Social And Political Change In Uttar Pradesh European Perspectives:

Social and Political Change in Uttar Pradesh Roger Jeffery, Jens Lerche, 2003 The state of Uttar Pradesh India's most populous but also one of its poorest is in crisis lagging behind the rest of the country in terms of social development economic growth and women's empowerment with inefficient and ineffective democratic institutions In this timely book established scholars and new voices from Europe reflect on aspects of the perilous condition of UP addressing a range of issues all drawing on intensive and extended fieldwork What used to be UP's strength has turned into its weakness Its position in India as the quintessential Indian state is unique but no specific UP identity has been developed In papers discussing people's own perceptions of core social and political issues local ideas of what is needed for development are discussed Gender relations are a central concern of two papers one on customary marriage and divorce practices at village level and the other on changing notions of education for girls and the images of the UP plains held by those in the hills Other papers deal with the social bases and ideology of the separatist movement in the UP hills with Dalits and farmers and the political organisations aiming to represent their interests with farmers and how far the BKU is articulating their demands in western UP and with how Jats in western UP are changing the way they maintain their dominance The two final papers discuss how modern mass media TV and newspapers are shaping developments in UP The book a major advance in our understanding of contemporary patterns of social change in UP will be essential reading for concerned citizens students and academics alike

Political Economy of Class, Caste and Gender Ishita Mehrotra, 2022-03-17 This book examines the structures of power and hierarchies within the agrarian political economy in India with a focus on gender It analyses various forms of inequalities within rural structures while situating the position of women and Dalit agriculture labourers within these discriminate networks of social exclusion political marginalisation and poverty The book maps the impacts of neoliberal capitalist globalisation on agrarian relations to identify who labourers are and how rural diversification is shaped by class caste and gender hierarchies specifically in the villages of eastern Uttar Pradesh It looks at occupational patterns of women workers labour relations and reconceptualisation of labour The book documents the experiences of exploitation as well as forms of resistance and collective action of rural women labourers In doing this the book deals with processes witnessed across the global South rural distress depeasantisation migration feminisation of agriculture as well as identity based inequalities in rural labour markets Rich in empirical data the book will be useful for scholars and researchers of labour studies women's studies political economy agrarian economy agrarian sociology rural sociology sociology development studies and political studies

European Perspectives on Transition Pablo Sánchez León, Agustín Cosovschi, 2025-11-01 The concept of transition occupies an awkward place within scholarship on contemporary European history Seemingly unable to decipher the complex factors shaping the processes of democratization it risks appearing redundant as a framework for understanding recent and on going political developments In *European Perspectives on Transition* Pablo Sánchez León and

Agust n Cosovschi prove otherwise offering a pioneering and much needed conceptual history of transition from a comparative perspective Bringing together eight case studies on transitional discourse ranging from the so called Third Wave of Southern Europe in the 1970s to the regime changes in Central and Eastern Europe this volume models a vital new way for studying temporality and transition within Europe

The Modern Anthropology of India Peter Berger, Frank Heidemann, 2013-06-03 The Modern Anthropology of India is an accessible textbook providing a critical overview of the ethnographic work done in India since 1947 It assesses the history of research in each region and serves as a practical and comprehensive guide to the main themes dealt with by ethnographers It highlights key analytical concepts and paradigms that came to be of relevance in particular regions in the recent history of research in India and which possibly gained a pan Indian or even trans Indian significance Structured according to the states of the Indian union contributors raise several key questions including What themes were ethnographers interested in What are the significant ethnographic contributions How are peoples communities and cultural areas represented How has the ethnographic research in the area developed Filling a significant gap in the literature the book is an invaluable resource to students and researchers in the field of Indian anthropology ethnography regional anthropology and postcolonial studies It is also of interest to students of South Asian studies in general as it provides an extensive and critical overview of regionally based ethnographic activity undertaken in India

Popular Democracy and the Politics of Caste Satendra Kumar, 2022-09-21 This book examines the intersection of caste and politics in North India and highlights its contribution to the anthropological study of democracy It argues that the long term process of internalization of democracy within the caste body has fundamentally changed the workings of the Indian party system Drawing on an in depth ethnographic case study of the Gujjars a marginalized caste group in India the book presents a systematic analysis of the political mobilization and culture of political participation of the Other Backward Classes to understand why and how certain caste groups have been more successful in politics than others It discusses various key themes such as popular democracy and the politics of caste regional politics and territoriality myth legends and heroes in the Gujar community the transition from lineage deities to caste deity and the re formation of caste community identity It reveals the symbiotic relationships between religion and caste and shows how religion shapes contemporary caste The book makes an important contribution to the study of marginalised groups and their politicization and fills a significant gap in the political sociology of India It will be useful for scholars and researchers of sociology history exclusion studies Dalit studies political studies history social anthropology and South Asian studies

Quest for Identity Nitya Rao, 2024-05-31 This book lays bare the reality of being an Adivasi in India today and beyond that a woman in a globalising world building commonalities with the author s own personal experiences and life trajectory The lived experiences of Santal women and men are unfolded here along with the political and economic changes after Jharkhand State was created Using ethnographic methods it weaves a multi dimensional and multi relational mosaic of the lives and livelihoods the struggles for resources

gender identities and new narratives of citizenship Ordinary peoples everyday struggles for survival with dignity and respect form the core of the analyses Rich in field insights the gender lens adopted gives a fresh perspective to understanding issues of land and labour indigenous identity political aspirations and state relations It contributes significantly to the slim literature on Adivasi development in Jharkhand and fills a gap in knowledge on gender relations

Srinagesh,Ashok Kumar Lonavath,2013-01-01 This series on Challenges of Urbanization in the 21st Century is a five volume compendium that contains the articles presented at the 11th Asian Urbanization Conference held at Hyderabad India in collaboration with the US based Asian Urban Research Association The Fourth Volume on Urbanization and Urban Growth discusses topics as diverse as Land Use and Land Cover Demographics Spatiality in Urbanization Urban Impact on Economy and Sustainable Urbanization gentrification media and development role of Indian Judiciary in Urban Development

Colonial and Post-Colonial Geographies of India Saraswati Raju,M Satish Kumar,Stuart Corbridge,2006-03-29 This collection of original essays by scholars of geography from India Western Europe and the USA provides important insights into the way contemporary geographers are engaging with India The earlier narrow colonial focus that saw India as a country of resources and peoples tribes and castes has now been discarded for a broader view located in mainstream intellectual frameworks and informed by a public policy perspective This volume highlights how contemporary geographers see and write on topics such as the state nation community environment

and division of labor while keeping in mind issues of spatiality and territoriality *The 1857 Indian Uprising and the Politics of Commemoration* Sebastian Raj Pender, 2022-05-05 The Cawnpore Well Lucknow Residency and Delhi Ridge were sacred places within the British imagination of India Sanctified by the colonial administration in commemoration of victory over the Sepoy Mutiny of 1857 they were read as emblems of empire which embodied the central tenets of sacrifice fortitude and military prowess that underpinned Britain's imperial project Since independence however these sites have been rededicated in honour of the First War of Independence and are thus sacred to the memory of those who revolted against colonial rule rather than those who saved it *The 1857 Indian Uprising and the Politics of Commemoration* tells the story of these and other commemorative landscapes and uses them as prisms through which to view over 150 years of Indian history Based on extensive archival research from India and Britain Sebastian Raj Pender traces the ways in which commemoration responded to the demands of successive historical moments by shaping the events of 1857 from the perspective of the present By telling the history of India through the transformation of mnemonic space this study shows that remembering the past is always a political act
