These letters from a yeoman farmer in the Confederate Army to his wife in Coosa County Alabama will be of interest to historians not only for the light shed upon the life of the Confederate soldier but also for frequent allusions to rural life and the operation of the farm in Cotton's absence. He enlisted at Pinckneyville Alabama on April 1, 1862 and was paroled at Talladega on May 25, 1865. During the intervening years he saw action in Tennessee and Kentucky in the Dalton Atlanta campaign, briefly again in Tennessee then in Georgia against the forces of Sherman moving finally into South Carolina. These letters constitute an authentic record of a typical Confederate soldier's experience. *Journal of Southern History* Damaged Carolyn Marie, 2010-12. *Damaged* is a whirlwind of emotions in this poetic following of the young author's life. As one who has lived her life with Bipolar Disorder, Carolyn Marie captures audiences with her bold expression of life lessons. Each poem describes everyday and not so everyday trials and tribulations that end as a way to psychologically grow as a human being. Marie truly lets herself go in her work. **Compendium Maleficarum** Francesco Maria Guazzo, 2004-03. Were witches real in the Middle Ages? This handbook on witchcraft, first published in 1628, claims to expose the entire practice and profession of witchcraft. Was used as support in the accusation of witches at the time, although we can recognize much of it today as being paranoid superstition by religious authorities. The book is valuable because it allows one to view the extreme superstition surrounding witchcraft at the time and to better understand the degree of persecution that resulted.
