

# THE NEW NOVEL

FROM QUENEAU TO PINGET

VIVIAN  
MERCIER

A brilliant critical examination of the works  
of the leading creators of *le nouveau roman*:  
Raymond Queneau, Nathalie Sarraute,  
Alain Robbe-Grillet, Michel Butor, Claude Simon,  
Claude Mauriac, and Robert Pinget

# The New Novel From Queneau To Pinget

**Harold Wallace Ross, Katharine  
Sergeant Angell White**

## **The New Novel From Queneau To Pinget:**

The New Novel from Queneau to Pinget Vivian Mercier, 1971      **Queneau's Fiction** Christopher Shorley, 1985-09-05 A general study of Queneau in English originally published in 1985 which offers a straightforward introduction to his novels and short stories      The Novel Today Malcolm Bradbury, 1977 Britain's most important contemporary authors reflect intelligently and imaginatively on the nature and development of the modern novel      **Essays for Richard Ellmann** Susan Dick, Declan Kiberd, 1989-03-01 Ellmann's sensitivity to what it meant to be an artist shaped his work from the outset The life of an artist differs from the lives of other persons in that its events are becoming artistic sources even as they command his present attention Instead of allowing each day pushed back by the next to lapse into imprecise memory he shapes again the experiences which have shaped him Richard Ellmann died in 1987 His life and work have touched the lives of many Some of the essays in this collection commemorate Richard Ellmann and his commitment to Twentieth Century literature most provide a continuing investigation of the Twentieth Century literature to which he devoted his career Contributors include Alison Armstrong Daniel Albright Christopher Butler Carol Cantrell Jonathan Culler Elizabeth Butler Cullingford Andonis Decavelles Rupin Desai Susan Dick Terence Diggory Terry Eagleton Rosita Fanto Charles Feidelson James Flannery Charles Huttar Bruce Johnson John Kelleher Brendan Kennelly Frank Kermode Declan Kiberd Peter Kuch Bruce Johnson James Laughlin A Walton Litz Dominic Manganiello Ellsworth Mason Christie McDonald Dougald McMillan Sean O Mordha Vivian Mercier Mary T Reynolds William K Robertson Joseph Ronsley S P Rosenbaum Ann Saddlemeyer Sylvan Schendler Daniel Schneider Fritz Senn Jon Stallworthy Lonnie Weatherby Thomas Whitaker and Elaine Yarosky      Essays for Richard Ellmann Richard Ellmann, 1989 Richard Ellmann's scholarly work is notable for its striking liveliness and clarity and its genuine illumination of the writers and works with which he dealt His life of James Joyce published in 1959 received more commendation and critical praise than any previous literary biography      **The Survival of the Novel** Neil McEwan, 1981-11-26      The Continental Novel Louise S. Fitzgerald, Elizabeth I. Kearney, 1983      *Claude Simon* Jean H. Duffy, Alastair B. Duncan, 2002-01-01 This collection of essays celebrates the work of the French Nobel prize winning novelist Claude Simon Scholars reconsider the fifty years of Simon's fiction in the light of his large scale autobiographical novel *Le Jardin des Plantes* 1997 From a variety of perspectives postmodernist psychoanalytic aesthetic chapters reflect on the central paradox of Simon's work his writing and rewriting of an experience of war so disruptive and traumatic that words can never be adequate to communicate it      **Raymond Queneau's Dubliners** James Patrick Gosling, 2019-09-12 This work is a broad ranging exploration of two comic erotic and well nigh feminist novels written by Raymond Queneau *On est toujours trop bon avec les femmes* 1947 and *Journal intime* 1950 Both are set in Ireland were initially published by Editions du Scorpion under the pseudonym Sally Mara and then later published together by Gallimard as *Les uvres complètes de Sally Mara* 1962 The book examines Queneau's life when he wrote these texts the pervasive Joycean influences his surreal version of the 1916

Dublin Uprising versus the real event his remarkably accurate Dublin city and his use of the Irish language The seven core chapters are explorations of prominent aspects of these works and most involve the solution of puzzles by means of investigations of contexts contemporary events and a wide variety of sources In conclusion the book makes a convincing case for the literary and entertainment value of *Les uvres completes de Sally Mara* as a long planned and subtly integrated work

