Medical and Health Care Books and Serials in Print, 1997 **Greedy Science** Michael D. Gordin, W. Patrick McCray, 2025-02-18 The authors in this edited collection of essays explore this particular attribute greed by looking how it informed intersected and interlaced with science and technology and scientists and technologists during the 1980s During this decade greed although undeniably present in earlier eras became an extensive expansive and at times explicit characteristic of science both in the United States and around the world 3 The global scientific community was reshaped in a multitude of ways large and small by money fame and the pursuit of celebrity **The Korean Tradition of Religion, Society, and Ethics** Chai-sik Chung, 2016-11-10 By making Korea a central part of comparative history of East Asian religion and society this book traces the evolution of Korean religion from the oldest representation to that of the current day by utilizing wide ranging interdisciplinary and comparative resources This book presents a holistic view of the enduring religious tradition of Korea and its cultural and social significance within the wider horizons of modern and globalizing changes Reflecting nearly five decades of the author's work on the subject it presents an understanding of the main current in Korean religion and social thought throughout history It then goes on to examine discourses on values and morality involving the relationship between religion and society in particular the human meaning of economy and society which is one of the most central and practical problems in the contemporary world with global relevance beyond Korea and Asia Addressing the overview of the Korean religious tradition in the context of its impact on the making of modern society and economy this book will appeal to students and scholars of Religious Studies Korean Studies and Asian Studies **The Emerald Handbook of Ethical Finance and Corporate Social Responsibility** Ahmed Imran Hunjra, Khaled Hussainey, 2024-05-06 The term ethical finance refers to finance that considers environmental social and governance ESG aspects influencing a borrower and or its possessions The authors provide a fresh look at ESG aspects along with CSR implementation for sustainable development which has global and long term repercussions *The Politics of Provisions* John Bohstedt, 2016-02-24 The elemental power of food politics has not been fully appraised Food marketing and consumption were matters of politics as much as economics as England became a market society In times of dearth concatenations of food riots repression and relief created a maturing politics of provisions Over three centuries some eight hundred riots crackled in waves across England Crowds seized wagons attacked mills and granaries and lowered prices in marketplaces or farmyards Sometimes rioters parleyed with magistrates More often both acted out a well rehearsed political minuet that evolved from Tudor risings and state policies down to a complex culmination during the Napoleonic Wars Provision politics thus comprised both customary negotiations over scarcity and hunger and negotiations of the social vessel through the turbulence of dearth Occasionally troops killed rioters or judges condemned them to the gallows but increasingly riots prompted wealthy citizens to procure relief supplies In short food riots worked in a sense they were a first draft of the welfare state This pioneering

analysis connects a generation of social protest studies spawned by E P Thompson's essay on the moral economy with new work on economic history and state formation The dynamics of provision politics that emerged during England's social economic and political transformations should furnish fruitful models for analyses of total war and famine as well as broader transitions elsewhere in world history
