J. Edwards, Paul M.

Parvis,2006 **Ancient Rome** Matthew Dillon, Lynda Garland, 2015-06-26 In this second edition Ancient Rome presents an extensive range of material from the early Republic to the death of Augustus with two new chapters on the Second Triumvirate and The Age of Augustus Dillon and Garland have also included more extensive late Republican and Augustan sources on social developments as well as further information on the Gold Age of Roman literature Providing comprehensive coverage of all important documents pertaining to the Roman Republic and the Augustan age Ancient Rome includes source material on political and military developments in the Roman Republic and Augustan age 509 BC AD 14 detailed chapters on social phenomena such as Roman religion slavery and freedmen women and the family and the public face of Rome clear precise translations of documents taken not only from historical sources but also from inscriptions laws and decrees epitaphs graffiti public speeches poetry private letters and drama concise up to date bibliographies and commentaries for each document and chapter a definitive collection of source material on the Roman Republic and early empire Students of ancient Rome and classical studies will find this new edition invaluable at all levels of study Menaechmi Plautus, 2013-01-17 The play Menaechmi provides an introduction to the world of Roman comedy from one of its best practitioners Plautus As with all Focus translations the emphasis is on an inexpensive readable edition that is close to the original with an extensive introduction notes and appendices Roman Theatre Timothy J. Moore, 2012-05-03 An exciting series that provides students with direct access to the ancient world by offering new translations of extracts from its key texts

Enjoying the Melody of Term: An Mental Symphony within **Slaves Masters And The Art Of Authority In Plautine Comedy**

In a world taken by monitors and the ceaseless chatter of instantaneous communication, the melodic splendor and emotional symphony developed by the written word usually diminish into the background, eclipsed by the constant sound and interruptions that permeate our lives. However, located within the pages of **Slaves Masters And The Art Of Authority In Plautine Comedy** an enchanting literary treasure brimming with fresh emotions, lies an immersive symphony waiting to be embraced. Constructed by an elegant musician of language, that interesting masterpiece conducts viewers on a psychological trip, well unraveling the concealed songs and profound influence resonating within each cautiously constructed phrase. Within the depths with this touching assessment, we can discover the book is central harmonies, analyze its enthralling writing design, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
