R, 2015-11-15 When life gets difficult do you run away or do you try to make it better For most of the people the answer is to run away because it's easier to avoid your problems than to solve them This is the story of two teenagers and how they pass their problems in life In one hand we've got Kara who's going thru the loss of her boyfriend best friend and is trying to move on with her life But in the other hand we've got Adam who is the new boy in town and has a past that he's willing to forget When their paths meet they fall madly in love They help each other to overcome the difficulties in their lives but when things get hard again will they be willing to take a risk and save their love Or will they just simply run away If you take a risk will you be regarded Or will your life turn upside down *Hiding Behind Myself* Meghan Clark, 2016-07-27 This is my real life story filled with actual journal entries of verbal and emotional abuse A story of a marriage to an alcoholic filled with rage and how I coped with the verbal attacks on my faith family friends and spirit The loneliness and heartache at times were too much to bear The day I had to put my beloved pet to sleep because of that rage was the day a hole entered my heart and stayed *So You Want to Plan a Birthday Party* Catherine Sobkowiak, 1980-02-01 Four basic party plans with many adaptations each for a different age child with all the necessary information on invitations guest lists games food and favors Includes recipes **So You Want To Plan A Birthday Party?** Catherine A. Durkin, 1980 **What Do You Really Want?** Roland Boike, 2017-04-07 As a child Alex Wilkerson grew up on his family's nine hundred acre estate near Plainfield Connecticut His dream had always been to just live out his life enjoying the scenic beauty of the landscape and roaming the hills valleys and streams of his beloved birthright The original nine hundred acres had been in the Wilkerson family for nine generations The property was part of a land grant to one of his great grandfathers for his participation in the Revolutionary

War against England The dream suddenly came to an end when more than half of the land owned by the Wilkerson family was taken by eminent domain During the Cold War the federal government acquired 775 acres of the Wilkersons Connecticut estate for a secret military operation Alex was enraged by the actions of the federal government for unjustly taking away his heritage Having lost a big portion of his birthright and his direction in life Alex closed the estate house and wandered aimlessly around the country not knowing what it is he really wants in life After much meditation and soul searching Alex decided he wanted to get revenge on the entities that unjustly took his birthright and to regain the 775 acres of land that the government took from his family Alex set out by instigating a daring plan that would either regain the 775 acres of land or cause him to spend the remainder of his life in prison The Ring of Death Roland Boike,2018-07-23 In 1868 Jarmon a young African boy and his sisters Kindra and Karla struggle to live after the death of their parents Jarmon in his spare time and in order to supplement his wages as a thirteen year old working in the African diamond mines hunts for diamonds along the Orange River in Africa One morning while hunting diamonds Jarmon finds he is accosted by the mine owner and is knocked unconscious The following day the mine owner fires Jarmon kidnaps his sisters and plans to take them back to Holland Finding that he is unable to get his sisters back Jarmon seeks out a local witch doctor to have a curse placed on the stolen diamonds In a fit of anger Jarmon seeks out the aid of an African native inyanga to place a curse on the diamonds It is believed that the curse has caused numerous mysterious deaths of the previous owners of the diamonds One hundred years later Grant Powers purchases the diamonds to have made into a thirty fifth wedding anniversary gift for his wife In order to save the political life of Grant Powerss brother Grant and Marianne Powers agree to adopt and raise the illegitimate child of Grants brother While vacationing the diamond ring is stolen and the Powers are killed in an automobile accident The caregiver simply keeps the child and raises her as her own The true identity of the child and the eventual recovery of the stolen diamond leads to the final removal of the curse *The Vowels of Personal Power* Bob McCulloch,Julia Gluck,2008-01-30 If you re like most people you feel that the creativity you were born with has long since been squelched by family social and work expectations This ground breaking work by two veteran coaches and motivators will help you recapture and channel your creative energy through twelve elegant practices associated with the vowels of personal power A for awareness E for engagement O for openness U for understanding and bringing them all together I for Integrity These practices will change your life **Who Am I** John D.
