The New Spear:

A New Spear Douglas Owen, 2025-02-01 In the storm drenched brothel where he was born Thomasyn Saye's fate was sealed. Marked as a Spear, a protector of the Realm, before his first breath his life was destined to be forged in discipline, pain, and sacrifice. Taken from his mother and thrust into the hands of the ancient order, Thomasyn must endure the brutal rites and relentless training that will shape him into a weapon for the greater good. But the path of a Spear is not one of honour alone. Shadows lurk even in the hallowed halls of the Realm, and danger is closer than the battlefield. As Thomasyn grows, the secrets of the Spears are revealed, testing not only his body but also his soul. Among the Spear trainers, wet nurses, and Wooders, loyalties clash, ambitions rise, and the weight of tradition bears heavily. The Realm demands everything from its protectors, but how much is too much? Filled with vivid characters, intricate world building, and moral complexity, *A New Spear* is a gripping fantasy novel about what it means to sacrifice for duty, the harsh cost of justice, and the fragile line between protector and oppressor. For readers of epic fantasy who crave both grit and grandeur, Douglas Owen's tale is a compelling exploration of courage, compassion, and the unyielding power of destiny. Are you ready to uncover the mysteries of the Spears and the price of protecting the Realm?

The Sex Radicals Hal D. Sears,2021-10-29 This volume provides the first account of the pioneering efforts at sex reform in America from the Gilded Age to the Progressive era Despite the atmosphere of extreme prudery and the existence of the Comstock laws after the Civil War a group of radicals emerged to attack conventional beliefs about sex from traditional marriage to women s chattel status in society These men and women had in common a direct unrespectable iconoclastic style They put forth outrageous journalism and had a penchant for martyrdom and for using the courts to publicize their ideologies From rare and generally unknown sources Hal D Sears pieced together the story of the sex radicals and their surprising ideas Moses Harman a minister turned abolitionist and freethinker is a central figure in the narrative His Lucifer the Light Bearer the only journal of sexual liberty published from the early 1880s to 1907 was dedicated to free love sex education women s rights and related causes To a great degree Harman s publication defines the limits of social dissent in the late nineteenth century Other members of the sex radical circle included E B Foote a medical doctor who made a fortune with a home medical book crammed with sex information Edwin Walker and Lillian Harman who became a cause c l bre among radicals when their jailhouse honeymoon in Kansas challenged the right of the state to regulate marriage Elmina Slenker who promoted a theory of sexual energy sublimation and the idea that women were the superior sex and Lois Waisbrooker Dora Forster Lillie White and other feminists who almost a century ago taught and preached the very ideas we hear today in the women s movement Of course all these people got into trouble with the law mostly through the machinations of their archvillain Anthony Comstock Sears examines Comstock s powers of postal censorship and describes Comstock s personal vendettas against sexual dissenters particularly the free love philosopher Ezra Heywood He gives a legal history of obscenity and explains the sex radicals significance in the emergence of obscenity law Although the sex radicals attest the important reform vitality of provincial culture in late nineteenth century America until now they have been almost ignored by historians Those who have studied sex radicalism at all apart from its communitarian and sectarian aspects have viewed it merely as a subsidiary of the more respectable feminist movement In this book Sears gives careful consideration to the links between sex radicalism and spiritualism feminism anticlericalism anarchism and the free thought movement He presents sex radicalism as a separate and unique movement which illuminates new reaches of the Victorian landscape and establishes a tradition for present day liberation trends *ERDA Fiscal Year 1978 Authorization* United States.
