Slightly Off Daniel A. Reynolds, 2002-01-31 This book is for those who want enlightenment but can't afford the plane ticket to Tibet If you can't afford this book that's not a problem either The secret to enlightenment can be found in the introduction of the book thereby bypassing hours of needless reading Of course once you're enlightened there's not much left to do in life so you might as well finish the book And this is no ordinary book It's a collection of Daniel Reynolds' cult column Slightly OFF a column where you never know what to expect Slightly OFF skips all the bashing and mudslinging of other commentary columns and simply forces its readers to look at popular culture through psycho colored glasses dressing familiar things in new clothes to see how ridiculous they looked in the old ones Fifty of the best Slightly OFFs are here ranging in topics from politics to sex to Pepsi to religion to beauty to mustard And when you combine religion and mustard it's never pretty This collection includes A Fish Named God A theology based on a goldfish no LSD required Wanted by the FBI The nation's most wanted felons including Santa Claus Sex and the Oklahoma City Cutting through the latex curtain in the Midwest Tales from the ER The dark side of medicine has nothing to do with malpractice It has to do with shampoo bottles Parenting Five children five adults and a three bedroom house rNuff said When all is said and done you may not be enlightened but you'll probably feel a little unbalanced And that's close enough

Slightly Off Daniel Reynolds, 2001-08 Welcome to the world of Slightly OFF a college column where politicians are advised to create scandals for themselves to get free media coverage the Tooth Fairy is wanted by the FBI for trafficking and Jesus Christ and Jason Voorhees have a lot in common they both came back from the dead for instance In Slightly OFF God Sex and All Stops in Between the best of over four years of Slightly OFF is gathered At times hilarious serious poignant and psychotic this is a collection that slices into every facet of American culture It includes Female Porn The scientific study that proves once and for all that Cosmo is worse than Playboy Frogs Dogs and David Arquette Why in an era of information do our commercials provide anything but English 101 This is where your language came from Unfortunately it's been influenced by the French I Killed Someone A reflection on the time the author spent with Wanda Jean Allen a death row inmate who made national headlines just weeks before her execution Once you read this you may never look at your world the same way again You certainly will never look at mustard the same way again