The French Novel: Theory and Practice Michael Butor,2024-10-07      **A New History of French Literature** Denis Hollier,1998-08-19 This splendid introduction to French literature from 842 A D to the present decade is the most imaginative single volume guide to the French literary tradition available in English      The Avant-Postman David Vichnar,2023-11-01 The Avant Postman explores a broad range of innovative postwar writing in France Britain and the United States Taking James Joyce s revolution of the word in *Ulysses* and *Finnegans Wake* as a joint starting point David Vichnar draws genealogical lines through the work of more than fifty writers up to the present including Alain Robbe Grillet B S Johnson William Burroughs Christine Brooke Rose Georges Perec Kathy Acker Iain Sinclair H l ne Cixous Alan Moore David Foster Wallace and many others Centering the exploration around five writing strategies employed by Joyce narrative parallax stylistic metempsychosis concrete writing forgery and neologising the logos the book reveals the striking continuities and developments from Joyce s day to our own      **The New Novel in France** Arthur E. Babcock,1997 Babcock separates the myth from the history of a movement that began in the 1950s and persisted through the 1970s providing a fair and dispassionate account of its chief representatives While Babcock does look at these writers as participants in a movement he does not force a false unity on the group Through an examination of their exemplary novels Babcock gives a balanced view of their common concerns as well as their differences As the nouveau roman reaches its fiftieth year The New Novel in France offers the first major historical study of a literary form that continues to capture scholarly interest and to excite intense debate      *The Films of Alain Robbe-Grillet* Roy Armes,1981-01-01 Alain Robbe Grillet 1922 2008 was a French writer and filmmaker His first involvement with the cinema was in the early 1960 s scripting one of the most controversial films of the decade *L Ann e derni re Marienbad* directed by Alain Resnais In this study the focus lies on the cinema of Robbe Grillet Each chapters deals with a specific film and a specific aspect of his work      The New Yorker Harold Wallace Ross,Katharine Sergeant Angell White,1979-08      Theory of the Novel Michael McKeon,2000-12 McKeon and others delve into the significance of the novel as a genre form issues in novel techniques such as displacement the grand theory narrative modes such as subjectivity character and development critical interpretation of the structure of the novel and the novel in historical context      **Sequel to History** Elizabeth Deeds Ermarth,2020-10-06 Sequel to History offers a comprehensive definition of postmodernism as a reformation of time Elizabeth Deeds Ermarth uses a diversified theoretical approachdrawing on post structuralism feminism new historicism and twentieth century scienceto demonstrate the crisis of our dominant idea of history and its dissolution in the rhythmic time of postmodernism She enlarges this definition in

discussions of several crises of cultural identity the crisis of the object the crisis of the subject and the crisis of the sign Finally she explores the relation between language and time in post modernism proposing an arresting theory of her own about the rhythmic nature of postmodern temporality Because the postmodern construction of time appears so clearly in narrative writing each part of this work is punctuated by a rhythm section on a postmodern narrative Robbe Grillet s Jealousy Cortezar s Hopscotch and Nabokov s Ada these extended readings provide concrete illustrations of Ermarth s theoretical positions As in her critically acclaimed Realism and Consensus in the English Novel Ermarth ranges across disciplines from anthropology and the visual arts to philosophy and history For its interdisciplinary character and its lucid definition of postmodernism Sequel to History will appeal to all those interested in the humanities *Hugging the Shore* John Updike, 2013-01-15 WINNER OF THE NATIONAL BOOK CRITICS CIRCLE AWARD Writing criticism is to writing fiction and poetry as hugging the shore is to sailing in the open sea writes John Updike in his Foreword to this collection of literary considerations But the sailor doth protest too much This collection begins somewhere near deep water with a flotilla of short fiction humor pieces and personal essays and even the least of the reviews here those that come about and draw even closer to the land with another nine point quotation are distinguished by a novelist s style insight and accuracy not just surface sparkle Indeed as James Atlas commented the most substantial critical articles on Melville Hawthorne and Whitman go out as far as Updike s fiction They are the sort of ambitious scholarly reappraisal not seen in this country since the death of Edmund Wilson With *Hugging the Shore* Michiko Kakutani wrote Updike established himself as a major and enduring critical voice indeed as the pre eminent critic of his generation *Masterplots II*. Frank Northen Magill, 1987 Examines the themes characters plots style and technique of 347 works by authors from the non English speaking countries of the world including Poland France Czechoslovakia Austria Germany and Russia Twaine's World Authors Series , 1979
