Snakes Butterbeans And The Discovery Of Electric:

Snakes, Butterbeans & the Discovery of Electricity James Ashbrook Perkins, 2003 The touching humorous stories of a Kentucky childhood **The Twelfth Year and Other Times** Randy Hendricks, 2003 David Madden Randy Hendricks, James A. Perkins, 2006 For four decades Knoxville Tennessee native David Madden has been writing compelling bestsellers such as *Bijou* and *The Suicide's Wife* as well as highly respected literary novels such as *Sharpshooter* David Madden A Writer for All Genres is the first full length critical work devoted to the whole of Madden's oeuvre and collectively the essays make the case that the attention paid to Madden's novels has overshadowed his innovative work as a critic poet short story writer and dramatist Madden is indeed a writer for all genres poetry fiction drama and criticism David Madden A Writer for all Genres will introduce a new generation of readers to an important and multitalented writer and begin a well deserved serious discussion of his place in the American literary tradition **Southern Writers at Century's End** Jeffrey J. Folks, James A. Perkins, 2021-12-14 Since the end of World War II the South has experienced a greater awareness of growth and of its accompanying tensions than other regions of the United States The rapid change that climaxed with the war in Vietnam the Cold War civil rights demonstrations and Watergate has forced the traditional South to come to terms with social upheaval As the essays collected in *Southern Writers at Century's End* point out southern writing since 1975 reflects the confusion and violence that have characterized late twentieth century public culture These essays consider the work of twenty one of the foremost southern writers whose most important fiction has appeared in the last quarter of this century As the region's contemporary writers have begun to gain a wide audience critics have begun to distinguish what Hugh Holman has called the fresh the vital and the new in southern literary culture *Southern Writers at Century's End* is the first volume to take an extensive look at the current generation of southern writers Authors considered include James Lee Burke Fred Chappell Robert Drake Andre Dubus Clyde Edgerton Richard Ford Kaye Gibbons John Grisham Barry Hannah Mary Hood Josephine Humphreys Randall Kenan Richard Marius Bobbie Ann Mason Cormac McCarthy Tim McLaurin T R Pearson Lee Smith Anne Tyler Alice Walker and James Wilcox **Selected Letters of Robert Penn Warren** Robert Penn Warren, 2006-01-01 *Selected Letters of Robert Penn Warren* Volume three provides an indispensable glimpse of Warren the writer and the man covering a crucial decade in his life Edited by Randy Hendricks and James A Perkins and introduced by William Bedford Clark this collection of largely previously unpublished letters and newly discovered material documents Warren's time at the University of Minnesota his writing and publication of the Pulitzer Prize winning novel *All the King's Men* his appointment as Consultant in Poetry at the Library of Congress and his divorce from Emma Cinina Brescia and subsequent marriage to the writer Eleanor Clark The period 1943 1952 also saw the publication of *A Poem of Pure Imagination* *World Enough* and *Time* *The Ballad of Billie Potts* *At Heaven's Gate* and *Selected Poems 1923 1943* Warren's letters shed new light on those works and on his close relationship with his editors Lambert Davis and Albert Erskine

Included too is correspondence concerning Warren's collaboration with Robert Rossen on the movie production of *All the King's Men* which received the Academy Award for best picture in 1949. The list of friends and colleagues with whom Warren communicated reads like a roll call of major twentieth century literary figures and clearly shows his ever widening influence on the world of letters. Spanning a remarkable range in both style and tone the letters disclose Warren's attitudes toward his work as a teacher and his thoughts on the events of World War II, the Korean War and the political conflicts in postwar Europe. Thoroughly annotated and scrupulously researched Volume Three captures Warren in an extraordinary phase in his life and career reaching his maturity and making many commitments at once yet pursuing them all with a seemingly boundless energy. *Snakes, Butterbeans & the Discovery of Electricity* James Ashbrook Perkins, 1990-01-01

Portland, OR: booknews.com. **The Southern Quarterly**, 1995 **The Southern Review**, 2005 **Southern Writers and the Machine** Jeffrey Jay Folks, 1993 *Southern Writers and the Machine* Faulkner to Percy traces the artistic treatment of mechanization among two generations of Southern writers. The book studies the artistic and philosophical responses to the increasing mechanization of the South in the work of Faulkner, Tate, O'Connor, Styron, Gaines and Percy. It argues that these writers were working within a self-conscious aesthetic tradition which evolved out of the southern writer's unique position in relation to a past traditional order and a rapidly emerging future industrial society. The book breaks new ground by analyzing in close detail the relationship between the historical fact of mechanization and the artistic strategies employed in response to it. **A Directory of American Poets and Fiction Writers, 1993-1994**, 1992-12 **A Directory of American Poets and Fiction Writers** Poets and Writers, Inc.
