Steiner,2000-05-20 Many people go through very difficult times in life The author documents the journey through his dark night of the soul The poetry paints vivid word pictures with brutally honest feelings about what he is experiencing He does not pretend to be something he is not He merely writes from the darkness as he struggles to find the light As the book progresses the light at the end of the tunnel becomes apparent He becomes in fact what he always thought he was in theory This book is not a light read but it is very easy to read
