Marine Issues Peter N. Ehlers, Elisabeth Mann-Borgese, Rüdiger Wolfrum, Cristina Hoß, 2002-04-01 This volume collects a number of essays and articles from about twenty experts in various fields connected to marine environmental issues These essays were first presented at the XXVIII Pacem in Maribus Conference held in December 2000 at the International Tribunal of the Law of the Sea in Hamburg Germany The purpose of

the Conference was to enhance awareness of the European public governments the private sector and academia about the importance of responsible ocean and coastal management based on ocean science Reflecting the innovative interdisciplinary approach of the conference these volume groups contributors from leading biologists political scientists geographers and jurists according to specific regional relevance and not along strict disciplinary lines This approach allows the experts to treat marine issues concerning regions such as the North Sea the Baltic Sea or the Black Sea in a comprehensive manner This collection could become an essential instrument for scholars and scientists working within the field of marine environmental issues

The Marine Corps Gazette ,1963 **The Marines Magazine** ,1917 **Marine Life of Taiwan** Ming-shiou Jeng,2000 *Air University Library Index to Military Periodicals* ,1992 **Endangered Species and Fragile Ecosystems in the South China Sea** Alfredo C. Robles, Jr.,2019-11-16 This book presents an in depth analysis of the environmental issues raised in the South China Sea Arbitration Awards which have not attracted as much attention in the Philippines as the nine dash line Specifically it focuses on the conservation of endangered species and the conservation of fragile ecosystems in the South China Sea The aims of the book are two fold First it seeks to explain the Philippine perspective on the environmental aspects of its dispute with China The book reconstructs the Philippine perspective in part by consulting several dozens of the hundreds of documents that the Philippines submitted to the Tribunal Some of these documents were classified as secret and would thus have never been made available to the public had it not been for the arbitration Second it attempts to explain the decisions of the Tribunal on jurisdiction and admissibility as well as the decisions on the merits of the dispute The book does this by consulting not only the two Awards but also the hundreds of pages of transcripts expert reports supplemental submissions and written responses by the Philippines to questions posed by the Tribunal
