LEWIS

EDITED by
BERNARD LAFOURCADE

Snooty Baronet

**Wyndham Lewis, Armand
Guibert, Société Cevenole de Mercou**

Snooty Baronet:

Snooty Baronet Wyndham Lewis, 1984 A satirical view of London society is presented in the story of Sir Michael Kell Imrie s researches into the nature of human behavior **Snooty Baronet** Wyndham Lewis, 1932 **Snooty Baronet** , *Snooty Baronet*, by Wyndham Lewis,... Wyndham Lewis, 1952 Snooty Baronet Wyndham Lewis, Armand Guibert, Société Cevenole de Mercou, 1958 **Regarding the Popular** Sascha Bru, Laurence Nuijs, Benedikt Hjartarson, Peter Nicholls, Tania Ørum, Hubert Berg, 2011-11-30 Regarding the Popular charts the complex relationship between the avant gardes and modernisms on the one hand and popular culture on the other Covering neo avant gardists and modernists from various European countries this second volume in the series European Avant Garde and Modernism Studies explores the nature of so called low culture dealing with aspects as diverse as the everyday and the folkloric Regarding the Popular charts the many ways in which the allegedly high modernists and avant gardists looked at and represented the low As such this book will appeal to all those with an interest in the dynamic of modern experimental arts and literatures **Modernism and the Machinery of Madness** Andrew Gaedtke, 2017-10-26 Modernism and the Machinery of Madness demonstrates the emergence of a technological form of paranoia within modernist culture which transformed much of the period s experimental fiction Gaedtke argues that the works of writers such as Samuel Beckett Anna Kavan Wyndham Lewis Mina Loy Evelyn Waugh and others respond to the collapse of categorical distinctions between human and machine Modern British and Irish novels represent a convergence between technological models of the mind and new media that were often regarded as thought influencing machines Gaedtke shows that this literary paranoia comes into new focus when read in light of twentieth century memoirs of mental illness By thinking across the discourses of experimental fiction mental illness psychiatry cognitive science and philosophy of mind this book shows the historical and conceptual sources of this confusion as well as the narrative responses This book contributes to the fields of modernist studies disability studies and medical humanities Dandyism Len Gutkin, 2020-02-26 The dandy a nineteenth century character and concept exemplified in such works as Wilde s *The Picture of Dorian Gray* reverberates in surprising corners of twentieth and twenty first century culture Establishing this character as a kind of shorthand for a diverse range of traits and tendencies including gentlemanliness rebelliousness androgyny aristocratic pretension theatricality and extravagance Len Gutkin traces Victorian aesthetic precedents in the work of the modernist avant garde the noir novel Beatnik experimentalism and the postmodern thriller As defined in the period between the fin de siècle and modernism dandyism was inextricable from representations of queerness But rinsed of its suspect associations with the effeminate dandyism would exert influence over such macho authors as Hemingway and Chandler who harnessed its decadent energy Dandyism Gutkin argues is a species of gendered charisma The performative masquerade of Wilde s decadent dandy is an ancestor to both the gender performance at work in American cowboy lore and the precious self presentation of twenty first century hipsters We

cannot understand modernism and postmodernism's negotiation of gender aesthetic abstraction or the culture of celebrity without the dandy. Analyzing the characteristic focus on costume consumption and the well turned phrase in readings of figures ranging from Wyndham Lewis, Djuna Barnes and William Burroughs to Patricia Highsmith, Bret Easton Ellis and Ben Lerner, Dandyism reveals the Victorian dandy's legacy across the twentieth century, providing a revisionist history of the relationship between Victorian aesthetics and twentieth century literature. Encyclopedia of British Humorists Steven H. Gale, 1996. First Published in 1996. Routledge is an imprint of Taylor Francis, an informa company. *Obelisk* Neil Pearson, 2007-01-01. *Obelisk: A History of Jack Kahane and the Obelisk Press* details the history of one of the most extraordinary and controversial publishing enterprises of the twentieth century. Publisher simultaneously of the infamous novels of the literary elite as well as low budget erotica and dirty books, Jack Kahane's Obelisk Press published the likes of Henry Miller, James Joyce, Anaïs Nin and D. H. Lawrence alongside a lengthy list of censor baiting eccentrics like N. Reynolds Packard, the New York Daily News Rome correspondent and the self-styled Marco Polo of Sex. Here for the first time is the story of this remarkable venture which captures some of the twentieth century's most outrageous literary personalities and their often scandalous exploits, including the failed golf club society magazine run by Nin Miller and Lawrence Durrell and the tortured relationship between Obelisk author Marjorie Firminger and Wyndham Lewis. A richly illustrated cultural history of 1920s Paris, a fully narrated bibliography of works published by an unforgettable literary institution and a glimpse into the remarkable life of the Press's creator Jack Kahane, *The Obelisk Press* is a publishing event not to be missed by anyone with an interest in twentieth century literary lives and letters.
