And Party Every Day Larry Alan Harris, 2009 Now it can be told The true behind the scenes story of Casablanca Records from an eyewitness to the excess and insanity Casablanca was not a product of the 1970s

it was the 1970s From 1974 to 1980 the landscape of American culture was a banquet of hedonism and self indulgence and no person or company in that era of narcissism and druggy gluttony was more emblematic of the times than Casablanca Records and its magnetic founder Neil Bogart And Party Every Day is a frontline look at the record label that exploded onto the 1970s music scene rising faster burning brighter and crashing in a more spectacular fashion than any other label in history From Bogart s daring first signing the positively pyrotechnic Kiss through the discovery and superstardom of Donna Summer and the Village People not to mention extraterrestrial funk master George Clinton and his circus of freaks Parliament Funkadelic to the descent into the manic world of disco and its attendant vices this book charts Bogart s meteoric success and eventual collapse under the weight of uncontrolled ego and hype A compelling tale of ambition greed excess and some of the era s most biggest music acts Written with great candour and humour by Larry Harris Casablanca s co founder and former senior vice president and managing director And Party Every Day is the only definitive and firsthand look at Casablanca s remarkable story and a breathtaking view of that great American era of extravagance It includes dozens of never before seen photos and a complete discography John Donne in the Time of COVID Mary Ann Antley,2022-11-30 In 1623 John Donne dean of Saint Paul s Cathedral in London suddenly fell ill of a pestilential illness He took notes during this near fatal illness and published them as Devotions Upon Emergent Occasions in 1624 It is in the context of devotional literature that this book has formerly been studied If however the work is read with specific attention focused on the dynamics of Donne s psychological responses to a serious illness it may be seen to be the powerful dramatic presentation of his struggle for emotional and spiritual survival following the disruption of a previously accepted value system Our population today has experienced many of these feelings in facing illness isolation and death during the course of COVID 19 We are all Donne He gives us a voice from four hundred years in the past **The Boston Medical and Surgical Journal** ,1886 **American Journal of Physiology** ,1923 Volumes for 1898 1941 1948 56 include the Society s proceedings primarily abstracts of papers presented at the 10th 53rd annual meetings and the 1948 56 fall meetings **A Will of His Own** Kelly Harland,2007 This collection of essays reveals the often contrasting mix of emotion that comes with raising a son with autism Harland s stories explore the first nine years of her son s life and the new and unexpected universe she and her husband must learn to navigate with him **The Railroad Trainman** ,1918 *Jurek Becker* Sander L.
