Social Consequences Of The Financial Crisis In Asia:

Social Consequences of the Financial Crisis in Asia James C. Knowles, Ernesto M. Pernia, Mary Racelis, 1999-07
Assesses the social impact of the Asian financial crisis drawing on the results of studies in 6 countries Indonesia Republic of Korea Laos Malaysia Philippines and Thailand The impacts appear to be less than were anticipated early in the crisis However it seems too early to draw conclusions about the eventual social consequences This study is an interim assessment of the social impact of the crisis which requires further monitoring Chapters transmission of social impacts prices employment and income inequality and poverty human development social capital environment especially disadvantaged groups conclusions and implications Charts and tables [Social consequences of the financial crisis in Asia](#) Asian Development Bank, 1999

Social consequences of the financial crisis in Asia James C. Knowles, 1999 *Chronic Poverty In Asia: Causes, Consequences And Policies* John Malcolm Dowling, Chin-fang Yap, 2009-10-14 Asia contains the bulk of the world's poor as many as 500 million people A significant fraction of these poor are chronically poor which means that they and their families have been poor for years and will remain in poverty unless governmental policies are adopted which can lift them out of poverty This book focuses on rural poverty and those countries in Asia with the largest number of chronically poor including the two emerging superpowers of China and India other countries of South Asia and the Mekong region as well as Indonesia and Philippines in Southeast Asia Systematic analysis of who is poor where they live and why they are poor is carried out Microeconomic sector and macroeconomic policies which have been adopted to address this important social issue are also discussed Through specific country analysis the book outlines additional concrete measures that can be taken to reduce chronic poverty and improve the welfare of these people

Globalization and the Asia Pacific Economy Kyung Tae Lee, 2003-09-02 This book looks at globalisation in historical perspective and examines the experience of East Asian economies during the financial crisis provides an account of globalisation through the activities of Japanese multinational enterprises deals with the social consequences of exposure to the financial market risks of globalisation in East Asia details the experience of East Asian economies in managing the financial crisis draws lessons from East Asian experience with financial market liberalisation asks what approaches to international financial cooperation trade policy and corporate governance can assist East Asian interests in the world economy

The Asian Financial Crisis Eddy Lee, 1998 This study examines the social impact of the Asian financial crisis which began in July 1997 Several countries experienced an economic shock of unprecedented severity after decades of uninterrupted growth The severe rise in unemployment and its repercussions in the worst affected countries Thailand Republic of Korea and Indonesia overwhelmed the underdeveloped systems of social protection Higher unemployment and inflation combined to push many people into poverty A central policy message is that current programmes of policy and institutional reform following the crisis should include a basic rethinking of the social dimension of the future model of development The author also argues for the introduction of unemployment

insurance the expansion of social assistance and the strengthening of active labour market policies

The Political Economy of the Asian Financial Crisis Stephan Haggard, 2010-10-01 The Asian crisis has sparked a thoroughgoing reappraisal of current international financial norms the policy prescriptions of the International Monetary Fund and the adequacy of the existing financial architecture To draw proper policy conclusions from the crisis it is necessary to understand exactly what happened and why from both a political and an economic perspective In this study renowned political scientist Stephan Haggard examines the political aspects of the crisis in the countries most affected Korea Thailand Malaysia and Indonesia Haggard focuses on the political economy of the crisis emphasizing the longer run problems of moral hazard and corruption as well as the politics of crisis management and the political fallout that ensued He looks at the degree to which each government has rewoven the social safety net and discusses corporate and financial restructuring and greater transparency in business government relations Professor Haggard provides a counterpoint to the analysis by examining why Singapore Taiwan and the Philippines escaped financial calamity

From Asian to Global Financial Crisis Andrew Sheng, 2009-09-28 This is a unique insider account of the new world of unfettered finance The author an Asian regulator examines how old mindsets market fundamentalism loose monetary policy carry trade lax supervision greed cronyism and financial engineering caused both the Asian crisis of the late 1990s and the global crisis of 2008 9 This book shows how the Japanese zero interest rate policy to fight deflation helped create the carry trade that generated bubbles in Asia whose effects brought Asian economies down The study s main purpose is to demonstrate that global finance is so interlinked and interactive that our current tools and institutional structure to deal with critical episodes are completely outdated The book explains how current financial policies and regulation failed to deal with a global bubble and makes recommendations on what must change

The Social Impact of the Asia Crisis Tran Van Hoa, 2000-11-30 Over the past two years the world has been preoccupied with the Asia crisis its contagion and its economic impact The social dimension of the turmoil has only recently become the point of focus for debates and investigations by national and international organizations This book is the first serious academic contribution to this important dimension and contains extensive research sound analysis and concise presentation by national and international experts on such issues as poverty education training health nutrition and employment for a number of major economies in Asia and Oceania affected by the crisis

East Asia and the Global Crisis Shaun Breslin, 2013-09-13 This book traces the impact of the global financial crisis on East Asia and the way that key regional states responded to the crisis It considers the extent to which the region is decoupling from the global economy or the West the impact of crises on the definition of region and the effectiveness and functioning of regional institutions and governance mechanisms including environmental governance A key focus of the book is the increasing legitimacy of statist alternatives to neo liberal development strategies and modes of governance or perhaps more correctly the extent to which the legitimacy of western norms and practices have been delegitimized by the crisis This book was originally published as a special issue of

Social Consequences Of The Financial Crisis In Asia Introduction

In today's digital age, the availability of Social Consequences Of The Financial Crisis In Asia books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Social Consequences Of The Financial Crisis In Asia books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Social Consequences Of The Financial Crisis In Asia books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Social Consequences Of The Financial Crisis In Asia versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Social Consequences Of The Financial Crisis In Asia books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Social Consequences Of The Financial Crisis In Asia books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Social Consequences Of The Financial Crisis In Asia books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF

books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Social Consequences Of The Financial Crisis In Asia books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Social Consequences Of The Financial Crisis In Asia books and manuals for download and embark on your journey of knowledge?
