**Someone Perfect** Mary Balogh, 2021-11-30 Sometimes just one person can pull a whole family apart. And sometimes it just takes one person to pull it back together. For fans of *Bridgerton*, New York Times bestselling Regency Romance author Mary Balogh shows how love truly conquers all in this new Westcott family novel. As a young man, Justin Wiley was banished by his father for mysterious reasons, but now his father is dead and Justin has been Earl of Brandon for six years. A dark, dour man, he nonetheless takes it as his responsibility to care for his half sister Maria when her mother dies. He travels to her home to fetch her back to the family seat at Everleigh Park. Although she adored him once, Maria now loathes Justin and her friend Lady Estelle Lamarr can see immediately how his very name upsets her. When Justin arrives and invites Estelle and her brother to accompany Maria to Everleigh Park to help with her distress, she begrudgingly agrees for Maria's sake. As family secrets unravel in Maria's homecoming, Justin too uncovers his desire for a countess. And while he may believe he's found an obvious candidate in the beautiful 25-year-old Lady Estelle, she is most certain that they could never make a match.

No Ordinary Love Mary Balogh, 2017-09-05 NO ORDINARY LOVE The North Tower Daphne Borland has inherited an old castle from her grandfather, provided she marries the earl of Everett, whom she has never met. She has never seen the castle, either, yet she feels a deep connection to it as soon as she arrives there. As she awaits the arrival of the earl with trepidation, she gets caught up in the events and passions of long ago and finds herself falling deeply in love with a man who has been dead for a hundred years. The Dark Rider Malvern is an ancient house haunted by ghosts, but only a few people can actually feel and see them. Dinah Riddings sent there to avoid the measles that have attacked her younger siblings is one of them. As she feels the pain and longings of the dark rider and his lady, cruelly separated two centuries before, she also feels the pull of attraction to the master of the house who looks incredibly like the dark rider.

**The Heirloom** In order to celebrate his engagement, John Chandler drives his girlfriend from London to a remotely situated hotel in West Wales, once the home of his ancestors. However, when John produces her ring, an old family heirloom, and fits it on her finger, he finds himself catapulted back in time to become the John Chandler of Regency England, newly arrived at the house with his new wife and dying of consumption.

**The Obedient Bride** Mary Balogh, 2020-06-02 Geoffrey, the new Viscount Astor, needs a wife. Since he sets no great store by love and romance, he decides it would be eminently sensible to offer marriage to one of the three daughters of his predecessor. He has never met any of them and has no preference. He leaves the choice to them and their mother, Arabella. The middle daughter volunteers to make the sacrifice and marry the earl, since her older, far more lovely sister is

already in love with someone else She prays that he will be an older man of few attractions for she sees herself as plain and uninteresting She is dismayed to discover that Geoffrey is in fact young handsome and fashionable She vows to be a dutiful obedient wife and to devote her life to making him comfortable Arabella s plan seems to be working nicely for both Geoffrey and herself until that is she discovers something about him that shocks her to the core It is an offense she considers quite unforgivable And when Arabella makes up her mind about something she is not easily persuaded to change it Geoffrey is finally shaken out of his complacency to the discovery that his wife means far more to him than he had realized But how is he to win her back when she flatly refuses to be wheedled out of her outrage
