## **The New Sales Manager Challenges For The 21st Century:**

The New Sales Manager Walter Vieira, 1997-01-01      The New Professional Salesman Walter Vieira, 2008-11-11

Ways and means of selling are fast evolving as new paradigms of doing business engender new forms of relationships between sellers and buyers. The new breed of professional salespersons must respond to this rapidly shifting environment in the context of globalization, technological change and changing concepts of loyalty in the 21st century. The New Professional Salesman Meeting Challenges in the 21st Century written in Walter Vieira's inimitable style with simplicity, humour and clarity will appeal to sales professionals who are not inclined to read heavy tomes on the subject. The book meets the need of companies with both large field forces (pharmaceutical, FMCG, consumer durables, engineering) and a small number of salespersons. Such companies can now buy a copy for each salesperson and effectively provide a full training program for the cost of a day's travel allowance. Covering the entire spectrum of the selling process, the book features a systematic organisation of material on the theory of selling in the context of 21st century requirements. Use of case studies to elucidate strategies. Questions to reflect on and action points at the end of every chapter to stimulate thinking, self-analysis and self-improvement. A focus on the use of technology to improve selling effectiveness. A simple style of writing to make learning a pleasure. This book is a must-read for all salespersons and entrepreneurs, whether they sell products or services. Trainers will also find the book immensely helpful in conducting sales training workshops.

**Rethinking Sales Management** Beth Rogers, 2011-02-15

Until recently, sales managers received no specific training for their jobs. However, selling has become more complex with the emergence of regulations and more sophisticated customers. Sales managers need to inspire and achieve sales results by managing teams of professionals and other resources. To do so, they need guidance on dealing with issues that arise in these broader aspects of their role. This concise guide for sales managers is based on a well-known sales management technique called the customer portfolio matrix. Beth Rogers weaves her version of this throughout, enabling sales managers to see their strategy from the customer's point of view. Doing so will allow them to set realistic objectives, design new strategies that add real customer value, avoid wasting time on price-oriented customers, and deploy resources for maximum results.

**Become an Entrepreneur** Walter Vieira, 2019-08-05

In India and even world-wide, companies are expanding but trying to do this with less people. Government, which used to be the biggest employer, is downsizing. There is greater use of technology to reduce the number of employees. Where will the millions of young men and women who join the work force every year go? If they do not find gainful employment, there will be social tensions and unhappiness all round. **ENTREPRENEUR** is a book to motivate young people with or without skills, with or without capital. It is for those who have a spark of entrepreneurship which can be fanned into a flame, a flame that can spread into a raging fire throughout the nation. **ENTREPRENEUR** is not a how-to book. It is a why-should-I book. It will motivate to start your own enterprise to provide a job for yourself and hopefully also for some or many others. **ENTREPRENEUR** gives many examples. Stories of young men and

women in India Singapore Thailand who have struck out on their own successfully It shows what man has done man can do ENTREPRENEUR is written in Walter Vieira s inimitable style Simple language short paragraphs a sense of humour the consummate raconteur The hallmark of his 10 earlier books ENTREPRENEUR is a must read for all young men and women who are graduating from vocational training institutes alas too few from colleges from JTTs and IIMs ENTREPRENEUR is an excellent gift to your children and to your friends children so that many candles can be lighted to create fulfilled individuals contented communities and in tum a prosperous nation His first hand experience and the depth of his knowledge and thought on various aspects of business combine to give a unique strength to this book I am sure readers will find this a rewarding experience Mr K V Kamat Managing Director CEO ICIC Bank Limited
