Whose Keeper? Alan Wolfe, 2023-11-10 *Whose Keeper* is a profound and creative treatise on modernity and its challenge to social science Alan Wolfe argues that modern liberal democracies such as the United States and Scandinavia have broken with traditional sources of morality and instead have relied upon economic and political frameworks to define their obligations to one another Wolfe calls for reinvigorating a sense of community and thus a sense of obligation to the larger society This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1989 *Social Movements* Stanford M. Lyman, 1995 *Social movements* have shown themselves to be one of the most dramatic and effective forms of political action America founded as the result of a challenge to one kind of political order has been in part recreated as a result of movements of collective protest Social movements continue to arise in America Europe Asia and Africa In the present age when such social movements abound it is crucial to investigate the theoretical similarities and underpinnings of older and current collective protests With chapters on AIDS the Iranian revolution the New Left environmentalism and many other subjects as well as essays delineating classical and contemporary theories *Social Movements* provides a well rounded and provocative perspective on this most compelling form of political expression *Handbook of Demonstrations and Activities in the Teaching of Psychology* Mark E.
