Slightly Chipped Footnotes Inlore:

Slightly Chipped Lawrence Goldstone, Nancy Goldstone, 2000-05-05 Continuing the couple's love affair with book collecting that was first shared with readers in *Used and Rare* the Goldstones get hooked on the correspondence and couplings of Bloomsbury track down Bram Stoker's earliest notes for *Dracula* and discover new places to buy rare tomes meeting eccentric personalities along the way *Tales from the Haunted South* Tiya Miles, 2015-08-12 In this book Tiya Miles explores the popular yet troubling phenomenon of ghost tours frequently promoted and experienced at plantations urban manor homes and cemeteries throughout the South As a staple of the tours guides entertain paying customers by routinely relying on stories of enslaved black specters But who are these ghosts Examining popular sites and stories from these tours Miles shows that haunted tales routinely appropriate and skew African American history to produce representations of slavery for commercial gain Dark tourism often highlights the most sensationalist and macabre aspects of slavery from salacious sexual ties between white masters and black women slaves to the physical abuse and torture of black bodies to the supposedly exotic nature of African spiritual practices Because the realities of slavery are largely absent from these tours Miles reveals how they continue to feed problematic Old South narratives and erase the hard truths of the Civil War era In an incisive and engaging work Miles uses these troubling cases to shine light on how we feel about the Civil War and race and how the ghosts of the past are still with us *Hello Beautiful (Oprah's Book Club)* Ann Napolitano, 2024-11-19 NEW YORK TIMES BESTSELLER OPRAH'S BOOK CLUB PICK MORE THAN ONE MILLION COPIES SOLD From the author of *Dear Edward* comes a powerfully affecting People family story that asks Can love make a broken person whole Another tender tearjerker Napolitano chronicles life's highs and lows with aching precision The Washington Post ONE OF THE CHICAGO PUBLIC LIBRARY'S TEN BEST BOOKS OF THE YEAR A BEST BOOK OF THE YEAR The New York Times Book Review NPR The Washington Post Time Vogue Glamour Harper's Bazaar New York Post She Reads Bookreporter William Waters grew up in a house silenced by tragedy where his parents could hardly bear to look at him much less love him so when he meets the spirited and ambitious Julia Padavano in his freshman year of college it's as if the world has lit up around him With Julia comes her family as she and her three sisters are inseparable Sylvie the family's dreamer is happiest with her nose in a book Cecelia is a free spirited artist and Emeline patiently takes care of them all With the Padavanos William experiences a newfound contentment every moment in their house is filled with loving chaos But then darkness from William's past surfaces jeopardizing not only Julia's carefully orchestrated plans for their future but the sisters' unshakeable devotion to one another The result is a catastrophic family rift that changes their lives for generations Will the loyalty that once rooted them be strong enough to draw them back together when it matters most An exquisite homage to Louisa May Alcott's timeless classic *Little Women* *Hello Beautiful* is a profoundly moving portrait of what is possible when we choose to love someone not in spite of who they are but because of it **Lone Motherhood in Twentieth-Century Britain**, 1998-05-07

During the 1990s lone mothers reached the top of the political agenda viewed as both a drain on public expenditure and a moral threat. What has been missing from the debate is an understanding of how we have got to where we are. This timely new study by three leading experts in the field sets out first to investigate the demographics of lone motherhood, how the pathways into lone motherhood have changed and whether the changes of the last quarter of a century are as dramatic as they appear. Second, it looks at the wider context for the changes in lone motherhood in terms of ideas about marriage and the changes in the construction of the never married mother from victim in the 1950s to parasite in the late 1980s. Finally, it examines the way in which policies have defined the problem of lone motherhood over time and the way in which lone mothers have been treated with regard to housing, social security and employment. The study concludes that there is little possibility of putting the genie back in the bottle in terms of reducing the number of lone mothers. Efforts to do so by reducing public expenditure on them may be effective but at the expense of the children involved. Instead, the authors urge policy makers to change focus again and pay more attention to investing in children.

Callahams from Pendleton County, South Carolina Robert Z. Callaham, 2013-03-29. Herein is a story of nine generations of Callahams beginning in Old 96 District, later Pendleton Co, SC.
